AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT

THIS AMENDED AND RESTATED TRADEMARK SECURITY AGREEMENT ("Agreement") is made as of January 16, 2005, by and between Brownstone Publishing, LLC, an Indiana limited liability company ("Grantor"), and National City Bank of Indiana, a national banking association ("NCB").

WITNESSETH:

WHEREAS, Grantor (in such capacity, the "Borrower") and NCB are parties to that certain Second Amended and Restated Credit Agreement dated as of December 10, 2004, (as amended and as the same may hereafter be modified, amended, restated or supplemented from time to time, the "Credit Agreement"), pursuant to which NCB may, from time to time, make loans, advances, and other financial accommodations to or for the benefit of Grantor;

WHEREAS, Grantor and NCB are parties to that certain Security Agreement dated as of April 14, 2003 (as amended and as the same may hereafter be modified, amended, restated or supplemented from time to time, the "Security Agreement"), pursuant to which Grantor has granted a security interest in certain of its assets to NCB; and

WHEREAS, NCB and Grantor are parties to that certain Trademark Security Agreement dated as of April 14, 2003, as amended by that certain First Amendment to Trademark Security Agreement dated on or around December 10, 2004 (as amended, the "Original Trademark Security Agreement").

WHEREAS, NCB has required Grantor to execute and deliver this Agreement (i) in order to secure the prompt and complete payment, observance and performance of all of the Obligations, and (ii) as a condition precedent to the making of any further loans, advances and any other financial accommodations by NCB;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties hereto agree as follows:

1. Defined Terms.

(a) Unless otherwise defined herein, each capitalized term used herein that is defined in the Credit Agreement shall have the meaning specified for such term in the Credit Agreement. Unless otherwise defined herein or in the Credit Agreement, each capitalized term used herein that is defined in the Security Agreement shall have the meaning specified for such term in the Security Agreement.

(b) The words "hereof," "herein" and "hereunder" and words of like import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section references are to this Agreement unless otherwise specified.

(c) All terms defined in this Agreement in the singular shall have comparable meanings when used in the plural, and vice versa, unless otherwise specified.

2. Incorporation of Premises. The premises set forth above are incorporated into this Agreement by this reference thereto and are made a part hereof.

3. Incorporation of the Credit Agreement. The Credit Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto.

4. Security Interest in Trademarks. To secure the complete and timely payment, performance and satisfaction of all of the Obligations, Grantor hereby GRANTS to NCB a security interest in, as and by way of a first mortgage and security interest having priority over all other security interests, with power of sale to the extent permitted by applicable law, all of Grantor's now owned or existing and hereafter acquired or arising:

(i) trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, including, without limitation, the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications listed on Schedule A attached hereto and made a part hereof, and (a) all renewals thereof, (b) all income, royalties, damages and payments now and hereafter due and/or payable under and with respect thereto, including, without limitation, payments under all licenses entered into in connection therewith and damages and payments for past or future infringements or dilutions thereof, (c) the right to sue for past, present and fixture infringements and dilutions thereof, (d) the goodwill of Grantor's business symbolized by the foregoing and connected therewith, and (e) all of Grantor's rights corresponding thereto throughout the world (all of the foregoing trademarks, registered trademarks and trademark applications, and service marks, registered service marks and service mark applications, together with the items described in clauses (a)-(e) in this paragraph 4(i), are sometimes hereinafter individually and/or collectively referred to as the "Trademarks"); and

(ii) rights under or interest in any trademark license agreements or service mark license agreements with any other party, whether Grantor is a licensee or licensor under any such license agreement, including, without limitation, those trademark license agreements and service mark license agreements listed on Schedule B attached hereto and made a part hereof, together with any goodwill connected with and symbolized by any such trademark license agreements or service mark license agreements, and the right to prepare for sale and sell any and all Inventory now or hereafter owned by Grantor and now or hereafter covered by such licenses (all of the foregoing are hereinafter referred to collectively as the "Licenses"). Notwithstanding the foregoing provisions of this Section 4, the Licenses shall not include any license agreement in effect as of the date hereof which by its terms prohibits the grant of the security contemplated by this Agreement; provided, however, that upon the termination of such prohibitions for

any reason whatsoever, the provisions of this Section 4 shall be deemed to apply thereto automatically.

5. Restrictions on Future Agreements. Grantor will not, without NCB's prior written consent, enter into any agreement, including, without limitation, any license agreement, which is inconsistent with this Agreement, and Grantor further agrees that it will not take any action, and will use its best efforts not to permit any action to be taken by others, including, without limitation, licensees, or fail to take any action, which would in any respect affect the validity or enforcement of the rights transferred to NCB under this Agreement or the rights associated with the Trademarks or Licenses.

6. New Trademarks and Licenses. Grantor represents and warrants that, from and after the Effective Date, (a) the Trademarks listed on Schedule A include all of the trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications now owned or held by Grantor, (b) the Licenses listed on Schedule B include all of the trademark license agreements and service mark license agreements under which Grantor is the licensee or licensor, except with respect to licenses granted by Grantor pursuant to Grantor's "Super Service" awards program in the ordinary course of Grantor's business (collectively, "Super Service Award Licenses") and (c) no liens, claims or security interests in such Trademarks and Licenses have been granted by Grantor to any Person other than (i) NCB in connection with that certain Security Agreement, dated as of April 14, 2003, as amended; (ii) Ralph M. Holt, Jr. in connection with that certain Amended and Restated Reimbursement and Security Agreement, dated December 10, 2004, and that certain Second Amended and Restated Trademark Security Agreement, dated as of the date hereof; (iii) Aquent LLC in connection with that certain Amended and Restated Reimbursement and Security Agreement, dated December 10, 2004, and that certain Second Amended and Restated Trademark Security Agreement, dated as of the date hereof; (iv) Sutphin in connection with that certain Reimbursement and Security Agreement dated as of December 10, 2004 and that certain Amended and Restated Trademark Security Agreement, dated as of the date hereof; (v) Aquent LLC in connection with that certain Security Agreement and that certain Trademark Security Agreement, both dated December 28, 2005; (vi) City Securities Corporation in connection with that certain Security Agreement and that certain Trademark Security Agreement, both dated December 28, 2005; (vii) WRVP in connection with that certain Security Agreement and that certain Trademark Security Agreement, both dated December 28, 2005; (viii) John W. Biddinger in connection with that certain Security Agreement and that certain Trademark Security Agreement, both dated December 28, 2005; and (ix) Michael E. Bosway in connection with that certain Security Agreement and that certain Trademark Security Agreement, both dated December 28, 2005. If, prior to the termination of this Agreement, Grantor shall (i) obtain rights to any new trademarks, registered trademarks, trademark applications, service marks, registered service marks or service mark applications, (ii) become entitled to the benefit of any trademarks, registered trademarks, trademark applications, trademark licenses, trademark license renewals, service marks, registered service marks, service mark applications, service mark licenses or service mark license renewals whether as licensee or licensor, or (iii) enter into any new trademark license agreement or service mark license agreement, the provisions of paragraph 4 above shall automatically apply thereto. Except in connection with the granting of Super Service Award Licenses, Grantor shall give to NCB prompt written notice of events described in clauses (i), (ii) and (iii) of the preceding sentence after the occurrence thereof. Grantor hereby

authorizes NCB to modify this Agreement unilaterally (i) by amending Schedule A to include any future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications and by amending Schedule B to include any future trademark license agreements and service mark license agreements, which are Trademarks or Licenses under paragraph 4 above or under this paragraph 6, and (ii) by filing, in addition to and not in substitution for this Agreement, a duplicate original of this Agreement containing on Schedule A or B thereto, as the case may be, such future trademarks, registered trademarks, trademark applications, service marks, registered service marks and service mark applications, and trademark license agreements and service mark license agreements.

7. Royalties. Grantor hereby agrees that the use by NCB of the Trademarks and Licenses as authorized hereunder in connection with NCB's exercise of its rights and remedies under paragraph 15 or pursuant to Section 16 of the Security Agreement shall be coextensive with Grantor's rights thereunder and with respect thereto and without any liability for royalties or other related charges from NCB to Grantor.

8. Right to Inspect; Further Assignments and Security Interests. NCB may at all reasonable times (and at any time when an Event of Default exists), upon reasonable notice to Grantor, have access to, examine, audit, make copies (at Grantor's expense) and extracts from and inspect Grantor's premises and examine Grantor's books, records and operations relating to the Trademarks and Licenses; provided, that in conducting such inspections and examinations, NCB shall use reasonable efforts not to disturb unnecessarily the conduct of Grantor's ordinary business operations. From and after the occurrence of an Event of Default, Grantor agrees that NCB, or a conservator appointed by NCB, shall have the right to establish such reasonable additional product quality controls as NCB or such conservator, in its sole and absolute judgment, may deem necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks and the Licenses or in connection with which such Trademarks and Licenses are used. Grantor agrees (i) not to sell or assign its respective interests in the Trademarks or the Licenses, or grant any license under the Trademarks (except for Super Service Award Licenses), without the prior and express written consent of NCB, (ii) to maintain the quality of such products as of the date hereof at a level sufficient to preserve any applicable Trademarks, and (iii) not to change the quality of such products in any material respect without NCB's prior and express written consent.

9. Nature and Continuation of NCB's Security Interest; Termination of NCB's Security Interest. This Agreement is made for collateral security purposes only. This Agreement shall create a continuing security interest in the Trademarks and Licenses and shall terminate only when the Obligations have been paid in full in cash and the Credit Agreement and the Security Agreement have been terminated. When this Agreement has terminated, NCB shall promptly execute and deliver to Grantor, at Grantor's expense, all termination statements and other instruments as may be necessary or proper to terminate NCB's security interest in the Trademarks and the Licenses, subject to any disposition thereof which may have been made by NCB pursuant to this Agreement or the Security Agreement.

10. Duties of Grantor. Grantor shall have the duty, to the extent desirable in the normal conduct of Grantor's business, to prosecute diligently any trademark application or service mark application that is part of the Trademarks pending as of the date hereof or hereafter

until the termination of this Agreement. Grantor further agrees to use reasonable efforts to maintain in full force and effect the Trademarks and the Licenses that are or shall be necessary or reasonably economically desirable in the operation of Grantor's business. Any expenses incurred in connection with the foregoing shall be borne by Grantor. NCB shall not have any duty with respect to the Trademarks and Licenses. Without limiting the generality of the foregoing, NCB shall not be under any obligation to take any steps necessary to preserve rights in the Trademarks or Licenses against any other parties, but NCB may do so at its option from and after the occurrence of an Event of Default, and all expenses incurred in connection therewith shall be for the sole account of Grantor and shall be added to the Obligations secured hereby.

11. NCB's Right to Sue. From and after the occurrence of an Event of Default, NCB shall have the right, but shall not be obligated, to bring suit in its own name to enforce the Trademarks and the Licenses and, if NCB shall commence any such suit, Grantor shall, at the request of NCB, do any and all lawful acts and execute any and all proper documents required by NCB in aid of such enforcement. Grantor shall, upon demand, promptly reimburse NCB for all costs and expenses incurred by NCB in the exercise of its rights under this paragraph 11 (including, without limitation, reasonable fees and expenses of attorneys and paralegals for NCB).

12. Waivers. NCB's failure, at any time or times hereafter, to require strict performance by Grantor of any provision of this Agreement shall not waive, affect or diminish any right of NCB thereafter to demand strict compliance and performance therewith nor shall any course of dealing between Grantor and NCB have such effect. No single or partial exercise of any right hereunder shall preclude any other or further exercise thereof or the exercise of any other right. None of the undertakings, agreements, warranties, covenants and representations of Grantor contained in this Agreement shall be deemed to have been suspended or waived by NCB unless such suspension or waiver is in writing signed by an officer of NCB and directed to Grantor specifying such suspension or waiver.

13. Severability. Whenever possible, each provision of this Agreement shall be interpreted in such manner as to be effective and valid under applicable law, but the provisions of this Agreement are severable, and if any clause or provision shall be held invalid and unenforceable in whole or in part in any jurisdiction, then such invalidity or unenforceability shall affect only such clause or provision, or part thereof, in such jurisdiction, and shall not in any manner affect such clause or provision in any other jurisdiction, or any other clause or provision of this Agreement in any jurisdiction.

14. Modification. This Agreement cannot be altered, amended or modified in any way, except as specifically provided in paragraph 6 hereof or by a writing signed by the parties hereto; provided that NCB may waive or grant its consent hereunder in a writing signed only by NCB.

15. Cumulative Remedies; Power of Attorney. From and after the Termination Date until payment or satisfaction in full of the Obligations (other than contingent indemnity obligations), Grantor hereby irrevocably designates, constitutes and appoints NCB (and all Persons designated by NCB in its sole and absolute discretion) as Grantor's true and

lawful attorney-in-fact, and authorizes NCB and any of NCB's designees, in Grantor's or NCB's name, to take any action and execute any instrument which NCB may deem necessary or advisable to accomplish the purposes of this Agreement, including, without limitation, from and after the occurrence and during the continuance of an Event of Default and the giving by NCB of notice to Grantor of NCB's intention to enforce its rights and claims against Grantor, to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for NCB in the use of the Trademarks or the Licenses, (ii) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks or the Licenses to anyone on commercially reasonable terms, (iii) grant or issue any exclusive or nonexclusive license under the Trademarks or, to the extent permitted, under the Licenses, to anyone on commercially reasonable terms, and (iv) take any other actions with respect to the Trademarks or the Licenses as NCB deems in its own best interest. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney is coupled with an interest and shall be irrevocable until all of the Obligations shall have been paid in full in cash and the Credit Agreement shall have been terminated. Grantor acknowledges and agrees that this Agreement is not intended to limit or restrict in any way the rights and remedies of NCB under the Security Agreement, but rather is intended to facilitate the exercise of such rights and remedies. NCB shall have, in addition to all other rights and remedies given it by the terms of this Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the Uniform Commercial Code as enacted in any jurisdiction in which the Trademarks or the Licenses may be located or deemed located. Upon the occurrence of an Event of Default and the election by NCB to exercise any of its remedies under Section 9.1-610 or Section 9.1-620 of the Uniform Commercial Code with respect to the Trademarks and Licenses, Grantor agrees to assign, convey and otherwise transfer title in and to the Trademarks and the Licenses to NCB or any transferee of NCB and to execute and deliver to NCB or any such transferee all such agreements, documents and instruments as may be necessary, in NCB's sole discretion, to effect such assignment, conveyance and transfer. All of NCB's rights and remedies with respect to the Trademarks and the Licenses, whether established hereby, by the Security Agreement, by any other agreements or by law, shall be cumulative and may be exercised separately or concurrently. Notwithstanding anything set forth herein to the contrary, it is hereby expressly agreed that upon the occurrence of an Event of Default, NCB may exercise any of the rights and remedies provided in this Agreement, the Security Agreement and any of the other Loan Documents. Grantor agrees that any notification of intended disposition of any of the Trademarks and Licenses required by law shall be deemed reasonably and properly given if given at least ten (10) days before such disposition; provided, however, that NCB may give any shorter notice that is commercially reasonable under the circumstances.

16. Successors and Assigns. This Agreement shall be binding upon Grantor and its successors and assigns, and shall inure to the benefit of NCB and its successors and assigns. Grantor's successors and assigns shall include, without limitation, a receiver, trustee or debtor-in-possession of or for Grantor; provided, however, that Grantor shall not voluntarily assign or transfer its rights or obligations hereunder without NCB's prior written consent.

17. Governing Law. This Agreement shall be construed and enforced and the rights and duties of the parties shall be governed by in all respects in accordance with the internal laws (as opposed to conflict of laws provisions) and decisions of the State of Indiana.

18. Notices. All notices or other communications hereunder shall be given in the manner and to the addresses set forth in the Credit Agreement.

19. Section Titles. The section titles herein are for convenience of reference only, and shall not affect in any way the interpretation of any of the provisions hereof.

20. Execution in Counterparts. This Agreement may be executed in counterparts and by different parties hereto in separate counterparts, both of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

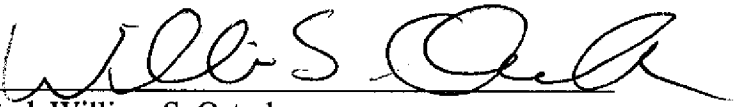

21. Merger. This Agreement represents the final agreement of the Grantor with respect to the matters contained herein and may not be contradicted by evidence of prior or contemporaneous agreements, or subsequent oral agreements, between the Grantor and NCB.

22. Amendment and Restatement. This Agreement amends, and as amending restates the Original Trademark Security Agreement. Each reference to the "Trademark Security Agreement" in the Credit Agreement is deemed a reference to this Agreement as the same may hereafter be modified, amended, restated or supplemented from time to time.
