ASSIGNMENT OF TRADEMARKS

This ASSIGNMENT OF TRADEMARKS (this "Agreement") dated as of December 30, 2004, is made and entered into by and between Capitol USA, LLC, a Tennessee limited liability company (the "Assignor") and Halex Corporation, a California corporation and wholly owned subsidiary of Halex Holdings, Inc. ("Assignee"). Capitalized terms used but not otherwise defined herein shall have the meanings given to such terms in the Purchase Agreement (as defined below).

WHEREAS, Assignee, Assignor and certain other parties have entered into that certain Asset Purchase Agreement, dated as of December 30, 2004 (the "Purchase Agreement"). Nothing in this Agreement is intended to limit, supersede or expand upon, in any way, the parties' representations, warranties or agreements in the Purchase Agreement; and

WHEREAS, pursuant to the Purchase Agreement, Assignor has agreed to sell and assign, and Assignee has agreed to buy and acquire all of Assignor's rights, title and interests in and to the trade names, trademarks, service marks, slogans, registrations and registration applications listed on Schedule I attached hereto (the "Assigned Trademarks").

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the parties hereby agree as follows:

1. Assignment; Consent.

1.1 Assignor hereby assigns, transfers and conveys unto Assignee, its successors and assigns and other legal representatives, any and all worldwide rights, title and interests Assignor holds, or may hold, in and to the Assigned Trademarks, and all goodwill of the business associated with the Assigned Trademarks.

1.2 Assignor hereby assigns, transfers and conveys unto Assignee, its successors and assigns and other legal representatives, all claims for damages and all remedies or causes of action, together with the right to sue for and collect the same for its own account, arising out of any violation or infringement of the rights assigned hereby that may have accrued prior to the date of assignment to Assignee, or that may accrue hereafter.

1.3 Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Assigned Trademarks.

1.4 Assignor further covenants and agrees that it will, upon Assignee's reasonable request and without further consideration, execute and deliver to Assignee such additional documents, provide such further information and perform such further acts, as are necessary to enable Assignee to record the assignment of such marks, or otherwise to perfect or confirm this assignment and Assignee's rights in the assigned marks.

2. General Provisions.

2.1 No Waiver; Amendment. No waiver of any breach or condition of this Agreement shall be deemed to be a waiver of any other or subsequent breach or condition, whether of like or different nature. The Agreement may be amended or modified only by a writing executed by both parties.

2.2 Governing Law. This Agreement will be governed by, and construed in accordance with, the internal laws of the State of Delaware, as applicable to contracts executed and performed entirely therein, without regard to the principles of choice of law or conflicts of law of any jurisdiction.

2.3 Severability. If any term or other provision of this Agreement is invalid, illegal or incapable of being enforced by any rule of law or public policy, all other conditions and provisions of this Agreement will nevertheless remain in full force and effect so long as the economic or legal substance of the transactions contemplated hereby is not affected in any manner materially adverse to any party. Upon such determination that any term or other provision is invalid, illegal or incapable of being enforced, the parties hereto will negotiate in good faith to modify this Agreement so as to effect the original intent of the parties as closely as possible in a mutually acceptable manner in order that the transactions contemplated hereby be consummated as originally contemplated to the greatest extent possible.

2.4 Counterparts. This Agreement may be executed in one or more counterparts, and by different parties hereto in separate counterparts, each of which when executed will be deemed to be an original but all of which taken together will constitute one and the same agreement.
