ASSIGNMENT

WHEREAS, Southern Webbing Mills, Inc. (hereinafter referred to as "Southern"), a North Carolina corporation having a place of business at 4701 Southern Webbing Mill Road, Greensboro, North Carolina 27405, is the owner of the entire right, title and interest in and to the trademark application, patent application and issued patents listed on the attached Schedule A; and

WHEREAS, Asheboro Elastics Corp. (hereinafter referred to as "Asheboro"), a corporation having a place of business at 150 North Park Street, Asheboro, North Carolina 27204, is desirous of acquiring the entire right, title and interest in and to the trademark application, patent application and issued patents listed on the attached Schedule A, and any divisions, continuations, reissues, and extensions thereof in the United States of America and its territorial possessions, and any applications, patents, divisions, continuations, reissues, and extensions thereof filed or issued in any foreign country.

NOW, THEREFORE, in consideration of good and valuable consideration, the receipt of which is hereby acknowledged, Southern by these presents does hereby sell, assign and transfer unto said Asheboro the entire right, title and interest in and to the said trademark application, patent application and issued patents listed on the attached Schedule A for its own use and enjoyment and for the use and enjoyment of its successors and assigns to the full end of the term or terms for which a registration or Letters Patent may be granted as fully and entirely as the same would have been held and enjoyed by Southern if this assignment, transfer and sale had not been made.

Southern hereby authorizes and requests the Commissioner for Patents and Trademarks to issue the pending trademark application and patent application listed on attached Schedule A

to Asheboro when granted, and assign the entire rights, title and interest to the issued patents listed on the attached Schedule A to Asheboro, for the sole use and enjoyment of said Asheboro, its successors and assigns.
