## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 21<sup>st</sup> day of March, 2006, among the Grantors listed on the signature page hereof (collectively, jointly and severally, the "Grantors" and each individually a "Grantor"), and ABLECO FINANCE LLC, a Delaware limited liability company ("Ableco"), in its capacity as collateral agent for the Lenders (together with its successors and assigns in such capacity, the "Collateral Agent").

### WITNESSETH:

WHEREAS, pursuant to that certain Financing Agreement dated as of March 27, 2006 (as amended, restated, modified, supplemented, refinanced, renewed or extended from time to time, including the exhibits and schedules thereto, the "Financing Agreement"), among Roma Restaurant Holdings, Inc., a Delaware corporation (the "Parent"), Romacorp, Inc., a Delaware corporation, as borrower (the "Borrower"), each subsidiary of the Parent party thereto as a guarantor (each a "Guarantor" and collectively, jointly and severally, the "Guarantors"), the lenders from time to time party thereto as "Lenders" (collectively, the "Lenders"), Ableco, in its capacity as administrative agent for the Lenders and the Collateral Agent, the Lenders are willing to make certain financial accommodations available to the Borrower from time to time pursuant to the terms and conditions thereof; and

WHEREAS, the Lenders are willing to make the financial accommodations to the Borrower as provided for in the Financing Agreement, but only upon the condition, among others, that the Grantors shall have executed and delivered to the Collateral Agent, for the benefit of the Lenders, that certain Security Agreement dated as of March 27, 2006 (as amended, restated, supplemented or otherwise modified from time to time, including all annexes, exhibits and schedules thereto, the "Security Agreement"); and

WHEREAS, pursuant to the Security Agreement, the Grantors are required to execute and deliver to the Collateral Agent, for the benefit of the Lenders, this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement.

2. GRANT OF SECURITY INTEREST IN TRADEMARK COLLATERAL. Each Grantor hereby grants to the Collateral Agent, for the benefit of the Lenders, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Trademark Collateral");

(a) all of its Trademarks and rights in and to any Trademark licensed under any Intellectual Property Licenses to which it is a party, including those listed to on Schedule I hereto;

(b) all goodwill, trade secrets, proprietary or confidential information, technical information, procedures, formulae, quality control standards, designs, operating and training manuals, customer lists, and other General Intangibles with respect to the foregoing;

(c) all reissues, continuations, extensions, modifications and renewals of the foregoing;

(d) all goodwill of the business connected with the use of, and symbolized by, each Trademark and each Trademark licensed under any Intellectual Property License; and

(e) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark or any Trademark licensed under any Intellectual Property License or (ii) injury to the goodwill associated with any Trademark or any Trademark licensed under any Intellectual Property License.

3. SECURITY FOR SECURED OBLIGATIONS. This Trademark Security Agreement and the Security Interest created hereby secures the payment and performance of all of the Secured Obligations, whether now existing or arising hereafter. Without limiting the generality of the foregoing, this Trademark Security Agreement secures the payment of all amounts which constitute part of the Secured Obligations and would be owed by the Grantors, or any of them, to any Agent or any Lender, but for the fact that they are unenforceable or not allowable due to the existence of an Insolvency Proceeding involving any Grantor.

4. SECURITY AGREEMENT. The Security Interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the Security Interests granted to the Collateral Agent, for the benefit of the Lenders, pursuant to the Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Security Interest in the Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.

5. AUTHORIZATION TO SUPPLEMENT. If any Grantor shall obtain rights to any new trademarks, the provisions of this Trademark Security Agreement shall automatically apply thereto. The Grantors shall give prompt notice in writing to the Collateral Agent with respect to any such new trademarks or renewal or extension of any trademark registration. Without limiting the Grantors' obligations under this Section 5, the Grantors hereby authorize the Collateral Agent unilaterally to modify this Agreement by amending Schedule I to include any such new trademark rights of the Grantors. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from the Collateral Agent's continuing security interest in all Trademark Collateral, whether or not listed on Schedule I.

6. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. In proving this Trademark Security Agreement in any judicial proceedings, it shall not be necessary to produce or account for more than one such counterpart signed by the party against whom such enforcement is sought. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

7. CONSTRUCTION. Unless the context of this Trademark Security Agreement clearly requires otherwise, references to the plural include the singular, references to the singular include the plural, the terms "includes" and "including" are not limiting, and the term "or" has, except where otherwise indicated, the inclusive meaning represented by the phrase "and/or." The words "hereof," "herein," "hereby," "hereunder," and similar terms in this Trademark Security Agreement refer to this Trademark Security Agreement as a whole and not to any particular provision of this Trademark Security Agreement. Section, subsection, clause, schedule, and exhibit references herein are to this Agreement unless otherwise specified. Any reference in this Trademark Security Agreement to any agreement, instrument, or document shall include all alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements thereto and thereof, as applicable (subject to any restrictions on such alterations, amendments, changes, extensions, modifications, renewals, replacements, substitutions, joinders, and supplements set forth herein). Any reference herein to the satisfaction or repayment in full of the Secured Obligations shall mean the repayment in full in cash of all Secured Obligations other than unasserted contingent indemnification obligations. Any reference herein to any Person shall be construed to include such

Person's successors and assigns. Any requirement of a writing contained herein shall be satisfied by the transmission of a Record, and any Record so transmitted shall constitute a representation and warranty as to the accuracy and completeness of the information contained therein.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
