Trademark Security Agreement

Trademark Security Agreement, dated as of March 23, 2006 (the “Trademark Security Agreement”), by ANGIOTECH PHARMACEUTICALS (US), INC., ANGIOTECH PHARMACEUTICALS, INC., AMERICAN MEDICAL INSTRUMENTS HOLDINGS, INC., AFMEDICA, INC., ANGIOTECH BIOCOATINGS CORP., NEUCOLL, INC., SURGICAL SPECIALTIES CORPORATION, SURGICAL SPECIALTIES PUERTO RICO, INC., MANAN MEDICAL PRODUCTS, INC. and MEDICAL DEVICE TECHNOLOGIES, INC. (individually, a “Grantor”, and, collectively, the “Grantors”), in favor of CREDIT SUISSE, in its capacity as administrative agent and collateral agent pursuant to the Credit Agreement (in such capacity, the “Collateral Agent”).

WITNESSETH:

WHEREAS, the Grantors are party to a U.S. Security Agreement dated as of March 23, 2006 (the “Security Agreement”), made by Angiotech Pharmaceuticals (US), Inc., a Washington corporation (the “U.S. Borrower”), and certain of its Affiliates (including the Grantors), in favor of the Collateral Agent pursuant to which the Grantors are required to execute and deliver this Trademark Security Agreement;

NOW, THEREFORE, in consideration of the premises and to induce the Collateral Agent, for the benefit of the Secured Parties, to enter into the Credit Agreement, the Grantors hereby agree with the Collateral Agent as follows:

SECTION 1. Defined Terms. Unless otherwise defined herein, terms defined in the Security Agreement and used herein have the meaning given to them in the Security Agreement.

SECTION 2. Grant of Security Interest in Trademark Collateral. Each Grantor hereby pledges and grants to the Collateral Agent for the benefit of the Secured Parties (which pledge and grant are and shall be deemed to be one and the same pledge and grant as the pledge and grant set forth in the Security Agreement) a security interest in and to all of its right, title and interest in, to and under all the following Collateral of such Grantor:

(a) Trademark registrations and applications for trademark registrations listed on Schedule I attached hereto, provided, that no security interest shall be granted in any United States intent-to-use trademark or service mark application to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use application under applicable federal law;

(b) all Goodwill associated with such Trademarks; and

(c) all Receivables and Proceeds of any and all of the foregoing (other than Excluded Assets) ((a) and (b) collectively, the “Trademarks”).

SECTION 3. Security Agreement. The security interest granted pursuant to this Trademark Security Agreement is granted in conjunction with the security interest granted to the

Collateral Agent pursuant to the Security Agreement and Grantors hereby acknowledge and affirm that the rights and remedies of the Collateral Agent with respect to the security interest in the Trademarks made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In the event that any provision of this Trademark Security Agreement is deemed to conflict with the Security Agreement, the provisions of the Security Agreement shall control unless the Collateral Agent shall otherwise determine.

SECTION 4. Termination. Upon the payment in full of the Obligations and termination of the Security Agreement, the Collateral Agent shall execute, acknowledge, and deliver to the Grantors an instrument in writing in recordable form releasing the collateral pledge, grant, assignment, lien and security interest in the Trademarks under this Trademark Security Agreement.

SECTION 5. Applicable Law. This Trademark Security Agreement and the rights and obligations of the parties hereunder shall be governed by, and shall be construed and enforced in accordance with, the laws of the State of New York.

SECTION 6. Counterparts. This Trademark Security Agreement may be executed in any number of counterparts, all of which shall constitute one and the same instrument, and any party hereto may execute this Trademark Security Agreement by signing and delivering one or more counterparts.

[signature page follows]

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.

Very truly yours,
