FIRST SUPPLEMENTAL TRADEMARK SECURITY AGREEMENT

This FIRST SUPPLEMENTAL TRADEMARK SECURITY AGREEMENT (this "Trademark Security Agreement") is made this 31 day of May, 2006, among Grantors listed on the signature pages hereof (collectively, jointly and severally, "Grantors" and each individually "Grantor"), and WELLS FARGO FOOTHILL, INC., in its capacity as Agent for the Lender Group and the Bank Product Providers (together with its successors and assigns in such capacity, "Agent").

WITNESSETH:

WHEREAS, pursuant to that certain Credit Agreement dated as of June 7, 2005 (as amended, restated, supplemented or otherwise modified from time to time, including all exhibits and schedules thereto, the "Credit Agreement") among Access Intelligence LLC, a Delaware limited liability company corporation ("Parent"), each of Parent's Subsidiaries identified on the signature pages thereof (such Subsidiaries, together with Parent, are referred to hereinafter as a "Borrower" and individually and collectively, jointly and severally, as the "Borrowers"), the lenders party thereto as "Lenders" ("Lenders") and Agent, the Lender Group made certain financial accommodations available to Borrowers from time to time pursuant to the terms and conditions thereof;

WHEREAS, the members of the Lender Group were willing to make the financial accommodations to Borrowers as provided for in the Credit Agreement, but only upon the condition, among others, that Grantors shall have executed and delivered to Agent, for the benefit of Lender Group and the Bank Product Providers, that certain Security Agreement dated as of June 7, 2005 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, Grantors were required to execute and deliver to Agent, for the benefit of Lender Group and the Bank Product Providers, a Trademark Security Agreement dated as of June 7, 2005 (including all annexes, exhibits or schedules thereto, as from time to time amended, restated, supplemented or otherwise modified, the "Original Trademark Security Agreement"), which was filed with the United States Patent and Trademark Office ("PTO") on or about June 7, 2005; and

WHEREAS, subsequent to the execution, delivery and recording of the Original Trademark Security Agreement, the Grantors have informed the Agent that the Grantors have acquired additional Trademarks as set forth on Schedule I hereto.

NOW, THEREFORE, in consideration of the premises and mutual covenants herein contained and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor hereby agrees as follows:

1. DEFINED TERMS. All capitalized terms used but not otherwise defined herein have the meanings given to them in the Security Agreement and/or the Credit Agreement.

2. CONFIRMATION AND GRANT OF SECURITY INTEREST IN SUPPLEMENTAL TRADEMARK COLLATERAL. Each Grantor hereby confirms its grant to the Agent pursuant to the Original Trademark Collateral Agreement and the Security Agreement and hereby grants to Agent, for the benefit of the Lender Group and the Bank Product Providers, a continuing first priority security interest in all of such Grantor's right, title and interest in, to and under the following, whether presently existing or hereafter created or acquired (collectively, the "Supplemental Trademark Collateral"):

(a) all of its Trademarks referred to on Schedule I hereto;

- (b) all extensions, modifications and renewals of the foregoing;
- (c) all goodwill of the business connected with the use of, and symbolized by, each Trademark; and
- (d) all products and proceeds of the foregoing, including, without limitation, any claim by such Grantor against third parties for past, present or future (i) infringement or dilution of any Trademark, or (ii) injury to the goodwill associated with any Trademark.

3. SECURITY AGREEMENT. The security interests granted pursuant to this Trademark Security Agreement are granted in conjunction with the security interests granted to Agent, for the benefit of the Lender Group and the Bank Product Providers, pursuant to the Security Agreement and the Original Trademark Security Agreement. Each Grantor hereby acknowledges and affirms that the rights and remedies of Agent with respect to the security interest in the Supplemental Trademark Collateral made and granted hereby are more fully set forth in the Security Agreement, the terms and provisions of which are incorporated by reference herein as if fully set forth herein. In no event shall this Trademark Security Agreement or the recordation of this Trademark Security Agreement with the PTO, adversely affect or impair, in any way or to any extent, the Security Agreement, the other Security Documents, the security interest of the Agent in the Collateral (including the Trademark Collateral and the Supplemental Trademark Collateral) pursuant to the Security Agreement, the Original Trademark Security Agreement and/or this Trademark Security Agreement, the attachment and perfection of such security interest under the Uniform Commercial Code, or the present or future rights and interests of the Agent in and to the Collateral under or in connection with the Security Agreement, the other Security Documents, the Original Trademark Collateral Agreement, this Trademark Security Agreement and/or the Uniform Commercial Code. Any and all rights and interests of the Agent in and to the Supplemental Trademark Collateral (and any and all obligations of the Grantors with respect to the Supplemental Trademark Collateral) provided herein, or arising hereunder or in connection herewith, shall only supplement and be cumulative and in addition to the rights and interests of the Agent (and the obligations of the Grantors) in, to or with respect to the Collateral (including the Supplemental Trademark Collateral) provided in or arising under or in connection with the Security Agreement, the other Security Documents and the Original Trademark Collateral Agreement.

4. AUTHORIZATION TO SUPPLEMENT. Grantors hereby authorize Agent unilaterally to modify this Agreement by amending Schedule I to include any trademarks, registrations, or applications therefor (including, without limitation, extensions or renewals) which become part of the Trademark Collateral under the Security Agreement. Notwithstanding the foregoing, no failure to so modify this Trademark Security Agreement or amend Schedule I shall in any way affect, invalidate or detract from Agent's continuing security interest in all Collateral, whether or not listed on Schedule I.

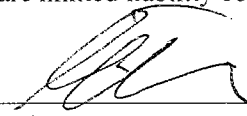

5. COUNTERPARTS. This Trademark Security Agreement may be executed in any number of counterparts, each of which shall be deemed to be an original, but all such separate counterparts shall together constitute but one and the same instrument. Any signatures delivered by a party by facsimile transmission or by e-mail transmission shall be deemed an original signature hereto.

[signature pages follow]

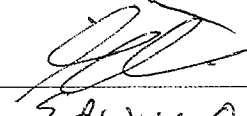

IN WITNESS WHEREOF, each Grantor has caused this Trademark Security Agreement to be executed and delivered by its duly authorized officer as of the date first set forth above.
