TRADEMARK ASSIGNMENT

WHEREAS, MASCO CORPORATION, a Delaware corporation, having an address at 21001 Van Born Road, Taylor, Michigan ("Assignor"), is the owner of the trademarks and corresponding Trademark Registrations and Applications for Registration thereof identified in Attachment A hereto (the "Marks"); and

WHEREAS, Assignor desires to sell, assign and transfer to THE BLACK & DECKER CORPORATION, a Maryland corporation, having an address at 701 E. Joppa Road, Towson, Maryland ("Assignee"), the Marks together with the goodwill of the business symbolized by the Marks and all registrations and applications for registration therefor;

WHEREAS, Assignee desires an assignment of the Mark, registrations and applications for registration thereof, in a form suitable for recording in the United States Patent and Trademark Office.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby sells, assigns and transfers to Assignee, its successors and assigns, absolutely and forever, the entire right, title and interest, whether statutory or at common law, in and to the Marks, together with the goodwill of the business symbolized by the Marks and worldwide rights in the Marks and all registrations and applications for registration therefore, and the right to secure any renewals, reissues, and extensions of any such rights in the United States or any foreign jurisdiction, and to all income, royalties, damages, claims and payments, now or hereafter due or payable with respect thereto, together with all causes of action for any and all previously occurring infringements of the rights being assigned and the right to receive and retain the proceeds relating to those infringements. Moreover, Assignor assigns the right to bring suit and collect for infringements thereof, the foregoing to be held and enjoyed forever by Assignee for its own use and benefit and for the use and benefit of its successors and assigns as fully and entirely as such rights would have been held and enjoyed by Assignor had this Assignment not been made.

Assignor covenants that it is the owner of the Marks and the holder of record title to the registrations and applications for registration therefore.

Assignor agrees to assist Assignee in every way (but at Assignee's expense) to obtain, and if so requested by Assignee, to apply directly for and obtain, in the name and on behalf of Assignee, trademark and other statutory or common law protection for such Marks in any and all countries and to execute any and all papers concerning such Marks that may be considered necessary or helpful by Assignee (i) to apply for and to obtain such trademark and other statutory or common law protections therefore, to enforce the same, and (ii) to effect the assignment and transfer of all title, right, ownership and interest in and to such Marks and the registrations and applications for registration thereof and all rights therein to Assignee or to its successors and assigns.
