FIRST AMENDED AND RESTATED
TRADEMARK SECURITY AGREEMENT (U.S. REGISTRY)

WHEREAS, MI-JACK PRODUCTS INC., an Illinois corporation (“Debtor”), owns, has adopted, used and is using a certain mark or certain marks registered in the United States Patent and Trademark Office, as more fully described on Exhibit A attached hereto and by reference made part hereof (hereinafter, together with all rights, benefits and privileges derived therefrom, the good will of the business symbolized thereby and all registrations thereof, called the “Trademark Rights”); and

WHEREAS, LASALLE BANK NATIONAL ASSOCIATION, a national banking association (“Bank”), extended certain financial accommodations to or for the benefit of Debtor pursuant to a certain Loan and Security Agreement by and between Lanco International Inc. (“Lanco”) and the Bank dated as of March 25, 2002 (such agreement, as amended from time to time, is hereinafter referred to as the “Original Loan Agreement”) and in connection therewith, the Debtor executed and delivered to Bank a Trademark Security Agreement dated as of March 25, 2002 (such agreement, as amended from time to time, is hereinafter referred to as the “Original Trademark Security Agreement”); and

WHEREAS, the Bank now intends to extend certain financial accommodations to or for the benefit of Debtor pursuant to a certain First Amended and Restated Loan and Security Agreement by and between Lanco International Inc. (“Lanco”), Lanigan Holdings LLC (“Lanigan Holdings”) and the Bank dated as of even date herewith (such agreement, as it may be amended from time to time, is hereinafter referred to as the “Loan Agreement” capitalized terms used herein and not otherwise defined shall have the meanings ascribed to them in the Loan Agreement) which amends and restates the Original Loan Agreement in its entirety; and

WHEREAS, in connection with the extension of such financial accommodations pursuant to the Loan Agreement, Bank is desirous of maintaining said Trademark Rights, acquiring any additional Trademark Rights and amending and restated the Original Trademark Security Agreement in its entirety, subject to the terms and conditions set forth hereinbelow;

NOW, THEREFORE, in order to induce Bank to consummate the financial accommodations provided for in the Loan Agreement, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Debtor does hereby agree to amend and restate the Original Trademark Security Agreement with Bank as follows:

1. Debtor hereby assigns and grants a security interest to Bank, its successors and assigns, in the entire right, title, and interest of Debtor in and to the Trademark Rights, subject to termination only if: (i) all “Obligations” (as defined in the Loan Agreement) of Lanco and Lanigan Holdings are satisfied and paid as and when due and (ii) Bank shall have terminated in writing, without further obligation or liability, all commitments of Bank to any party arising under the Loan Agreement; otherwise, the same shall remain in full force and effect, it being

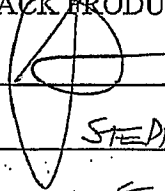

intended by Debtor and Bank that the Trademark Rights shall serve as collateral security to Bank for the payment and performance of such "Obligations" and, accordingly, that this instrument shall be subject to the terms of the Loan Agreement and all related security agreements with respect to the "Collateral" (as defined in the Loan Agreement), which terms are herein incorporated by reference and made a part hereof.

2. Notwithstanding the foregoing, unless and until Bank exercises the rights and remedies accorded to it under (i) the Loan Agreement, and/or (ii) the First Amended and Restated Corporate Guaranty by and between Debtor and Bank dated of even date herewith, and by law with respect to the realization upon its security interest in the Trademark Rights, Debtor shall continue to own, and may use and enjoy, the Trademark Rights in connection with its business operations, but only in a manner consistent with the preservation of their current substance, validity, registration and the collateral assignment herein contained.
