SECOND LIEN TRADEMARK SECURITY AGREEMENT

THIS SECOND LIEN TRADEMARK SECURITY AGREEMENT (the "Agreement") made as of this 31 day of May, 2006 by DUCKBACK ACQUISITION CORP., a Delaware corporation ("Grantor") in favor of Merrill Lynch Capital, a division of Merrill Lynch Business Financial Services Inc., in its capacity as Administrative Agent for the Lenders party to the Credit Agreement (defined below) ("Grantee"):

W I T N E S S E T H

WHEREAS, Grantor and Grantee are parties to a certain Second Lien Credit Agreement of even date herewith (as the same may be amended or otherwise modified from time to time, the "Credit Agreement") providing for the extensions of credit to be made to Grantor by Lenders;

WHEREAS, pursuant to the terms of a certain Second Lien Security Agreement of even date herewith between Grantor and Grantee (as the same may be amended or otherwise modified from time to time, the "Security Agreement"), Grantor has granted to Grantee, for the benefit of Lenders, a security interest in substantially all of the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Grantor under the Credit Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, receipt and sufficiency of which are hereby acknowledged, Grantor and Grantee agree as follows:

1. Incorporation of Credit Agreement and Security Agreement. The Credit Agreement and Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Security Agreement.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the payment and performance of the Obligations, Grantor hereby grants to Grantee, for its benefit and the benefit of Lenders, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created, acquired or arising:

(i) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. Notwithstanding anything to the contrary contained in this Agreement, as between the Lenders (as defined in the First Lien Credit Agreement) and the Lenders, the priorities with respect to all security interests granted to the Administrative Agent and the Lenders in this Agreement shall be governed by the terms and provisions of the Intercreditor Agreement. In the event any inconsistency between the terms, covenants, conditions and provisions of this Agreement and either the Intercreditor Agreement or any of the other First Lien Loan Documents, the terms, covenants, conditions and provisions of the Intercreditor Agreement (or such First Lien Financing Documents to the extent not addressed in the Intercreditor Agreement) shall prevail until the First Lien Loan Obligations have been paid in full.

All provisions of this Agreement and the other Loan Documents (including, without limitation, all further assurances provisions, conditions precedent, grants of power of attorney, representations, provisions regarding application of proceeds, warranties, covenants (both affirmative and negative), defaults, events of default and other agreements herein and therein) shall be deemed to be modified to the extent necessary to recognize that the Lenders (as defined in the First Lien Credit Agreement) hold a Lien senior and prior to that of the Lenders against the Collateral and it is hereby expressly understood that any covenants of any Grantee contained herein to (a) delivery Collateral to Administrative Agent, (b) comply with any instruction of the Administrative Agent or any Lender with respect to the Collateral or (c) take steps to better the quality of perfection of the Administrative Agent in the Collateral shall be expressly subject to the Intercreditor Agreement, and it is further understood that the failure of any Grantee to comply with the terms and conditions hereof shall not cause any Default or Event of Default if such compliance would have been inconsistent with the Intercreditor Agreement.
