Imagine having the tools to gather all the data you need to produce appraisals fast, efficiently and profitably. Imagine managing your assignments and appraisal-related data anytime, anywhere. Imagine no more...

It can all be done with the Appraisal Institute Commercial Database and LoopNet's new AppraiserLoop, a Web-based solution for all your appraisal needs that's been developed in cooperative effort with the Appraisal Institute and some of its top commercial real estate appraisers.

Appraisal Institute members are the exclusive providers of data for this landmark system and benefit from preferred pricing, a revenue-generating royalty program, and exclusive access to comparable "leads".

Here's what this means to you:

- Reduce data acquisition time and costs.
- Improve efficiency, productivity and profitability.
- Obtain the highest-quality, appraiser-verified data from one source.
- Manage your work 24/7 from anywhere.

The powerful Appraisal Institute Commercial Database and LoopNet's new AppraiserLoop deliver the power of the internet to you.

Get in the AppraiserLoop and help jump-start your appraisals with online appraiser tools:

- Assignment Management System is your new "virtual office," accessible anywhere over the Internet.
- FastStart lets you create virtual assignment folders and pre-populate data records with a few clicks of a mouse.
- Mapping System allows you to select your subject and comparable properties, automatically plotting and sizing them on a map.
- Demographics allows you to select several different types of standard demographic reports.
- IDM Tax Database allows you to search for assessor and recorder information on your subject and comparables nationwide.

- Images and Documents such as plat maps, floor plans and photographs can easily be attached to any assignment or record.

- Standard Reports include comparable data sheets, summaries of comparables, and adjustment grids — all created automatically to save you time.

- Private Company Database allows company members instant access to data records, images and documents from prior assignments.
