UNITED STATES BANKRUPTCY COURT EASTERN DISTRICT OF WISCONSIN

In the Matter of:

In Bankruptcy No.
02-32637

ADELL CORPORATION,

Debtor.

**ORDER APPROVING SALE OF
WISCONSIN ASSETS**

Upon consideration of the motion of Michael Compton, Plan Trustee for Adell Corporation (the "Debtor"), for an order (the "Sale Order") under sections 105, 363, 365, 1129 and 1146(c) of the Bankruptcy Code (11 U.S.C. §§ 101-1330) and Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, and 9014 authorizing the Plan Trustee to sell assets, including certain real and personal property as more particularly described in the attached Asset Purchase Agreement ("APA") as it may be modified consistent with this Order which is attached hereto as Exhibit A (the "Assets") and as sold pursuant to First Amended Plan of Reorganization of Adell Corporation (the "Plan") confirmed by Court Order entered on April 3, 2003 (the "Confirmation Order"), pursuant to the APA entered into by Plan Trustee with U.S. Bank National Association and including any of its assignees under such Asset Purchase Agreement (the "Buyer"), upon the terms as outlined therein and according to the Plan and Confirmation Order; and the Court having scheduled a hearing on the Sale as provided in Section 8.6.20 of the Plan for April 17, 2003, at 9:00 a.m. (the "Hearing"); and the Plan Trustee having certified that notice of the Hearing on the Sale Motion was provided; and the Court having found such service of the Sale Motion and the

notice of the Hearing is sufficient under the circumstances for the purposes of Federal Rules of Bankruptcy Procedure and that no other or further notice is necessary; and the Court having considered all objections to the Sale Motion; and the Court being fully advised in the premises and having considered the relief sought in the Sale Motion and having found good cause to grant the relief requested thereby:

THE COURT MAKES THE FOLLOWING FINDINGS:

A. The Court has jurisdiction to hear and determine the Sale Motion pursuant to 28 U.S.C. §§ 157 and 1334.

B. Venue is proper pursuant to 28 U.S.C. § 1409(a).

C. Determination of the relief requested by the Sale Motion is a "core" proceeding under 28 U.S.C. § 157(b)(2)(A) and (N). The relief requested by the Sale Motion is predicated upon sections 105, 363, 365, 1129 and 1146(c) of the Bankruptcy Code and Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, and 9014, and is predicated on this Court's confirmation of the Plan, including the sale procedures contained therein.

D. The Plan Trustee has followed the procedures for giving notice of the Sale Motion and the Hearing as set forth in the Plan.

E. Proper, timely, adequate, and sufficient notice of the Hearing has been provided in accordance with section 102(1) of the Bankruptcy Code, Federal Rules of Bankruptcy Procedure 2002, 6004, 6006, and 9014, and the Plan, and no further notice of the Sale Motion, the Hearing, or the entry of the Sale Order is required.

F. A reasonable opportunity to object or to be heard regarding the relief requested by the Sale Motion has been afforded to all interested persons and entities, including: (i) all

persons or entities who claim any liens, claims, encumbrances, or interests against the Assets or the Debtor; (ii) the creditors of the Debtor; (iii) the Committee; (iv) the Office of the United States Trustee; and (v) all other persons or entities filing a written request for notices in this case. Further, a reasonable opportunity has been afforded any interested person or entity to make a higher and better offer to purchase the Assets upon the terms and conditions and within the time period set forth in the Confirmation Order. Finally, the Plan itself outlined sale procedures that were exposed to objection and hearing before the Plan was confirmed.

G. Sale of the Assets pursuant to the Asset Purchase Agreement reflects the exercise of the Plan Trustee's sound business judgment.

H. Approval of the Asset Purchase Agreement and consummation of the sale of the Assets at this time are in the best interests of the Debtor, its creditors, other parties in interest, and of the estate. The Court finds that the sale of the Assets is made pursuant to the Plan.

I. The terms and conditions of the Asset Purchase Agreement are fair and reasonable. The Asset Purchase Agreement represents the highest and best offer for the Assets, and the purchase price for the Assets (the "Purchase Price") is: (i) fair and reasonable; (ii) will provide a greater recovery for the Debtor's creditors than would be provided by any other practical available alternative; and (iii) constitutes reasonably equivalent and fair market value under the Bankruptcy Code and applicable nonbankruptcy law.

J. The Asset Purchase Agreement was negotiated, proposed, and entered into by the parties without collusion, in good faith, and from "arm's-length" bargaining positions. The Buyer is a good faith buyer, as defined pursuant to section 363(m) of the Bankruptcy Code and, as such, is entitled to the protections afforded thereby. Neither the Debtor nor the Buyer has engaged in any conduct that would cause or permit the Asset Purchase Agreement to be avoided under section 363(n) of the Bankruptcy Code. The Court is satisfied that the Buyer possesses the financial wherewithal to close the transaction for the amount bid and on the terms of the Asset Purchase Agreement.

K. In the absence of a stay pending appeal, the Buyer will be acting in good faith within the meaning of section 363(m) of the Bankruptcy Code in closing the transactions contemplated by the Asset Purchase Agreement.

L. The transfer of the Assets: (i) are or will be legal, valid, and effective transfers of property of the Debtor's estate to the Buyer; and (ii) vest or will vest the Buyer with all right, title, and interest of the Debtor and Plan Trustee in and to the Assets free and clear of all liens, claims, interests, and encumbrances under section 363(f) of the Bankruptcy Code. Those nondebtor parties with liens, claims, interests, or encumbrances as to the Assets who did not object, or who withdrew their objections, to the Sale Motion or to the Plan are deemed to have consented pursuant to section 363(f)(2) of the Bankruptcy Code. Any such parties are adequately protected by having their liens, claims, interests, or encumbrances attach to the cash proceeds from the sale of the Assets ultimately attributable to the property against or in which they assert such lien, claim, encumbrance or interest.

M. Except for those obligations expressly assumed by the Buyer pursuant to the Asset Purchase Agreement, the transfers of the Assets, the assignment of the Assigned Contracts, and the closing of the transactions contemplated by the Asset Purchase Agreement do not and will not subject the Buyer to any debts, liabilities, obligations, commitments, responsibilities, or claims of any kind or nature whatsoever, whether known or unknown, contingent or otherwise, existing as of the date hereof or hereafter arising, of or against the Debtor, any affiliate of Debtor, or any other person by reason of such transfers and assignments under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia applicable to such transactions, and also including without limitation any environmental, warranty, and product liability claims.

N. The sale of the Assets to the Buyer is a prerequisite to the Debtor's ability to consummate the Plan; therefore, the transactions contemplated by this Sale Order and the Asset Purchase Agreement are sales pursuant to a Plan and, accordingly, a transfer pursuant to section 1146(c) of the Bankruptcy Code, which shall not be taxed under any law imposing a stamp tax or similar tax.

NOW THEREFORE, IT IS HEREBY ORDERED, ADJUDGED, AND DECREED THAT:

1. The Sale Motion be, and it hereby is, granted and approved.
2. All objections, if any, to the Sale Motion or the relief requested therein that have not been withdrawn, waived, or settled, and all reservations of right therein, are overruled on the merits.

3. The terms and conditions of Exhibit A ~~with the Court~~, and the transactions contemplated thereby, are hereby approved in all respects. The legal description for the real property transferred as part of the Assets pursuant to the transactions contemplated by the Asset Purchase Agreement is attached hereto as Exhibit B.

4. The sale of the Assets pursuant to the Asset Purchase Agreement is hereby authorized and directed under section 363(b) of the Bankruptcy Code and Sections 8.6, 8.6.5 and 8.6.10 of the Plan.

5. Pursuant to sections 363(b) and 105(a) of the Bankruptcy Code, the Plan Trustee is hereby authorized, directed, and empowered to fully assume, perform under, consummate, execute, deliver and implement the Asset Purchase Agreement, together with all additional instruments and documents that may be reasonably necessary or desirable to implement the Asset Purchase Agreement and consummate the transactions approved under this Order, and to take all further actions as may reasonably be requested by the Buyer for the purpose of assigning, transferring, granting, conveying, and conferring to the Buyer, or reducing to possession, any or all of the Assets as may be necessary or appropriate to the performance of the obligations contemplated by the Asset Purchase Agreement. The Plan Trustee, Michael Compton, is authorized and directed to execute all documents necessary to consummate and close the transaction that is the subject of this Order.

6. The closing on the transactions contemplated by the Asset Purchase Agreement shall occur pursuant to the terms contained in the Plan and the Asset Purchase Agreement (unless modified by the parties thereunder) (the "Closing Date").

7. Pursuant to sections 105(a) and 363(f) of the Bankruptcy Code and Section 8.5 of the Plan, the Assets shall be transferred to the Buyer and upon the closing of the transactions contemplated by the Asset Purchase Agreement shall be free and clear of all liens, claims, encumbrances, or interests of any kind whatsoever, including without limitation any liens, claims, encumbrances, or interests of the United States, any state, municipality, or other governmental unit, and also including without limitation any environmental, warranty, and product liability claims, but excluding the Assumed Liabilities (as defined in the Asset Purchase Agreement), with all such liens, claims encumbrances, or interests of any kind or nature whatsoever subject to any claims or defenses the Debtor may possess with respect thereto to attach to the proceeds of the transactions under the Asset Purchase Agreement in the order of their priority, with the same validity, force, and effect which they now have against the Assets..

8. Except as expressly permitted or otherwise specifically provided by the Asset Purchase Agreement or this Sale Order, all persons and entities, including, but not limited to, all debt security holders, equity security holders, governmental, tax, and regulatory authorities, lenders, trade and other creditors, and other present and future claimants holding liens, claims, encumbrances, or interests of any kind or nature whatsoever against or in the Debtor or the Assets (whether legal or equitable, secured or unsecured, matured or unmatured, contingent or non-contingent, senior or subordinated), arising under or out of, in connection with, or in any way relating to, the Debtor, the Assets, the operation of the Debtor's business prior to the Closing Date, or the transfer of the Assets to the Buyer, including without limitation any environmental, warranty, and product liability claims,

hereby are forever barred, estopped, and permanently enjoined from asserting against the Buyer, its successors or assigns, its property, or the Assets, such liens, claims, encumbrances or interests.

9. The transfer of the Assets to the Buyer pursuant to the Asset Purchase Agreement constitutes a legal, valid, and effective transfer of the Assets, and shall vest the Buyer with all right, title, and interest of the Debtor in and to the Assets free and clear of all liens, claims, encumbrances, and interests of any kind or nature whatsoever, including without limitation any environmental, warranty, and product liability claims.

10. The transfer of the Assets pursuant to the Asset Purchase Agreement is a transfer pursuant to section 1146(c) of the Bankruptcy Code in that the transactions under the Asset Purchase Agreement are determined to be under a Plan confirmed under section 1129 of the Bankruptcy Code, and accordingly shall not be taxed under any federal, state, local, municipal or other law imposing or claiming to impose a stamp tax or a sale, transfer, or any other similar tax on any of the Debtor's transfers or sales of real estate, personal property or other assets (including the Assets) owned by it.

11. On or before the Closing Date of the transactions contemplated by the Asset Purchase Agreement, each of the Debtor's creditors is authorized and directed to execute such documents and take all other actions as may be reasonably necessary to release its liens, claims, encumbrances or interests in the Assets, if any, as such liens, claims, encumbrances and interests may have been recorded or may otherwise exist. If any person or entity that has filed financing statements, mortgages, mechanic's liens, *lis pendens*, or other documents or agreements evidencing liens, claims, or interests with respect to the Assets shall not have

delivered to the Plan Trustee prior to the Closing Date, in proper form for filing and executed by the appropriate parties, termination statements, instruments of satisfaction, releases of all liens, claims, encumbrances, and interests which the person or entity has with respect to the Assets or otherwise, then: (i) the Plan Trustee is hereby authorized and directed to execute and file such statements, instruments, releases, and other documents on behalf of the person or entity with respect to the Assets; and (ii) the Buyer is hereby authorized to file, register, or otherwise record a certified copy of this Sale Order, which, once filed, registered, or otherwise recorded, shall constitute conclusive evidence of the release of all liens, claims, encumbrances, and interests in the Assets of any kind or nature whatsoever. Upon entry of this Order, the release and termination of liens, claims, encumbrances and interests hereby shall be valid, perfected and enforceable against all parties asserting such liens, claims, encumbrances and interests, without further filing or recording of any document or instrument or the taking of any further actions.

12. This Sale Order: (i) is a determination that, on the Closing Date, all liens, claims, encumbrances, or interests of any kind or nature whatsoever existing with respect to the Assets prior to the closing of the transactions contemplated by the Asset Purchase Agreement have been unconditionally released, discharged, and terminated, and that the conveyances described therein have been effected; and (ii) shall be binding upon and shall govern the acts of all persons or entities including without limitation, all filing agents, filing officers, title agents, title companies, recorders of mortgages, recorders of deeds, registrars of deeds, administrative agencies, governmental departments, secretaries of state, federal, state, and local officials, and all other persons and entities who may be required by operation of

law, the duties of their office, or contract, to accept, file, register, or otherwise record or release any documents or instruments, or who may be required to report or insure any title or state of title in or to any of the Assets.

13. Each and every federal, state, and local governmental agency or department is hereby directed to accept any and all documents and instruments necessary and appropriate to consummate the transactions contemplated by the Asset Purchase Agreement.

14. Neither the Buyer nor its affiliates, successors or assigns, as a result of any action taken in connection with the purchase of the Assets: (a) is a successor to the Debtor; (b) has, *de facto* or otherwise, merged with or into the Debtor; or (c) is a continuation or substantial continuation of the Debtor or any enterprise of the Debtor.

15. All entities who are presently, or on the Closing Date may be, in possession of some or all of the Assets are hereby directed to surrender possession of the Assets to the Buyer on or before the Closing Date.

16. Except for the Assumed Liabilities (as defined in the Asset Purchase Agreement), the Buyer shall have no liability or responsibility for any liability or other obligation of the Debtor arising under or related to the Assets. Without limiting the generality of the foregoing, and except as otherwise specifically provided herein and in the Asset Purchase Agreement, the Buyer shall not be liable for any claims against the Debtor or any of its predecessors or affiliates, and the Buyer shall have no successor or vicarious liabilities of any kind or character, whether known or unknown, as of the Closing Date, now existing or hereafter arising, whether fixed or contingent, including without limitation any claims against the Debtor, any affiliates of the Debtor, and the Assets for any and all

environmental, warranty, and product liability claims by any person or entity whatsoever, with respect to the Debtor, of any affiliates of the Debtor, or any obligations of the Debtor or any of its affiliates, including, but not limited to, liabilities on account of any taxes arising, accruing, or payable under, out of, in connection with, or in any way relating to the operation of the business prior to the Closing Date. The Buyer shall have no liability for any claim by any person or entity against the Debtor, any affiliates of Debtor, or the Assets which is pending in a court of competent jurisdiction anywhere in the United States or elsewhere as of the Closing Date; rather, any liability as may be established for such claims shall attach only to the proceeds of the Purchase Price according to such claim's priority under applicable law.

17. Under no circumstances shall the Buyer be deemed to be a successor of or to the Debtor for any lien, claim, encumbrance, or interest against or in the Debtor or the Assets of any kind or nature whatsoever. Except for the Assumed Liabilities (as defined in the Asset Purchase Agreement) held by any person or entity, all persons or entities holding any liens, claims, encumbrances, or interests against or in the Debtor or the Assets of any kind or nature whatsoever shall be, and hereby are, forever barred, estopped, and permanently enjoined from asserting, prosecuting, or otherwise pursuing such liens, claims, encumbrances, or interests of any kind or nature whatsoever against the Buyer, its property, its successors and assigns, or the Assets with respect to any lien, claim, encumbrance, or interest of any kind or nature whatsoever such person or entity had, has, or may have against or in the Debtor, its estates, officers, directors, shareholders, or the Assets. Following the Closing Date, no holder of a lien, claim, encumbrance, or interest against the Debtor or the Assets shall interfere with the Buyer's title to or quiet use and enjoyment of the Assets based

on or related to such lien, claim, encumbrance, or interest, or any actions that the Debtor may take in its chapter 11 case.

18. This Court retains jurisdiction to enforce and implement the terms and provisions of this Sale Order and the Asset Purchase Agreement, all amendments thereto, any waivers and consents thereunder, and of each of the agreements executed in connection therewith in all respects, including, but not limited to, retaining jurisdiction to: (i) compel delivery of the Assets to the Buyer; (ii) resolve any disputes arising under or related to the Asset Purchase Agreement, except as otherwise provided therein; (iii) interpret, implement, and enforce the provisions of this Sale Order; and (iv) protect the Buyer against any liens, claims, encumbrances, and interests against the Debtor or the Assets, of any kind or nature whatsoever, attaching to the proceeds of the transactions contemplated under the Asset Purchase Agreement.

19. The transfer of the Assets pursuant to the transactions contemplated by the Asset Purchase Agreement shall not subject the Buyer to any liability with respect to the operation of the Debtor's business prior to the Closing Date or by reason of such transfer under the laws of the United States, any state, territory, or possession thereof, or the District of Columbia, based, in whole or in part, directly or indirectly, on any theory of law or equity, including, without limitation, any theory of equitable subordination or successor or transferee liability.

20. The transactions contemplated by the Asset Purchase Agreement are undertaken by the Buyer in good faith, as that term is used in section 363(m) of the Bankruptcy Code. Accordingly, the reversal or modification on appeal of the authorization

provided herein to consummate the transactions contemplated by the Asset Purchase Agreement shall not affect the validity of such transactions as to the Buyer, unless such authorization is duly stayed pending such appeal.

21. The terms and provisions of the Asset Purchase Agreement and this Sale Order shall be binding in all respects upon, and shall inure to the benefit of, the Debtor, its estate, its creditors, and the Plan Trust, as well as the Buyer and their respective affiliates, successors, and assigns, and shall be binding in all respects upon any affected third parties including, but not limited to, all persons or entities asserting any liens, claims, encumbrances, or interests against or in the Assets to be sold to the Buyer pursuant to the Asset Purchase Agreement, notwithstanding any subsequent appointment of any new or replacement trustee(s) under any chapter of the Bankruptcy Code, as to which trustee(s) such terms and provisions likewise shall be binding.

22. The failure specifically to include any particular provision of the Asset Purchase Agreement in this Sale Order shall not diminish or impair the effectiveness of such provision, it being the intent of the Court that the Asset Purchase Agreement be authorized and approved in its entirety.

23. The Asset Purchase Agreement and any related agreements, documents, or other instruments may be modified, amended, or supplemented by the parties thereto, in a writing signed by both parties, and in accordance with the terms thereof, without further order of the Court, provided that any such modification, amendment or supplement does not have a material adverse effect on the Debtor's estate.

24. As provided by Federal Rule of Bankruptcy Procedure 7062, this Sale Order shall be effective and enforceable immediately upon entry. Time is of the essence in closing the transactions contemplated by the Asset Purchase Agreement, and the Plan Trustee and the Buyer intend to close such transactions as soon as possible. Therefore, any party objecting to this Sale Order must exercise due diligence in filing an appeal and pursuing a stay, or risk having their appeal being rendered moot.

25. Following the Closing Date and subject to confidentiality agreements acceptable to Buyer, Buyer shall make available to the Plan Trustee, at the Plan Trustee's expense, business records acquired by Buyer in the sale and transfer to Buyer of the Assets to the extent reasonably requested by the Plan Trustee to complete its tax returns and satisfy other statutory and regulatory requirements imposed on Debtor's business prior to the Closing Date.

Dated this 17th day of April, 2003.

Margaret D. McGarity, Bankruptcy Judge

NOW, THEREFORE, in consideration of the premises, the covenants and agreements herein contained, and other good and valuable consideration, the receipt and sufficiency of which hereby are acknowledged, the parties hereto agree as follows:

ARTICLE I

PURCHASE AND SALE OF ASSETS

1.1 Purchase and Sale of Assets. On the terms and subject to the conditions set forth in this Agreement, at the Closing, Seller shall sell, assign, transfer, convey, and deliver to Buyer, and Buyer shall purchase and accept from Seller, all of Seller's rights, title, and interests in and to the Assets, free and clear of any and all liens, liabilities, claims, interests, restrictions on transfer or other encumbrances (hereinafter referred to collectively as the "Encumbrances") except as provided in Section 2.1(d). The term "Assets" means all of those assets listed on Exhibit 1.1.

Except for the Assets described in this Section 1.1 and listed on Exhibit 1.1, all other assets, properties, and rights of Seller shall be retained by Seller and shall not be sold,

1.2 Assumed Liabilities. Buyer shall assume and/or accept assignment from Seller and thereafter pay, perform, or discharge in accordance with their terms the obligations of Seller, if any, identified in Section 2.1 and on Exhibit 2.1 hereto, so long as such assumption of obligations has been approved by the Bankruptcy Court. The Buyer shall also assume the obligations of Seller under those executory contracts identified on Exhibit 3.2 hereto (the "Executory Contracts") that, by the terms of such Executory Contracts, arise after Closing and relate to periods following the Closing and are to be observed, paid, discharged, or performed, as the case may be, in each case, at any time after the Closing Date all cure amounts agreed to by Buyer in writing as payable in order to effectuate, pursuant to the Bankruptcy Code, the assumption by and assignment to Buyer of such Executory Contracts, including lease payments, and including credit, prepayment or refund balances as of Closing, assigned to Buyer (the "Cure Amounts"); provided, however that the Buyer will only assume those Executory Contracts which are legally assumed and assigned to the Buyer pursuant to Section 365 of the Bankruptcy Code.

1.3 Purchase Price. The aggregate consideration to be paid by Buyer for the purchase of the Assets (the "Purchase Price") shall be:

- (a) the assumption of the Assumed Liabilities;
- (b) \$5.5 million to be paid in the form of a credit bid; and
- (c) the payment of cash at Closing ("Cash Payment") in an amount equal to:
 - (i) Allowed secured claim of National Exchange Bank secured by the Office Building plus \$2.00; and
 - (ii) Allowed secured claim of the Village of Adell plus \$1.00;
 - (iii) Cash sufficient to pay the Cure Amounts in the amount of \$ 81,842.00 as determined in the Court Order dated March 24, 2003.

Buyer shall (x) pay the Cash Payment to Seller at Closing in immediately available funds, and (y) deliver to Seller a duly executed assignment and assumption agreement in customary form mutually agreeable to the Seller and Buyer.

1.4 Purchase Price Allocation. Buyer and Seller shall, as soon as practicable following the Closing Date, use their best efforts to negotiate and agree upon the fair market values of the Assets of Seller no later than 30 days after the Closing Date and to execute a joint certificate reflecting the same. The Purchase Price shall be allocated for all reporting

purposes (including financial accounting and federal and state income tax purposes) in accordance with the individual fair market values of the Assets as set forth on such joint certificate in a manner consistent with section 1060 of the Internal Revenue Code. Neither Buyer nor Seller shall take a position in any Return, or examination, or other administrative or judicial proceeding relating to any Return that is inconsistent with such allocation.

ARTICLE 2

ASSUMPTION OF CERTAIN LIABILITIES

2.1 Assumed Liabilities. Subject to the terms and conditions set forth in this Agreement, at the Closing Seller shall transfer and assign, and Buyer shall assume, pay and perform as its primary obligations, the specified liabilities and obligations of Seller specified on Exhibit 2.1 together with the following (herein referred to collectively as the "Assumed Liabilities"):

- (a) All obligations of Seller for accrued vacation pay to employees of Seller; and
- (b) All obligations of Seller under the Executory Contracts, to the extent attributable to periods after the Closing Date; and
- (c) the Cure Amounts; and
- (d) the 2003 general real property taxes on the real property included in the Assets.

2.2 Prorations.
