Attention: Melissa Dreifuerst, Vice President

To Whom It May Concern:

The detail on the O'Bryan Bros., Inc. payoff amount of \$13,012,513.77 is as follows :

- Revolver principal of \$11,648,884.92.
- M & E Term loan principal of \$20,400.00
- Real Estate Term Loan principal of \$1,246,429.00
- Month-to-date interest on above loans of \$62,676.24
- Break funding fee on match funded fixed rate M & E term loan of \$2,681.71\*\*
- Break funding fee on match funded fixed rate Real estate term loan of \$31,441.90

\*\* based on what the principal balance should have been without an earlier pre-payment on which a break funding fee was not assessed due to the on-going relationship. Since all loans are now being paid out with this refinancing, we obviously are unable to reallocate such earlier paydown.

Should you have any further questions on the above information, please feel free to have Allen Bartine or Michael O'Bryan contact me for any additional details. I would have already provided such detail if the payout letter format you E-mailed me had included such a breakdown. Hopefully the above information gives you what you were looking for and if I can be of further assistance to accomplish a smooth transition for O'Bryan Bros., Inc. just give me a call.

Sincerely,

Peter O. Strobel  
First Vice President
