INTELLECTUAL PROPERTY ASSIGNMENT

WHEREAS, Dataflight Software, Inc., a California corporation ("Assignor"), is engaged in the business of developing, producing, marketing, selling and licensing, and providing maintenance and related services for, its own proprietary legal and litigation document database management software (the "Business");

WHEREAS, Applied Discovery, Inc., a Washington corporation ("Assignee"), is desirous of acquiring all of Assignor's rights in all Intellectual Property related to said Business;

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, the Assignor hereby assigns, transfers and sets over unto the Assignee, its successors, assigns and other legal representatives, as fully and entirely as the same would have been held and enjoyed by the Assignor if this Assignment and had not been made, the entire right, title and interest of Assignor in and to the Company Intellectual Property, including, without limitation, the Company Intellectual Property described on Schedule A hereto.

The assignment of Assignor's entire right, title and interest in and to the Intellectual Property to the Assignee includes, without limitation, (i) all rights, powers, emoluments, and advantage whatsoever symbolized thereby, including all rights of Assignor to obtain renewals and extensions of such Intellectual Property, individually or collectively, that may be secured under the laws now or hereafter in force and effect in the United States, or in any other country or countries, and (ii) the right to sue and obtain damages, injunctive relief and attorney's fees for all past infringements of said copyrights both at common law and under the statutes of the United States or any other country, and claims and causes of action in favor of the Assignor heretofore accrued or hereafter accruing with respect thereto for misappropriation, infringement or other violation of proprietary or other rights in such Intellectual Property.

TO HAVE AND TO HOLD the same unto the Assignee, its successors, assigns and other legal representatives, for and during the existence of such Intellectual Property and all renewals and extensions thereof, as fully and as entirely as the same would have been held and enjoyed by the Assignor had this Assignment and transfer not been made.

Nothing contained in this Assignment shall be deemed to supersede any of the agreements of the Assignor and the Assignee contained in the Asset Purchase Agreement dated as of June 27, 2006 (the "Asset Purchase Agreement"), by and between Assignee, Assignor and Jeffrey B. Lipsman, an individual residing at 15325 Mulholland Drive, Los Angeles, California 90077. In the event of any conflict or inconsistency between the provisions of this Intellectual Property Assignment and the provisions of the Purchase Agreement, the provisions of Purchase Agreement shall prevail.

Capitalized terms used herein without definition shall have the meanings ascribed to them in the Purchase Agreement.

The Assignor shall promptly, upon the request of the Assignee, execute such other instruments of conveyance as may be necessary to permit the Assignee to record the assignment made by this instrument.

[SIGNATURE PAGE FOLLOWS]

IN WITNESS WHEREOF, the undersigned has caused this Assignment to be
duly executed as of the 27 day of June, 2006.
