INTELLECTUAL PROPERTY SECURITY AGREEMENT

THIS INTELLECTUAL PROPERTY SECURITY AGREEMENT is entered into as of May 2, 2006 by and between ENKATA TECHNOLOGIES, INC., a Delaware corporation ("*Grantor*") and the parties listed on EXHIBIT A, attached hereto, (each, a "*Junior Secured Party*" and collectively, the "*Junior Secured Parties*").

RECITALS

A. Junior Secured Parties have agreed to make certain advances of money and to extend certain financial accommodation to Grantor (the "*Loans*") in the amounts and manner set forth in that certain Note and Warrant Purchase Agreement dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "*Purchase Agreement*"), which Loans are further evidenced by certain subordinated secured convertible promissory notes issued by Grantor for the benefit of the Junior Secured Parties of various dates (as the same may be amended, modified or supplemented from time to time, the "*Notes*") and which Loans are secured by a security interest as set forth in that certain Security Agreement dated of even date herewith (as the same may be amended, modified or supplemented from time to time, the "*Security Agreement*"). Capitalized terms used herein are used as defined in the Security Agreement).

B. Junior Secured Parties are willing to extend and to continue to extend financial accommodations to Grantor, but only upon the condition, among others, that Grantor shall grant to Junior Secured Parties a security interest in certain Copyrights, Trademarks and Patents to secure the obligations of Grantor under the Security Agreement, the Purchase Agreement, the Notes and with respect to the Loans.

C. Pursuant to the terms of the Security Agreement, Grantor has granted to Junior Secured Parties a security interest in all of Grantor's right, title and interest, whether presently existing or hereafter acquired, in, to and under all of the Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Security Agreement, the Purchase Agreement, the Notes and the Loans now existing or hereafter arising between Grantor and Junior Secured Parties, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

To secure its obligations under the Security Agreement, the Purchase Agreement, the Notes, and the Loans now existing or hereafter arising between Junior Secured Parties and Grantor, Grantor grants and pledges to Junior Secured Parties a security interest in all of Grantor's right, title and interest in, to and under its Intellectual Property (including without limitation those Copyrights, Patents and Trademarks listed on EXHIBITS B, C and D hereto, respectively), and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the

world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof (collectively, "*Intellectual Property Collateral*").

This security interest is granted in conjunction with the security interest granted to Junior Secured Parties under the Security Agreement. The rights and remedies of Junior Secured Parties with respect to the security interest granted hereby are in addition to those set forth in the Security Agreement, and those which are now or hereafter available to Junior Secured Parties as a matter of law or equity. Each right, power and remedy of Junior Secured Parties provided for herein or in the Security Agreement, or now or hereafter existing at law or in equity shall be cumulative and concurrent and shall be in addition to every right, power or remedy provided for herein and the exercise by Junior Secured Parties of any one or more of the rights, powers or remedies provided for in this Intellectual Property Security Agreement or the Security Agreement, or now or hereafter existing at law or in equity, shall not preclude the simultaneous or later exercise by any person, including Junior Secured Parties, of any or all other rights, powers or remedies. The Junior Secured Parties agree that the security interest of the Junior Secured Parties in the Intellectual Property Collateral under this Agreement shall be subordinate to certain senior lenders of Grantor as set forth in Section 1.4 of the Security Agreement, as more explicitly set forth in that certain Subordination Agreement by and among such senior lenders and the Junior Secured Parties dated as of April __, 2006.

In the event Grantor receives additional Loans pursuant to Section 2.2 of the Purchase Agreement that are secured as set forth in the Security Agreement, each party that is or becomes a "Junior Secured Party" under the Security Agreement shall deliver to Grantor a signature page to this Agreement and become parties to, and bound by, this Agreement to the same extent as if they had been Junior Secured Parties at the Closing (as defined in the Purchase Agreement). No consent of Grantor or any other Junior Secured Party shall be required to join such Junior Secured Party this Agreement as a Junior Secured Party hereunder, except as may be required pursuant to Section 2.2 of the Purchase Agreement.

Grantor represents and warrants that **EXHIBITS B, C, and D** attached hereto set forth any and all intellectual property rights in connection to which Grantor has registered or filed an application with either the United States Patent and Trademark Office or the United States Copyright Office, as applicable.[to confirm current list with Enkata]
