TRADEMARK ASSIGNMENT

This Trademark Assignment (this "**Assignment**") is made and effective as of March 15, 2006, by ADG Sports, L.P., a Texas limited partnership with offices at 2100 Highway 360, Suite 1400, Grand Prairie, Texas 75050, U.S.A. ("**Assignor**"), to Boyt Harness Company, L.L.C., an Iowa limited liability company with offices at One Boyt Drive, Osceola, Iowa 50213, U.S.A. ("**Assignee**").

WHEREAS, this Assignment is subject to the terms and conditions of the Asset Purchase Agreement, dated as of the same date hereof (the "**Purchase Agreement**"), by and between Assignor, Assignee, and the Partners (as defined therein);

WHEREAS, Assignor desires to sell all assumed fictional and actual business names, trade names, registered and unregistered marks, trademarks, service marks, secondary marks, trade styles, logos, and other source or business identifiers and applications, and all common-law rights related thereto (including, without limitation, the Marks and applications therefor set forth on Schedule A) owned by Assignor as of the date hereof, and the right to obtain all renewals thereof and the registrations thereof and the applications thereof in the U.S. Patent and Trademark Office, together with the goodwill associated with any of the foregoing (collectively, "**Marks**");

WHEREAS, Assignee desires to acquire the entire right, title, and interest therein and is the successor to the ongoing and existing portion of the business of Assignor to which the Marks pertain;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, pursuant to this Assignment, Assignor hereby sells, assigns, conveys, and transfers to Assignee all right, title, and interest in and to the Marks, and the registrations and the applications thereof, together with all common-law rights and goodwill of the business symbolized by the Marks and the registrations and the applications, all causes of action for damages, including by reason of past or present infringement or misappropriation thereof, and all income, royalties, or payments due as of the date hereof or hereafter.

Assignor agrees not to use the Marks or any variations of the Marks after execution of this Agreement except as otherwise permitted pursuant to a License Agreement between Assignor and Assignee. Furthermore, Assignor agrees not to challenge the validity of the Marks or title of Assignee to the Marks.

At any time and from time to time after the date hereof, at the request of the Assignee, the Assignor will execute and deliver such other instruments of transfer, and provide testimony by affidavit or other appropriate means, and take such other action as the Assignee may reasonably request to transfer to the Assignee, and to confirm the Assignee's title to or interest in, the Marks, and consummate the other transactions contemplated hereby.

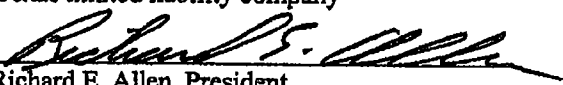

This Assignment may be executed in one or more counterparts, each of which will be deemed to be an original copy of this Assignment and all of which, when taken together, will be deemed to constitute one and the same document. The exchange of copies of this Assignment and of signature pages by facsimile or other electronic transmission shall constitute effective execution and delivery of this Assignment as to the parties and may be used in lieu of the original Assignment for all purposes. Signatures of the parties transmitted by facsimile or other electronic means shall be deemed to be their original signatures for all purposes.
