THIS AGREEMENT (TRADEMARK) (this "Agreement"), dated as of March 16, 2006, between the undersigned (individually each the "Debtor" and collectively the "Debtors") and Comerica Bank ("Secured Party")

WITNESSETH

A WHEREAS, pursuant to that certain Credit Agreement dated as of March 16, 2006 (as amended, restated or otherwise modified from time to time, the "Credit Agreement") by and among International Graphics Inc. ("Holdings"), R Tape Corporation ("R Tape"), Coburn Graphic Films, Inc. ("Coburn", and together with R Tape and each other party which may join the Credit Agreement as a Borrower thereunder, the "Borrowers" and each a "Borrower") and Secured Party, the Secured Party has agreed, subject to the satisfaction of certain terms and conditions, to make Advances to the Borrowers and to provide for the issuance of Letters of Credit for the account of the Borrowers, individually, or jointly and severally, as provided therein; and

B WHEREAS, in connection with the Credit Agreement, the Debtors have executed and delivered that certain Security and Pledge Agreement, dated as of the date hereof, to the Secured Party (as amended or otherwise modified from time to time, the "Security Agreement"); and

C WHEREAS, as a condition precedent to the making of the Advances under the Credit Agreement, the Debtors are required to execute and deliver this Agreement and to further confirm the grant to the Secured Party for the benefit of the Secured Party a continuing security interest in all of the Trademark Collateral (as defined below) to secure all Indebtedness (as defined in the Credit Agreement)

NOW, IHEREFORE, for good and valuable consideration the receipt of which is hereby acknowledged, and in order to induce the Secured Party to make Advances (including the initial Advance) to the Borrowers pursuant to the Credit Agreement, Debtors agree, for the benefit of the Secured Party, as follows:

SECTION 1. Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

SECTION 2 Grant of Security Interest. For good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, to secure the prompt and complete payment and performance when due of all of the Indebtedness, each Debtor does hereby mortgage, pledge and hypothecate to the Secured Party, and grant to the Secured Party a security interest in, all of the following property of such Debtor (the "Trademark Collateral"), whether now owned or hereafter acquired or existing:

(a) license agreements with any other Person in connection with any of the Trademarks or such other Person's names or trademarks, whether a Debtor is a licensor or a licensee under any such license agreement, including, without limitation, the license agreements listed on **Schedule 1.1** hereto and made a part hereof, subject, in each case, to the terms of such license agreements, and the right to prepare for sale, and to sell and advertise for sale, all inventory now or hereafter covered by such licenses

(b) trademarks, service marks, trade names, trade dress or other indicia of trade origin, trademark and service mark registrations, and applications for trademark or service mark registrations (except for "intent to use" applications for trademark or service mark registrations filed pursuant to Section 1(b) of the Lanham Act, unless and until an Amendment to Allege Use or a Statement of Use under Sections 1(c) and 1(d) of said Act has been filed), and any renewals thereof, including, without limitation, each registration and application identified on **Schedule 1.1** attached hereto and made a part hereof, and including without limitation (a) the right to sue or otherwise recover for any and all past, present and future infringements and misappropriations thereof, (b) all income, royalties, damages and other payments now and hereafter due and/or payable with respect thereto (including, without limitation, payments under all Trademark Licenses entered into in connection therewith, and damages and payments for past or future infringements thereof) and (c) all rights corresponding thereto and all other rights of any kind whatsoever of a Debtor accruing thereunder or pertaining thereto, together in each case with the goodwill of the business connected with the use of, and symbolized by, each such trademark, service mark, trade name, trade dress or other indicia of trade origin

(c) all renewals of any of the items described in clauses (a) and (b);

(d) all of the goodwill of the business connected with the use of, and symbolized by each of the items described in, clauses (a), (b) and (c); and

The security interest granted hereby has been granted as a supplement to, and not in limitation of, the security interest granted to the Secured Party under the Security Agreement as security for the discharge and performance of the Indebtedness. The Security Agreement (and all rights and remedies of the Secured Party thereunder) shall remain in full force and effect in accordance with its terms.

**SECTION 4. Release of Security Interest** If all of the Indebtedness (other than contingent liabilities pursuant to any indemnity, including without limitation **Section 5.5** and **Section 5.6** of the Security Agreement, for claims which have not been asserted, or which have not yet accrued) shall have been indefeasibly paid and performed in full (in cash) and all commitments to extend credit or other credit accommodations under the Credit Agreement have

been terminated, the Bank shall, upon the written request of the Debtors, execute and deliver to the Debtors a proper instrument or instruments acknowledging the release and termination of the security interests created by this Agreement, and shall duly assign and deliver to the Debtors (without recourse and without any representation or warranty) such of the Trademark Collateral as may be in the possession of the Bank and has not previously been sold or otherwise applied pursuant to this Agreement

SECTION 5 Acknowledgment The Debtors do hereby further acknowledge and affirm that the rights and remedies of the Secured Party with respect to the security interest in the Trademark Collateral granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which (including the remedies provided for therein) are incorporated by reference herein as if fully set forth herein

SECTION 7 Counterparts This Agreement may be executed by the parties hereto in several counterparts, each of which shall be deemed to be an original and all of which shall constitute together but one and the same agreement
