TRADE-MARK ASSIGNMENT

THIS TRADE-MARK ASSIGNMENT ("Assignment"), effective as of this 3rd day of October, 2005 ("Effective Date"), is from Copperweld Corporation, a Delaware corporation, ("Assignor") to Dofasco Tubular Products Corporation, a Delaware corporation ("Assignee").

WHEREAS, Assignor and Assignee are, *inter alia*, parties to an Investment and Asset Purchase Agreement dated August 16, 2005 (the "Purchase Agreement");

AND WHEREAS, Assignor owns the entire right, title and interest in and to the registered trade-marks and trade-mark applications listed on Schedule A, together with the goodwill of the business associated therewith (collectively, the "Assigned Marks");

AND WHEREAS, Assignor is assigning to Assignee the entire right, title and interest in and to the Assigned Marks pursuant to the Purchase Agreement, and the Purchase Agreement requires the execution of this Assignment.

NOW THEREFORE, for and in consideration of the sum of Canadian \$1.00 and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

1. Assignor hereby sells, assigns and transfers to Assignee Assignor's entire right, title and interest in and to the Assigned Marks, whether statutory or common law rights, together with the goodwill connected with and symbolized by the Assigned Marks, for Canada and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of Canada or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, to, if and as applicable, the end of the term or terms for which the Assigned Marks are granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter with respect thereto and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present and future infringement, dilution or other violation or unauthorized use of the rights assigned or to be assigned under this Assignment free and clear of all Encumbrances other than Permitted Encumbrances that exist at the Stock Purchase Completion Time (as such capitalized terms are defined in the Purchase Agreement).
2. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns.
3. Assignor hereby authorizes Assignee to record this Assignment or such further assignment documents as may be required with the Canadian Intellectual Property Office and/or the applicable foreign authorities with respect to the Assigned Marks.

4. If any term or provision of this Assignment is invalid, illegal or otherwise unenforceable in whole or in part in any jurisdiction in which Assigned Marks are owned by Assignor, all other terms and provisions of this Assignment shall nevertheless remain in full force and effect. Upon such determination that any term or provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties hereto as closely as possible in order that the transactions contemplated by this Assignment be consummated as originally contemplated to the greatest extent possible.
5. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligation imposed by this Assignment shall be governed by the laws of the Province of Ontario, regardless of the laws that might otherwise govern under applicable principles of conflict of laws.
6. Assignee will execute such additional documents and take other actions as may be necessary or desirable to secure, record or perfect the assignments of the Assigned Marks set forth herein, and to vest in Assignee Assignor's entire right, title, and interest in and to the Assigned Marks together with the goodwill connected with and symbolized by the Assigned Marks.
7. This Assignment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

IN WITNESS WHEREOF, Assignor has caused this Assignment to be duly executed by its duly authorized representative as of the day and year first above written.
