**AND**

**GOOD-O BEVERAGE COMPANY**, a general partnership organized and existing upon the laws of the State of New York, having its principal place of business at 1801 Boone Avenue, Bronx, New York 10460 ("Good-O" or "Licensee").

BACKGROUND AND INTRODUCTION

WHEREAS, CRI and Good-O have heretofore entered into an agreement (the "License Agreement") dated as of February 26, 1986 under which CRI licensed Good-O, for a territory consisting of the states of New York and Connecticut and part of the state of New Jersey, to exclusively manufacture, package, market, distribute and/or sell beverages, fountain and vending syrups under the "Coco Rico" trademarks (including those specified in Exhibit A to the License Agreement);

WHEREAS, Company has alleged that Good-O has not fulfilled certain commitments pertaining to minimum volume in two prior contract years;

WHEREAS, Good-O and Company are willing to commit to annual purchases, periodic payments, and an alternate process for ordering, subject to the terms and conditions hereof, based upon concessions made by Good-O and Company in this Amendment; and

WHEREAS, CRI has advised Good-O that it has or intends to assign to CII all of CRI's interest in and to all of the trademarks that CRI owns (including those listed in Exhibit A as amended by this agreement) and in all goodwill associated with such trademarks and in the business of producing and selling Product Base;

NOW THEREFORE, for good and valuable consideration received by each party from the other and in consideration of the covenants of this Amendment being made by each party to the other, the parties hereto do agree as follows:

I. Each party hereto confirms their obligations under the Amended License Agreement. CRI, CII, and CRII hereby jointly and severally assume the obligations of Company under the Amended License Agreement, including all unamended provisions of the License Agreement.

RH

II. Company and Good-O agree and confirm that the Amended License Agreement is in full force and effect and in good standing and that the Amended License Agreement may not be terminated by any party for any action or inaction which has been taken or which has occurred on or before the date of this Amendment:

III. The License Agreement is amended as follows:

A. Defined Terms. Defined terms shall have the meaning set forth in this Section III. A, or, in the event a term is not defined in this Amendment but was defined in the License Agreement, such term shall have the meaning set forth in the License Agreement. In this Amendment, all such terms will be distinguished by the use of initial capital letters rather than full capital letters.

1. Additional Purchases. "Additional Purchases" shall mean purchases in excess of an Annual Minimum Purchase Commitment.

2. Amended License Agreement. The License Agreement, as amended by this agreement, is referred to in this Amendment as the "Amended License Agreement."

3. Annual Minimum Purchase Commitment. The term "Annual Minimum Purchase Commitment" refers to the first 16,560 gallons of Product Base that Good-O purchases during each Amended Contract Year.

4. Company. The term "Company" shall mean CRI, CII, and CRII collectively.

5. Contract Year. The terms "Contract Year," or "Amended Contract Year" as used in the Amended License Agreement with respect to time periods after the date of this Amendment, refers to the period from February 1, 2002 to January 31, 2003 and also to each

RV

consecutive twelve (12) month period thereafter. Hereafter, each Amended Contract Year shall commence on February 1 and conclude on January 31 of the following calendar year.

6. Non-Exclusive Territory. The term "Non-Exclusive Territory" shall have the meaning set forth in Section K of this Amendment.

7. Price Index. The term "Price Index" as used in this agreement means the Producer Price Index for Finished Goods as published each month by the Bureau of Labor Statistics ("BLS") of the United States Department of Labor with base 1982=100. If the BLS discontinues issuing such index, the term "Price Index" shall mean such index as shall be adopted by the BLS or its successor to replace the same, adjusting for any conversion factors so specified by BLS or its successor agency.

8. Purchase Deficiency. The term "Purchase Deficiency" as used in this Amended License Agreement means the amount by which the 16,560 gallons exceeds the number of gallons of Product Base purchased or deemed purchased by Good-O during a particular Amended Contract Year.

9. Territory. The term "Territory" shall have the meaning set forth in Section J of this Amendment.

Unless otherwise stated, all section references herein are to the License Agreement, as amended.

B. Sublicensees. In Sections E.2 and F.4.2, the words "or Sublicensee" shall be inserted following each use of the phrase "Affiliates of Licensee". The parties intend, and Company hereby authorizes, that Good-O shall have the right to use such subdistributors, bottlers, and other similar third parties as Good-O so designates (each a "Sublicensee").

RV

C. Amended Undertakings. Sections F.1.1, F.1.2 and F.1.3 are replaced in their entirety with the following:

1.1 Throughout the term of this License Agreement, Good-O shall ensure that the Product is packaged in modern plants designed for and equipped with the necessary machinery and equipment and having the necessary personnel for manufacturing and packaging the Product.

1.2 Except as authorized by the Company and to the extent not prohibited by law, Good-O shall not ship or caused to be shipped Product or Product Base outside of the Territory and the Non-Exclusive Territory.

1.3 Intentionally omitted.

 D. Sale of Product Base. Section F.3 of the License Agreement is replaced in its entirety with the following:

3. Sale of Product Base.

3.1 Subject to the provisions of Section F.10.11 (force majeure) and Company's performance of its material obligations under this Amended License Agreement, Good-O agrees to annually purchase the Annual Minimum Purchase Commitment.

(a) In the event that Good-O shall fail to purchase the Annual Minimum Purchase Commitment during an Amended Contract Year, Company may, as its sole and exclusive (notwithstanding the provisions of Section F.9.1) remedy for such failure, cancel and terminate this Amended License Agreement, but only if Good-O receives from Company during the first sixty (60) days of the immediately following Amended Contract Year a written termination notice that is identified as such and refers

*RV*

to this Section F.3.1(a) and then only if Good-O fails within sixty (60) days after receipt of such termination notice to (i) place an order which is large enough to cover the alleged deficiency for the immediately prior Amended Contract Year (amounts in excess of such deficiency shall count towards the Annual Minimum Purchase Commitment of the then-current Amended Contract Year) or (ii) set forth to Company why Good-O believes no such shortfall exists. Company may not terminate this Amended License Agreement if Good-O has a good faith belief, and so notifies Company in writing prior to ~~or during the~~ sixty (60) day notice period, that there is no shortfall or that any such shortfall is excused by reason of (i) a reason set forth in Section F.10.11 or (ii) a breach by Company of Company's obligations under this Amended License Agreement.

(b) All orders for Product Base shall be for at least 1,000 gallons. Each gallon of Product Base shall be adequate to produce at least 8,400 ounces of the Product in bottles or cans.

(c) All deliveries are F.O.B. a carrier designated by Good-O at the Port of San Juan, Puerto Rico. Unless otherwise designated by Good-O in writing, Company shall deliver one full container load of 5,520 gallons on the following dates in each Amended Contract Year: March 15, July 15, and November 15.

3.2 The price to be paid by Good-O to Company for Product Base sold by Company to Good-O during the first five (5) Amended Contract Years under this Amendment (i.e. before February 1, 2007) shall be as follow:

(a) Thirty dollars (\$30.00) per gallon for Product Base purchased in satisfaction of any Annual Minimum Purchase Commitment.

(b) Twenty dollars (\$20.00) per gallon for each gallon of Product Base in excess of the Annual Minimum Purchase Commitment.

(c) All prices and payments shall be in United States dollars.

3.3 If Company desires that the per gallon price for Product Base be increased, such proposed price increase shall be handled as follows:

(a) A proposed price increase shall be effective as of the commencement of the following Amended Contract Year; provided, however, that no price increase may be proposed which would be effective before February 1, 2007.

 (b) No proposed price increase shall exceed the amount of the then-current price per gallon for the Annual Minimum Purchase Commitment multiplied by the change in the Price Index in the twelve (12) months ending June 30 of the prior year (i.e. the change in the Price Index from July 1, 2007 until June 30, 2008 shall be used for the 2009-2010 Amended Contract Year).

(c) Company shall give Good-O notice of the proposed price increase between July 1 and August 31 in the Amended Contract Year immediately preceding the Amended Contract Year in which such increase is proposed to take effect.

(d) Good-O may object to such a proposed price increase by giving express written notice of such objection to Company; provided, however, that Good-O shall, in the absence of such an express notice of objection, be deemed to have given notice of such objection to Company if Good-O shall, following delivery of Company's notice of such proposed increase, tender to Company (in accordance with

*RH*

Section F.3.2 hereof) payment, in whole or in part, for any Product Base, which payment is calculated on the basis of a per gallon price which is less than the increased price proposed by Company in such notice to Good-O; provided further, however, that if Good-O shall so tender to Company payment, in whole or in part, for any Product Base (including payment in satisfaction of any minimum purchase requirements for Product Base, whether or not actually ordered), which payment is calculated on the basis of a per gallon price which is at least equal to the increased price proposed by Company in its notice to Good-O (unless said payment is specifically designated as having been made with reservation of right), Good-O shall be deemed thereby to have irrevocably consented to such increase and shall not thereafter be entitled (or deemed) to object thereto.

(e) If Good-O shall duly object (or be deemed to object) to such proposed price increase in accordance with the immediately preceding sentence, Company will discuss with Good-O the rationale behind such increase and the competitive impact and economic effect which such increase would likely have on Good-O and on the market for the Product; and if in such case the parties are unable, within thirty (30) days of Good-O's actual or constructive notice to Company of Good-O's objection to such proposed price increase, to agree on same, the parties hereby agree to submit to arbitration in the City of New York under the rules of the American Arbitration Association the issue of a reasonable price for the Product Base; provided that the per gallon price of the Product Base in effect hereunder for and each Amended Contract Year commencing on or after February 1, 2007, shall in no event be less than the price set forth in Section F.3.2 and no increase shall exceed the increase calculated pursuant to Section F.3.3(b).

RIH

3.4 Conditioned upon the timely delivery of Product Base by the Company no later than the dates set forth in Section F.3.1(c) above, the total payment for the Annual Minimum Purchase Commitment of Product Base in any Amended Contract Year shall be 16,560 multiplied by the agreed to price per gallon for the relevant Amended Contract Year, to be divided and paid in twelve (12) equal monthly installments, payable on the first day of the every month of the Amended Contract Year. If the first day of any calendar month is not a banking day in New York, New York, such payment shall be made on or prior to the first banking day thereafter. As an example, the first 16,560 gallons of Product Base in the first five Amended Contract Years shall be payable in twelve (12) monthly installments of \$41,400 (16,560, times \$30 per gallon divided by 12 months) on February 1, March 1, April 1, ..., January 2.

3.5 All Additional Purchases shall be filled by Company on a reasonable schedule set forth by Good-O. Payment for all such shipments shall be made in two equal parts, the first due on or before the date of delivery to the carrier designated by Good-O, and the second due thirty (30) days after such delivery.

3.6 Company shall pay all taxes arising from or relating to the Product Base prior to, and including, delivery to and payment therefore by Good-O, including any applicable value added or sales tax on such transaction (such taxes are deemed incorporated into the price paid by Good-O under this Agreement), or on Company's income. All other taxes imposed by any government on the use or possession after delivery of the Product Base, shall be borne by Good-O.

RH

3.7 The provisions of Section F.3.1 of this Amended License Agreement establishing the Annual Minimum Purchase Commitment of Good-O have been agreed to by the parties in lieu of all sales volume and other performance obligations. Thus, there shall be no requirements as to Good-O's efforts to be exercised in the promotion, sales volume, distribution and/or similar obligations pertaining to the Product, and no such requirements shall be implied under any circumstances.

E. Section F.9.1 is amended and restated to provide as follows:

9.1 Upon the happening of any one or more of the following events, in addition to all other rights and remedies, including the right to damages sustained, if any, Company shall have the right to cancel and terminate this License Agreement by written notice to Good-O.

(a) Subject to the more specific provisions of this Section F.9 with respect to particular breaches, failure of Good-O to perform or comply with any one or more of the material terms or conditions of this Amended License Agreement, which breach is not cured within sixty (60) days of receipt by Good-O of written notice from Company that refers this Section F.9.1(a) and specifies in reasonable detail the nature of the breach. If such breach is of a nature that it cannot reasonably be cured within sixty (60) days after receipt of such notice by Good-O, the Company may terminate this Agreement only if the Good-O fails to either (i) commence to cure such breach within such sixty (60) day period and thereafter to proceed diligently to cure such breach or (ii) if such breach is of a nature that it cannot be reasonably cured, Good-O fails to establish reasonable procedures to prevent reoccurrences. If the breach of a material provision of this Agreement with respect to which notice is given is the failure of the Good-O to

perform its obligations under this Agreement, such notice shall specify the location in the Territory in which the breach occurred. If the Good-O fails to cure such breach within such sixty (60) day period and also fails to commence to cure such breach or establish reasonable procedures to prevent reoccurrences as provided for above, Company may terminate this Agreement upon at least sixty (60) days prior written notice of such termination to the Good-O, unless within such period Good-O has advised Company that it is diligently seeking to dispose of its rights under this Agreement pursuant to Section F.9.7.

(b) Discontinuance in the entire Territory for any reason (other than the fault of Company) of distribution of the Product by Good-O for a period of thirty (30) consecutive days, except as provided in Section F.10.11 hereof;

(c) The insolvency of Good-O; or a general assignment by Good-O for the benefit of creditors; or the filing of a voluntary bankruptcy or reorganization petition or consent to such a petition by Good-O; or the failure of Good-O to vacate an involuntary bankruptcy or reorganization petition filed against Good-O within sixty (60) days from the date of such filing; or the failure of Good-O to vacate the appointment of a receiver or a trustee for Good-O, or any part or interest of its business, within sixty (60) days from the date of such appointment.

F. Section F.9.2 is deleted in its entirety and replaced with the following:

Any such transfer shall be subject to the approval of Company, subject to Section F.10.5. Company agrees in good faith to cooperate with Good-O's efforts to dispose of its rights under this Amended License Agreement.
