ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS

This ASSIGNMENT OF INTELLECTUAL PROPERTY ASSETS (this "Assignment") dated as of the date below, is made by and between PELSTAR, LLC, an Illinois limited liability company ("Seller"), and RUBBERMAID INCORPORATED, an Ohio corporation, ("Purchaser").

WHEREAS, Seller and Purchaser have entered into an Asset Purchase Agreement dated January [•], 2006 (the "Purchase Agreement"); and

WHEREAS, under the Purchase Agreement, Purchaser agreed to purchase the Business (as that term is defined in the Purchase Agreement) of Seller; and

WHEREAS, in conducting the Business, Seller has acquired an interest in certain Business IP (as defined in the Purchase Agreement) to be transferred to Purchaser under the terms of the Purchase Agreement; and

WHEREAS, Seller is the owner of all right, title and interest in and to various United States federal and state trademark and service mark registrations and applications that are included in the Business IP (collectively, the "Domestic Trademarks"), including, but not limited to, the federal registrations and applications listed in Schedule A; and

WHEREAS, outside the United States of America Seller is the owner of all right, title and interest in and to various foreign trademark and service mark registrations and applications that are included in the Business IP (collectively, the "Foreign Trademarks"), including the foreign trademark and service mark registrations and applications listed in Schedule A; and

WHEREAS, in the United States of America, Seller is the owner of all right, title and interest in and to various ideas, inventions, foreign patents and utility models and applications therefor that are included in the Business IP, including the patents and utility models and applications therefor listed in Schedule B hereto, and all reissues, divisions, continuations, continuations-in-parts, extensions, and reexaminations thereof or thereon (collectively, the "Domestic Patents");

WHEREAS, outside the United States of America, Seller is the owner of all right, title and interest in and to various ideas, inventions, foreign patents and utility models and applications therefor that are included in the Business IP, including the foreign patents and utility models and applications therefor listed in Schedule B hereto, and all reissues, divisions, continuations, continuations-in-parts, extensions, and reexaminations thereof or thereon (collectively, the "Foreign Patents"); and

WHEREAS, Seller is the owner of certain right, title and interest in and to various copyrights, trade dress, know-how, trade secrets, unregistered trademarks, service marks and tradenames and other similar proprietary rights that are included in the Business IP, including the domain names listed in Schedule C hereto, and required to be transferred under the Purchase Agreement (collectively, the "Other IP Assets"); and

WHEREAS, Purchaser is desirous of acquiring all of Seller's right, title and interest in and to all Domestic Trademarks, Foreign Trademarks, Domestic Patents, Foreign Patents and the Other IP Assets (collectively, the "ASSETS"), and Seller has promised, in the Purchase Agreement, to cause the same to be assigned; and

NOW, THEREFORE, for ten dollars (US \$10.00) and other valuable and legally sufficient consideration, including the consideration set forth in the Purchase Agreement, acknowledged by the Seller to have been received in full:

1. The Seller does hereby sell, convey, assign and transfer to Purchaser the entire right, title and interest in, to and under all ASSETS, together with the goodwill of the business symbolized by such ASSETS, together with all rights and privileges granted and secured thereby, including the full right to sue for past, present or future infringement of such ASSETS, these rights to be held and enjoyed by Purchaser as fully and entirely as the same would have been held and enjoyed by Seller if this Assignment and sale had not been made.

2. The Seller hereby covenants and agrees that it will, in accordance with the terms of the Purchase Agreement, execute and deliver, or cause to be executed and delivered, all such documents and instruments and will take, or cause to be taken all such further or other actions reasonably required to effect this Assignment, including executing and delivering any country-specific assignments necessary to record transfer of title hereunder.

3. The terms and covenants of this Assignment shall inure to the benefit of the Purchaser, its successors and assigns and other legal representatives, and shall be binding upon the Seller, its successors, legal representatives and assigns.

4. The Seller hereby requests that the appropriate patent, trademark or other government offices record this Assignment and issue a new certificate of registration in the Purchaser's name.

5. This Assignment does not (i) convey any rights of Seller other than those required to be transferred under the Purchase Agreement, (ii) create any obligations for Seller in addition to those provided under the Purchase Agreement, or (iii) relieve Seller of any obligations under the Purchase Agreement.
