Collateral Assignment of Security Interest in Intellectual Property

This Collateral Assignment of Security Interest in Intellectual Property ("Collateral Assignment") is entered into by and between **SWIMWAYS CORP.** (the "SWIMWAYS"), a Virginia corporation, with an office at 5816 Ward Court, Virginia Beach, Virginia 23455, Kelsyus, LLC, a Virginia limited liability company with an office at 5816 Ward Court, Virginia Beach, Virginia 23455 and a wholly-owned subsidiary of SWIMWAYS ("KELSYUS") and **BANK OF AMERICA, N.A.**, successor in interest to NationsBank, N.A. (the "BANK"), a national banking association with an office at 1 Commercial Place, Norfolk, Virginia 23510, in order to memorialize and perfect the security interest in the patents, trademarks and other intellectual property of the SWIMWAYS granted by SWIMWAYS to BANK, as described herein.

WHEREAS, The SWIMWAYS and the BANK are parties to a Loan and Security Agreement dated September 18, 1997, as amended by a letter agreement dated August 31, 1999, as further amended by a letter agreement dated June 22, 2001, as further amended by a First Amendment to Loan and Security Agreement dated as of October 1, 2001, as further amended by a Second Amendment to Loan and Security Agreement dated as of October 1, 2002, as further amended by a Third Amendment to Loan and Security Agreement dated as of March 1, 2003, as further amended by a Fourth Amendment to Loan and Security Agreement dated as of May 31, 2003, as further amended by a Fifth Amendment to Loan and Security Agreement dated as of December 11, 2003, as further amended by a Sixth Amendment to Loan and Security Agreement dated as of May 31, 2004, as further amended by a Seventh Amendment to Loan and Security Agreement dated as of September 15, 2004, as further amended by a letter agreement dated December 15, 2004, and as further amended by an Eighth Amendment to Loan and Security Agreement dated October 31, 2005, and as further amended by a Ninth Amendment to Loan and Security Agreement dated May 30, 2006 (as so amended and as hereafter amended, the "SWIMWAYS SECURITY AGREEMENT"), in which SWIMWAYS granted to BANK a security interest in all of its tangible and intangible assets, including but not limited to all of SWIMWAYS' presently-existing and after acquired patent, trademark and other intellectual property interests; and

WHEREAS KELSYUS entered into a Security Agreement with BANK on December 11, 2003 ("KELSYUS SECURITY AGREEMENT") in which KELSYUS granted a security interest to BANK in all of its then-presently existing and after-acquired assets, including but not limited to all of KELSYUS' patent, trademark and other intellectual property interests; and

WHEREAS the Fifth Amendment to the SECURITY AGREEMENT amends the definition of the COLLATERAL therein to include the tangible and intangible assets of SWIMWAYS and its SUBSIDIARIES, including the assets of KELSYUS; and

WHEREAS SWIMWAYS, the BANK and KELSYUS wish to perfect the BANK's security interest in the intellectual property of SWIMWAYS and KELSYUS, including but not limited to intellectual property acquired subsequent to the original execution of the SWIMWAYS SECURITY AGREEMENT and the KELSYUS SECURITY AGREEMENT,

NOW, THEREFORE, in furtherance of SWIMWAYS' obligations under the SWIMWAYS SECURITY AGREEMENT and KELSYUS' obligations under the KELSYUS SECURITY AGREEMENT, for the consideration exchanged therein and for other good and valuable consideration, the receipt and sufficiency of which each party acknowledges, BANK, SWIMWAYS, and KELSYUS do hereby agree as follows:

1. Incorporation of Recitals. The foregoing recitals are incorporated by reference into this Collateral Assignment.
2. Definition of Intellectual Property: The term "Intellectual Property" means all right, title and interest in inventions, discoveries, improvements, ideas, methods, processes, designs, and improvements, however conceived, reduced to practice, affixed or used, and in all jurisdictions, including but not limited to all patents, patent applications (including all provisional applications, continuations, continuations in part, re-issues, re-examinations, extensions and divisionals, and foreign counterparts)(collectively "Patents"); all trade secrets, confidential information and proprietary know how; all works of authorship of any type and all copyright interests therein, including all copyright registrations, applications for registration; all trademarks, service marks, trade dress, trade names, collective membership marks,, certification marks, logos, domain names and combinations of any of the foregoing, including registrations thereof, applications for registration, and all goodwill of the business conducted in association with any of the foregoing (collectively, "Trademarks"); any other intellectual property recognized under the law of any jurisdiction; and all associated causes of action, choses of action and rights of recovery.
3. Identification of Certain Current Intellectual Property: The Intellectual Property owned by SWIMWAYS and KELSYUS includes but is not limited to the Patents and Trademarks listed in Schedules A and B hereto, respectively. SWIMWAYS and KELSYUS warrant and represent that: (a) the listing in Schedule constitutes a current, complete and accurate listing of all of their Patents presently pending or subsisting with the U.S. Patent and Trademark Office ("PTO") or filed under the Patent Cooperation Treaty; and (b) the listing in Schedule B constitutes a current, complete and accurate listing of all of their Trademarks presently pending or subsisting with the PTO.
4. Grant of Collateral Assignment. SWIMWAYS and KELSYUS hereby grant to BANK, its successors, assigns and legal representatives, as additional security in the Intellectual Property, this Collateral Assignment of the security interest in all of the SWIMWAYS' and KELSYUS' right, title and interest in and to its Intellectual Property, presently owned or hereafter acquired by SWIMWAYS and KELSYUS while the SWIMWAYS SECURITY AGREEMENT and KELSYUS SECURITY AGREEMENT are in force, respectively, including without limitation the Patents listed in Exhibit A hereto and the Trademarks listed in Exhibit B hereto. The BANK's security interest in each item of Intellectual Property arises and attaches upon the effective date of the originally-executed SWIMWAYS SECURITY AGREEMENT or the KELSYUS SECURITY AGREEMENT, as applicable, or, if later, the date on which such item of Intellectual Property was acquired (whether by reason of creation, invention, use, merger assignment or otherwise) by SWIMWAYS or KELSYUS, as the case may be. Without limiting the

effect of the foregoing, however, until BANK exercises its rights upon the occurrence or existence of an "Event of Default" as that term is defined in the SWIMWAYS SECURITY AGREEMENT and KELSYUS SECURITY AGREEMENT, SWIMWAYS and KELSYUS shall retain title to their respective Intellectual Property, subject to this Collateral Assignment and such security agreements, and BANK shall hold only a security interest in and the contingent right to full ownership of the Intellectual Property.

5. Power of Attorney. SWIMWAYS and KELSYUS each hereby appoints BANK as its attorney-in-fact and grants to BANK a contingent, limited power of attorney to do, through any of its duly appointed officers or managers, the following and only the following acts while the SWIMWAYS SECURITY AGREEMENT and KELSYUS SECURITY AGREEMENT are in force:
 - a. to modify and amend Schedules A and B hereto (as well as identical Schedules A and B to Exhibit 1 hereto), and any schedules to the security agreements identified herein, and any amendments thereto, to include any newly-discovered after-acquired, or modified Intellectual Property.
 - b. Upon the occurrence of an Event of Default, to execute, on behalf of SWIMWAYS and/or KELSYUS or any of its successors-in-interest, the "SWIMWAYS and KELSYUS Assignment of Intellectual Property" appended hereto as Exhibit 1.
 - c. To execute such other documents and take such other acts on behalf of SWIMWAYS and KELSYUS as may be necessary or desirable to record and perfect their security interests in the Intellectual Property and, upon the occurrence of an Event of Default, to exercise its rights under this Collateral Assignment and under the SWIMWAYS SECURITY AGREEMENT and KELSYUS SECURITY AGREEMENT, respectively.
6. In the event BANK exercises its rights under the power-of-attorney granted herein and executes the assignment found at Exhibit 1, SWIMWAYS and KELSYUS agrees to provide BANK with all reasonable assistance in acquiring, assembling, maintaining and disposing of the Intellectual Property.
7. Upon execution of this Collateral Assignment by all parties, BANK or its designee may record same with the U.S. Patent & Trademark Office, Assignment Branch, with the U.S. Copyright Office and with such other federal and state agencies as is necessary or appropriate to memorialize and perfect its security interest in the Intellectual Property.
8. BANK, SWIMWAYS and KELSYUS each agree to execute such other documents and take such additional steps as may be reasonably necessary to secure and perfect BANK's rights under the Intellectual Property Security Agreement and to otherwise effectuate the purposes of this Collateral Assignment.
9. This Collateral Assignment shall be binding upon any assigns, successors-in-interest, insurers and re-insurers of the parties.

10. This Collateral Assignment is intended to memorialize or effectuate the rights and remedies available to the parties under the SWIMWAYS SECURITY AGREEMENT and/or the KELSYUS SECURITY AGREEMENT, and it does not limit or rescind any obligations or provisions of such agreements.

IN WITNESS WHEREOF, the parties agree to the foregoing this 21 day of JUNE, 2006.
