7. **Acknowledgment.** The Grantor acknowledges and agrees that the rights and remedies of the Agent and each of the Lenders with respect to the security interest in the Intellectual Property granted in this Agreement are the same as the rights and remedies of the Agent and each of the Lenders set forth in the Credit Agreement and each other Credit Document to which the Grantor is party as and with respect to the collateral secured thereby, the terms and provisions of which are incorporated by reference herein as if fully set forth herein.
8. **Further Assurances; Attorney in Fact.**
  - (a) On a continuing basis, the Grantor will, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States and Canada, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the Canadian Intellectual Property Office and the United States Patent and Trademarks Office and the Register of Copyrights and take all such action as may reasonably be deemed necessary or advisable, or as requested by the Agent or any Lender, to perfect the Agent's and the Lenders' security interests in all Trademarks, and otherwise to carry out the intent and purposes of this Agreement, or for assuring and confirming to the Agent and the Lenders the grant or perfection of a security interest in the Intellectual Property.
  - (b) Following the occurrence of an Event of Default which is continuing, the Grantor hereby irrevocably appoints the Agent as the Grantor's attorney-in-fact, with full authority in the place and stead of the Grantor and in the name of the Grantor, the Agent or otherwise, from time to time in the Agent's discretion, upon the Grantor's failure or inability to do so, to take any action and to execute any instrument which the Agent may deem necessary or advisable to accomplish the purposes of this Agreement, including:
    - (i) to modify, in its sole discretion, this Agreement without first obtaining the Grantor's approval of or signature to such modification by amending Schedule "A" hereof, as appropriate, to include reference to any right, title or interest in any Trademarks acquired by the Grantor after the execution hereof or to delete any reference to any right, title or interest in any Trademarks in which the Grantor no longer has or claims any right, title or interest; and
    - (ii) to file, in its sole discretion, one or more financing, financing change or continuation statements and amendments thereto, relative to any of the Intellectual Property without the signature of the Grantor where permitted by law.
9. **Costs.** The Borrowers agree to pay all cost, charges and expenses reasonably incurred by the Agent or the Lenders or any receiver appointed by them, whether directly or for services rendered (including reasonable legal counsels' and auditors' costs and other reasonable legal expenses and Receiver remuneration), in operating the Grantor's accounts, in preparing or enforcing this Agreement, taking and maintaining custody of, preserving, registering, licensing, preparing for disposition and disposing of the Intellectual Property and in enforcing or collecting the Secured Obligations and all such costs, charges and expenses, together with any amounts owing as a result of any borrowing by the Agent, the Lenders or any receiver appointed by them, as permitted

hereby, shall be a first charge on the proceeds of realization, collection or disposition of the Intellectual Property and shall be secured hereby.

10. **Course of Dealing**. No course of dealing, nor any failure to exercise, nor any delay in exercising any right, power or privilege hereunder shall operate as a waiver thereof.
11. **Amendments**. This Agreement may be amended only by a written instrument signed by both parties hereto.
12. **Survival and Reliance**. All representations and warranties of the Grantor made in this Agreement or in any certificate or other document delivered by or on behalf of the Grantor for the benefit of the Agent and the Lenders are material and shall continue without time limit. The Agent and each of the Lenders shall be deemed to have relied upon each such representation and warranty despite any investigation the Agent or the Lenders may have made.
13. **Grantor Remains Liable**. Notwithstanding any other provision in this Agreement, the Grantor shall remain liable under all license agreements under which the Grantor is a licensor. The Grantor shall perform all of its duties and obligations thereunder just as if this Agreement had not been executed. The Grantor shall not be released from any of its duties or obligations under such license agreements by the exercise of any rights by the Agent or the Lenders. The Agent or the Lenders shall not have any obligation or liability under such license agreements by reason of this Agreement, nor shall the Agent or the Lenders be obliged to perform any of the obligations or duties of the Grantor thereunder or to take any action to collect or enforce any claim for payment assigned hereunder. The rights and powers conferred upon the Agent or the Lenders hereunder are solely to protect their interest in the Intellectual Property and shall not impose any duty upon it to exercise any such powers.
14. **Governing Law**. This Agreement will be governed by and construed in accordance with the laws of the Province of Ontario and the laws of Canada applicable therein, and will be treated, in all respects, as an Ontario contract. 15. **Termination**. Upon the indefeasible payment in full and performance of the Secured Obligations, the cancellation of the Credits, and the termination of all obligations of the Agent and each of the Lenders under the Credit Agreement and the Credit Documents, upon written request by the Grantor to the Agent this Agreement shall be released, discharged and terminated, and the Agent and the Lenders will, at the sole expense of the Grantor, execute and deliver to the Grantor a release and discharge of this Agreement.
16. **Attachment**. The security interest created hereby is intended to attach when this Agreement is signed by the Grantor and delivered to the Agent.
