## 3. WARRANTIES

3.1 The Assignor warrants that:

- (a) it owns all of the rights and interests in, and has title to, the Business IPR and has the right to assign the Business IPR to the Assignee; and

#### **4. FURTHER ASSURANCE**

4.1 The Assignor shall, at the Assignee's cost, perform (and procure the performance of) all further acts and things and execute and deliver (and procure the execution and delivery of) all further documents which may be required of it by law or the registrar of a relevant trade mark registry or which may reasonably be required by the Assignee to transfer the full benefit of the right, title and interest in the Business IPR to the Assignee or to effect the registration or recordal of the assignment of the Business IPR to the Assignee, and the changeover of any relevant domain name server, in each applicable jurisdiction. The parties shall then use all reasonable endeavours to replace the invalid or unenforceable provision by a valid and enforceable substitute provision the effect of which is as close as possible to the intended effect of the invalid or unenforceable provision.

## **9. VARIATION**

(a) neither party has entered into this Assignment in reliance upon any representation, warranty or undertaking of any other party which is not expressly set out or referred to in this Assignment or the UK Business Agreement;

(b) the Assignee may claim in contract for breach of warranty under this Assignment but shall have no claim or remedy under this Assignment in respect of misrepresentation (whether negligent or otherwise, and whether made prior to, and/or in, this Assignment) or untrue statement made by the Assignor.

10.2 This clause shall not exclude any liability for, or remedy in respect of fraud or fraudulent misrepresentation.

## **11. COUNTERPARTS**

This Assignment may be executed in any number of counterparts and by the parties to it on separate counterparts, each of which is an original but all of which together constitute one and the same instrument.

## **13. GOVERNING LAW AND JURISDICTION**

13.1 This Assignment and the relationship between the parties shall be governed by, and interpreted in accordance with, the laws of England and Wales.

13.2 Each of the parties agrees that the courts of England are to have exclusive jurisdiction to settle any disputes (including claims for set off and counterclaims) which may arise in connection with the creation, validity, effect, interpretation or performance of, or the legal relationships established by, this Assignment or otherwise arising in connection with this Assignment, and for such purposes irrevocably submits to the jurisdiction of the English courts.
