ASSIGNMENT FOR SECURITY

(TRADEMARKS)

WHEREAS, Jane Doe International, LLC, a Delaware limited liability company with an office at 3151 E. Washington Boulevard, Los Angeles, CA 90023 (the "Assignor") has made certain representations and warranties in the Security Agreement (as defined below) and related documents with respect to the trademarks and service marks listed on the annexed Schedule 1A, for which applications for registration and registrations are issued by or pending with the United States Patent and Trademark Office (the "Trademarks");

WHEREAS, the Assignor has entered into that certain Security Agreement dated as of June 16, 2006 (the "Effective Date") in favor of Guggenheim Corporate Funding, LLC, a Delaware limited liability company with an office at 135 East 57th Street, 9th Floor, New York, NY 10022 (the "Assignee") as collateral agent for the Lenders from time to time party thereto (the "Lenders") (the "Security Agreement");

WHEREAS, pursuant to the Security Agreement, the Assignor has assigned to the Assignee, and granted to the Assignee for the benefit of the Lenders, a continuing security interest in all right, title and interest of the Assignor in, to and under the Trademarks, together with, among other things, the goodwill of the business associated with and symbolized by the Trademarks and the applications for registration and registrations thereof (provided, that no security interest shall be granted in United States intent-to-use trademark or service mark applications to the extent that, and solely during the period in which, the grant of a security interest therein would impair the validity or enforceability of such intent-to-use applications under applicable federal law), and all proceeds thereof, including, without limitation, any and all causes of action that may exist by reason of infringement or other violation thereof and any and all damages arising from past, present, and future violations thereof (collectively, the "Collateral"), to secure the payment, performance, and observance of the Obligations (as defined in the Security Agreement);

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Assignor does hereby pledge, convey, sell, assign, transfer, and set over unto the Assignee, and grants to the Assignee for the benefit of the Lender, a continuing security interest in the Collateral to secure the prompt payment, performance, and observance of the Obligations.

The Assignor does hereby further acknowledge and affirm that the rights and remedies of the Assignee with respect to the Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein.

IN WITNESS WHEREOF, the Assignor and the Assignee each has caused this Assignment for Security (Trademarks) to be executed by its respective duly authorized representative as of the Effective Date.
