Terms defined in the Credit Agreement or the Guarantee and Collateral Agreement and not otherwise defined herein are used herein as defined in the Credit Agreement or the Guarantee and Collateral Agreement, as applicable.

WHEREAS, under the terms of the Guarantee and Collateral Agreement, the Grantors have granted to the Collateral Agent, for the ratable benefit of the Secured Parties, a security interest in, among other property, certain Intellectual Property of the Grantors, and have agreed as a condition thereof to execute this IP Security Agreement for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

**SECTION 1. (ii) Trademarks, including the trademark and service mark registrations and applications set forth in Schedule B hereto (provided that the Trademark Collateral shall not include, and the security interest granted hereunder shall not attach to, any applications for trademarks and service marks filed in the United States Patent and Trademark Office on the basis of any Grantor's intent to use any such mark pursuant to 15 U.S.C. § 1051 Section 1(b) unless and until evidence of use of the mark in interstate commerce is submitted to the PTO pursuant to 15 U.S.C. § 1060(a), at which point the term "Trademark Collateral" shall include, and the security interest granted hereunder shall attach to, such application), together with the goodwill symbolized thereby (the "*Trademark Collateral*");

(iii) Copyrights, including the copyright registrations and applications and exclusive copyright licenses set forth in Schedule C hereto (the "*Copyright Collateral*");

(iv) the Licenses;

(v) any and all claims for damages and injunctive relief for past, present and future infringement, dilution, misappropriation, violation, misuse or breach with respect to any of the foregoing, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and

**SECTION 7. Governing Law.** This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York.

IN WITNESS WHEREOF, each Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.
