THIS FIXED CHARGE DEBENTURE (the “**Fixed Charge Debenture**”) made as of the 27 day of July, 2006 (the “**Effective Date**”), by and among, Fortissimo Capital Fund GP, L.P., on behalf of the several parallel partnerships in which it serves as the General Partner (the “**Lead Lender**”), whose principal offices are located at 14 Hamelacha Street, Park Afek, Rosh Haayin 48091, Israel, Shem Basum Ltd., an Israeli company, having its address at 8 Hanna Senesh St., Kfar Saba, Israel (“**Beilis**”); Mr. Yehuda Zisapel, an individual having his address at 24 Raoul Wallenberg Street, Tel Aviv 69719, Israel (“**Zisapel**”) and Michael Chill, an individual having his address at 210 West 89th Street Apt. 4-N, New York, NY 10024, U.S.A. (“**Chill**”); each of Beilis, Zisapel and Chill a “**Lender**”, and together with the Lead Lender, the “**Lenders**”); and Radview Software Ltd., an Israeli corporation, corporate registration number 511627952, (the “**Pledgor**”) whose principal offices in Israel are located at 2 Habarzel Street, Tel Aviv 69710, Israel.

WHEREAS, Lead Lender and Pledgor have entered into a certain Bridge Loan Agreement, dated January 26, 2006 (the “**Bridge Loan Agreement**”); and

WHEREAS, Lenders and Pledgor have entered into a certain Convertible Loan Agreement dated, April 4, 2006, as amended on July 26, 2006 (the “**Convertible Loan Agreement**”); and

WHEREAS, pursuant to the Convertible Loan Agreement, Pledgor has agreed to create (i) a Fixed Charge in favor of Lenders in accordance with the terms and conditions set forth in this Fixed Charge Debenture; and (ii) a Floating Charge in accordance with the terms and conditions of a Floating Charge Debenture to be executed simultaneously with this Fixed Charge Debenture (the “**Floating Charge Debenture**”), all, in order to secure all of Pledgor’s obligations pursuant to the Convertible Loan Agreement.

NOW, THEREFORE, IT IS AGREED AS FOLLOWS:

- 1 The Preamble to this Fixed Charge Debenture constitutes a part hereof. All capitalized terms used and not otherwise defined herein shall have the meaning assigned to such terms in the Convertible Loan Agreement.
- 2 In order to guarantee and secure the timely and complete fulfilment of all obligations of the Pledgor pursuant to the Convertible Loan Agreement, including, without derogating from the aforesaid, all payments by the Pledgor of all amounts due or which may become due to Lenders pursuant to the Convertible Loan Agreement, as may be amended from time to time (collectively, the “**Secured Obligations**”), Pledgor hereby unconditionally pledges and grants Lenders a second priority fixed charge, subordinate only to those charges which had been created to the benefit of the Lead Lender under that Bridge Loan Agreement dated January 26, 2006 (the “**Fixed Charge**”) on (i) all of Pledgor’s IP (as defined below), now owned, and any of Pledgor’s IP created by the Pledgor following the date of the Convertible Loan Agreement and prior to the termination thereof; (ii) accounts receivable as more fully described and listed in Article 3.2 below (the “**Collateral**”).
- 3 The Collateral consists, to the maximum extent possible, of all of Pledgor’s rights, title and interests in the following:

- 3.1 All of Pledgor's IP, now owned, including, without limitation, goodwill, trademarks, service marks, Internet domain names, trade dress, trade styles, trade names, patents, patent applications, blueprints, drawings, customer lists, route lists, computer programs, computer discs, computer tapes, literature, reports, catalogues, design rights. **Schedule 3.1** lists Pledgor's (a) trademarks; (b) patents; (c) copyrights; and (d) Internet domain names, which have been registered or there are applications for the registration thereof, as of the date of this Fixed Charge Debenture;
- 3.2 All now existing accounts receivable, and all other forms of obligations owing to Pledgor arising out of the sale or lease of goods, the licensing of technology or the rendering of services by Pledgor, whether or not earned by performance, and any and all credit insurance, guarantees, and other security therefore.

For purposes of this Fixed Charge Debenture, the term "**Pledgor's IP**" shall mean, all intangible legal rights, title and interest evidenced by or embodied in or connected or related to (i) copyright; (ii) patents and any rights there-under, and all applications, registrations, and renewals in connection therewith; (iii) trademarks, service marks, trade names, together with all translations, adaptations, derivations, and combinations thereof, and all applications, registrations, and renewals in connection therewith; (iv) all mask works, rights in original topographies and all applications, registrations, and renewals in connection therewith; (v) all trade secrets, rights to un-patented inventions, know-how, technology and confidential information; (vi) all computer software (including data and related documentation), in each case on a worldwide basis, and (vii) all copies and tangible embodiments of all of the foregoing, or any part thereof, in whatever form or medium.

- 3.3 All insurance policies or the proceeds thereof in respect of any and all of the above described assets.
- 4 For the avoidance of doubt, it is hereby clarified and agreed that this Fixed Charge Debenture shall not be interpreted as requiring: (i) the amendment of any of the Pledgor's existing agreements, or (ii) that the Pledgor obtain the consent of any third party which is a party to an agreement with the Pledgor to the creation of such pledge (unless the agreement with such third party expressly provides that such party's consent be obtained prior to the creation by the Pledgor of any pledge or security interest of its rights under such agreement). Without derogating from the foregoing, the pledge and charge created by operation of this Fixed Charge Debenture shall apply to any and all rights to compensation or indemnity, which may accrue to the Pledgor by reason of the loss or expropriation of, or damage to, the Collateral.
- 5 Pledgor shall not, without the prior written consent of the Lead Lender, sell, transfer, assign, let or part with possession of, or otherwise encumber, the Collateral or any part thereof, to any third party or permit the same to be held, used or operated by any third party, save for licenses granted by Pledgor to third parties to use Pledgor's IP in the ordinary course of business and in a manner which will not have a material adverse effect on Pledgor's operations, business, properties or condition (financial or

otherwise) and the Collateral, including without limitation, licenses in object code form any software of the Pledgor.

6 The Pledgor hereby represents that except as otherwise specifically disclosed in the Convertible Loan Agreement:

- (i) The Collateral is not charged, pledged or attached to or in favor of any other person or entity;
- (ii) The Collateral is, in its entirety, in the exclusive possession and ownership of the Pledgor;
- (iii) There is no limitation or provision of law, agreement or otherwise, which restricts the creation of a pledge and charge over the Collateral, and the Collateral may be freely sold, transferred and/or disposed of without the consent or approval of any third party or governmental authority;
- (iv) The Pledgor has the complete power and authority to pledge and create the charge over the Collateral, in accordance with the provisions hereof;
- (v) No assignment or other disposition is currently affecting the Collateral which may derogate from the value of the Collateral; and
- (vi) There are no powers of attorney, proxies or assignments or delegations thereof authorizing any action to be taken on behalf of the Pledgor in connection with the Collateral, except as required pursuant to the provisions of this Fixed Charge Debenture.

7 Notification Requirement. Without derogating from the provisions of the Convertible Loan Agreement or any other notification requirement set forth herein, the Pledgor shall promptly notify each of the Lenders, in writing, of:

- 7.1 Any claim or demand made by a third party with respect to the Collateral; or
- 7.2 Any steps taken or threatened (if known to the Pledgor) for the appointment of a special manager, temporary liquidator, temporary receiver or trustee for or over all or substantially all of the Collateral and, if any such official is appointed, of his appointment; or
- 7.3 The placement of an attachment on the Collateral or any portion thereof (if known to the Pledgor), or
- 7.4 The filing against the Pledgor of any petition in liquidation or any petition under the provisions of applicable law for the relief of creditors.

8 Realization of the Fixed Charge; Authorization; Independence of Fixed Charge. In addition to, and without derogating from, any remedy and/or right the Lenders are entitled to by any applicable agreement or law (but subject to the following paragraph of this Section 8), each of the Lenders shall be entitled to realize the Fixed Charge and to take all such steps as it sees fit to collect the Secured Obligations including, without limitation, the appointment of a receiver or manager (the

“**Receiver**”) in any “**Event of Default**” set forth in Article 5 of the Convertible Loan Agreement (each, an “**Event of Default**”).

Notwithstanding anything to the contrary in this Section 8, each of Beilis, Zisapel and Chill (the “**Co-Lenders**”) expressly and irrevocably agree that they shall not take any action to realize their security interest under this Fixed Charge Debenture unless (i) the outstanding Loan Amount owed to such Co-Lender(s) exceeds \$100,000; (ii) at least 7 days prior notice of the contemplated action was delivered to the Lead Lender, and (iii) such action received the Lead Lender’s prior written consent, which consent can be withheld for any reason or for no reason, except that no such consent from the Lead Lender shall be required subsequent to the settlement, by the Company, of the entire portion of the Loan Amount owing thereby to the Lead Lender (whether by way of repayment or conversion pursuant to Section 1.2 of the Convertible Loan Agreement).

The Fixed Charge created for the benefit of the Lenders herein shall be independent of any and all other charges created for the benefit of each of the Lenders by the Pledgor, shall not affect or be affected by, such other pledges and charges and shall serve as a continuing security which shall remain in full force until removed in accordance with the provisions contained herein.

9 Receiver. The Receiver shall be the agent of the Pledgor and shall have all powers conferred upon it by law. The Receiver shall be empowered, inter alia, to do the following, to the extent permitted by applicable law:

9.1 To take possession of the Collateral and for that purpose to take any proceedings in the Pledgor’s name or otherwise as the Receiver shall see fit;

9.2 To sell or agree to the sale of the Collateral, in whole or in part, or to transfer the same in any other manner upon such conditions as the Receiver may see fit;

9.3 To make any other arrangement with respect to the Collateral or any part thereof as the Receiver may see fit;

9.4 To carry on or concur in carrying on the Pledgor’s business and raise money on the security of all or any part of the Pledgor’s assets;

9.5 To take, continue or defend any proceedings and make any arrangement or compromise which the Receiver shall see fit;

9.6 To make and effect all repairs, improvements and insurance;

9.7 To appoint managers, officers and agents for any of the above purposes, at such reasonable salaries as the Receiver may see fit;

9.8 To call up any of the uncalled capital of the Pledgor;

9.9 To promote the formation of a subsidiary or subsidiaries of the Pledgor, so that such subsidiary may purchase, lease, license or otherwise acquire interest in all or any part of the assets of the Pledgor; and

- 9.10 To do all other acts and things which the Receiver may consider to be incidental or conducive to any of the above powers.
- 10 Additional Costs Relating to the Realization of the Fixed Charge. Without derogating from the above, the Pledgor shall be responsible for all costs, charges and expenses (including reasonable attorney's fees), incurred by each Lender in enforcing its rights and remedies hereunder, and such costs, charges and expenses shall be recoverable from the Pledgor as part of the Secured Obligations.
- 11 Registration of Fixed Charge/Removal of the Fixed Charge. The Pledgor shall arrange for the prompt and timely registration of this Fixed Charge with the Israeli Registrar of Companies and, to the extent necessary and applicable, with any other foreign governmental agency (provided that the Lenders shall fill in and deliver to the Pledgor all forms required for such registration, as shall be provided by the Pledgor) and shall bear all tax and other costs and expenses with respect to such registration. The Fixed Charge shall be removed upon the final payment in full of all amounts due to the Lenders pursuant to the provisions of the Convertible Loan Agreement, and for such purpose, each of the Lenders shall execute and provide the Pledgor with all documents necessary in order to remove the Fixed Charge upon final payment in full of all amounts due to such Lender under the Convertible Loan Agreement.
- 12 Secured Obligations Unlimited. The amount being secured under the Fixed Charge created pursuant to this Fixed Charge Debenture shall be determined in accordance with the provisions of the Convertible Loan Agreement. Upon the realization of the Fixed Charge, payment to the Lenders shall be made in the following order and on a pro rata basis: (i) costs, expenses and taxes, (ii) interest, (iii) any other payments due pursuant to the provisions of the Convertible Loan Agreement (other than payment of the Principal Amount, as such term is defined in the Convertible Loan Agreement), and then (iv) payment of Principal Amount under the Convertible Loan Agreement.

Subject to the provisions of the Convertible Loan Agreement, each Lender reserves the right, to sell, assign, transfer, negotiate or grant participation in all or any part of, or any interest in, its rights and obligations under this Fixed Charge Debenture to a party to which such Lender sells, assigns, transfers, negotiates or grants participation in all or any part of its rights and obligations under the Convertible Loan Agreement, provided that any transferee or assignee hereunder agrees in writing to be bound by the provision of this Fixed Charge Debenture. In connection with any of the foregoing, the Lender may disclose all documents and information which it now or hereafter may have relating to the Charge, Pledgor, or its business; provided that any person who receives such information shall have agreed in writing in advance to maintain the confidentiality of such information.
