EMERGENT GAME TECHNOLOGIES, INC.

AMENDMENT AGREEMENT AND CONSENT AND WAIVER

This AMENDMENT AGREEMENT AND CONSENT AND WAIVER (this "Agreement") is made and effective as of May 25, 2006 by and among Emergent Game Technologies, Inc., a Delaware corporation (the "Company"), certain holders of the Company's Preferred Stock listed on Schedule I hereto (the "Initial Investors") and certain holders of the Company's Preferred Stock listed on Schedule II hereto (the "New Investors" and, collectively with the Initial Investors, the "Investors").

WHEREAS, the Company issued and sold to the Initial Investors convertible promissory notes with an aggregate principal amount of \$3.0 million pursuant to the Loan and Convertible Promissory Note Purchase Agreement (the "Purchase Agreement"), dated as of March 6, 2006, by and among the Company and the Initial Investors. Capitalized terms used herein but not otherwise defined shall have the meanings set forth in the Purchase Agreement.

WHEREAS, in connection with the Purchase Agreement, the Company and the Initial Investors entered into a Security Agreement (the "Security Agreement"), dated as of March 6, 2006.

WHEREAS, the Company desires to issue and sell to each New Investor, and each New Investor desires to purchase from the Company, a convertible promissory note in the form attached as Exhibit A to the Purchase Agreement (each, a "Note") with a principal amount specified opposite such New Investor's name on Schedule II attached hereto.

WHEREAS, pursuant to Section 2.4 of the Second Amended and Restated Investors' Rights Agreement, dated as of September 9, 2003, by and among the Company, the Investors and certain other parties thereto (the "Investors' Rights Agreement"), the Investors have a right of first offer with respect to future sales by the Company of its capital stock and securities convertible into or exercisable for the Company's capital stock, including the Notes ("Right of First Offer"). The Investors wish to waive the Right of First Offer with respect to the issuance of Notes pursuant to the Purchase Agreement and this Agreement.

WHEREAS, pursuant to Section 6(c) of Article IV(B) of the Fifth Amended and Restated Certificate of Incorporation of the Company, as amended, the conversion prices of the Company's Series A Preferred Stock, Series B Preferred Stock and Series C Preferred Stock are subject to adjustment for certain dilutive issuances by the Company (an, "Anti-dilution Adjustment"). The Investors wish to waive any Anti-dilution Adjustment with respect to the Purchase Agreement and this Agreement, including the issuance of (a) the Notes, (b) any shares of the Company's capital stock issuable upon conversion of the Notes, (c) any warrants issuable upon prepayment of the Notes (the "Warrants") and/or (d) any shares of the Company's capital stock issuable upon exercise of the Warrants.

NOW, THEREFORE, the parties, intending to be legally bound, hereby agree as follows:

1. The Company agrees to issue and sell to each New Investor, and each New Investor agrees to purchase from the Company, a Note with a principal amount specified opposite such New Investor's name on Schedule II attached hereto. The purchase price of each

Note shall be equal to 100% of the principal amount of such Note. Each of the Initial Investors approves and consents to the issuance of Notes to the New Investors pursuant to this Agreement.

2. Each New Investor (a) acknowledges that it has read the representations and warranties to the Company in Section 4 of the Purchase Agreement and (b) represents and warrants to the Company that each of the representations and warranties contained in Section 4 of the Purchase Agreement are true and correct in all respect as of the date hereof as if such New Investor were a "Purchaser" thereunder.

3. The Company, each Initial Investor and each New Investor acknowledge and agree that this Agreement amends both the Purchase Agreement and the Security Agreement to allow for the issuance of Notes to the New Investors. By executing and delivering a counterpart signature page to this Agreement, each New Investor acknowledges and agrees that, for all purposes, such New Investor shall be deemed both a "Purchaser" under the Purchase Agreement and a "Lender" under the Security Agreement. All other terms and conditions of the Purchase Agreement and the Security Agreement shall remain in full force and effect.

4. Each of the Investors hereby waives the notice provision in Section 2.4 of the Investors' Rights Agreement with respect to the issuance of Notes pursuant to the Purchase Agreement and this Agreement.

5. Each of the Investors hereby waives its Right of First Offer with respect to the issuance of Notes pursuant to the Purchase Agreement and this Agreement.

6. Each of the Investors hereby waives any Anti-dilution Adjustment with respect to the Purchase Agreement and this Agreement, including the issuance of (a) the Notes, (b) any shares of the Company's capital stock issuable upon conversion of the Notes, (c) any Warrants and/or (d) any shares of the Company's capital stock issuable upon exercise of the Warrants.

7. This Agreement may be executed in two or more counterparts, each of which shall be considered an original, but each of which together shall constitute the same instrument.

IN WITNESS WHEREOF, this Amendment Agreement and Consent and Waiver has been duly executed by the parties as of the date first written above.
