TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment"), effective as of December 4, 2005 ("Effective Date"), is by and between ALPHARMA APS (formerly A/S DUMEX, DUMEX-ALPHARMA A/S and DUMEX-ALPHARMA APS) ("Assignor") and Actavis Group hf., a corporation organized under the laws of Iceland ("Assignee").

WHEREAS, Alpharma Inc., certain other sellers and Actavis Group HF have entered into that certain Stock and Asset Purchase Agreement dated October 17, 2005 (the "SAPA");

WHEREAS, in connection with SAPA, Assignor wishes to assign, and Assignee wishes to acquire, all of Assignor's right, title and interest in and to the trademarks and trademark applications identified in Schedule A (collectively, the "Trademarks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged:

1. Assignor does hereby sell, transfer, convey and assign unto Assignee Assignor's entire right, title and interest in and to the Trademarks, in the United States and all jurisdictions outside the United States, together with the goodwill of the business appurtenant thereto and which is symbolized thereby, including the right to apply for trademark registration outside the United States based in whole or in part upon said Trademarks, and the right to renew the trademark registrations and any trademark registrations which shall issue from the applications included in the Trademarks, and every priority right that is or may be predicated upon or arise from said Trademarks, to be held and enjoyed by Assignee for its own use and benefit and for the use and benefit of its successors, assigns and legal representatives, to be used as fully and entirely as said rights would have been held and enjoyed by Assignor had this assignment and sale not been made, together with all claims for damages by reason of past infringement of said Trademarks with the right to sue and collect the same for its own use or for the use of its successors, assigns or other legal representatives.

2. Assignor, at Assignee's reasonable expense (if such expenses are material), will take, or cause to be taken, all such other and further action, and will execute and deliver, or cause to be executed and delivered, to Assignee and its successors and assigns, all further documents, as may reasonably be requested by Assignee in order to effect the assignment contemplated hereby, including without limitation to enable Assignee and its successors and assigns to file applications for the Trademarks in any country where it (or they) may elect to file such applications, and that may be necessary to vest in Assignee and its successors and assigns, the title herein conveyed or intended so to be, and to enable such title to be recorded in the United States and other countries where such application or applications may be filed.

3. Nothing in this Assignment is intended to, nor shall it, extend, amplify, limit or otherwise alter the representations, warranties, covenants and obligations of the parties contained in the SAPA or the survival thereof.

4. Assignor hereby authorizes the Director of Trademarks of the United States and other empowered officials of the United States Patent and Trademark Office and/or

NY1 983787v1

the appropriate empowered officials in relevant jurisdictions outside the United States to transfer all registrations and applications for the Trademarks to Assignee as assignee of the entire right, title and interest therein or otherwise as Assignee may direct, in accordance with this instrument of assignment, and to issue to Assignee all registrations which may issue with respect to any applications for a trademark or service mark included in the Trademarks, in accordance with this Trademark Assignment.

[Intentionally blank.]
