TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT (this "Assignment") is made and entered into as of August 28, 2006 (the "Effective Date") by and between ABL Holding Corporation, a Georgia corporation ("Assignor") and Carabella Corporation, a Delaware Corporation ("Assignee").

WHEREAS, Assignor, Assignee and certain other parties have heretofore entered into that certain Asset Purchase Agreement, dated as of August 18, 2006 (the "Agreement"), pursuant to which Assignee agreed to purchase from Assignor, and Assignor agreed to sell to Assignee, certain of the assets and properties owned or used by Assignor; and

WHEREAS, in connection with the Agreement, Assignor wishes to assign to Assignee, and Assignee wishes to acquire from Assignor, all Proprietary Rights (as defined in the Agreement) owned, leased, licensed or otherwise held by the Assignor, including, without limitation, the trademark registrations set forth on Schedule A attached hereto (collectively, the "Marks"); and

WHEREAS, Assignee is a successor to Assignor's business, and that business is ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor hereby sells, assigns, transfers and delivers to Assignee all of Assignor's right, title and interest in and to the Marks, for the United States and for all foreign countries, including, without limitation, any translations, adaptations, derivations and combinations thereof and renewals in connection therewith, together with the goodwill associated with any of the foregoing, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments arising therefrom, the right to sue and recover for past, present or future infringement, misappropriation or other unauthorized use of the Marks, and all corresponding rights that, now or hereafter, may be secured throughout the world.

Assignor hereby requests the United States Commissioner of Patents and Trademarks, and the corresponding entities or agencies in any applicable foreign countries, to record Assignee as the assignee and owner of the Marks.

Assignor shall, at Assignee's request, take all further actions, and provide Assignee, and Assignee's successors, assigns or other legal representatives, all such cooperation and assistance (including, without limitation, the execution and delivery of all affidavits, declarations, oaths, assignments, powers of attorney or other documentation) requested by Assignee to more fully and effectively effectuate the purposes of this Assignment.

IN WITNESS WHEREOF, Assignor and Assignee have caused this Trademark Assignment to be executed by their duly authorized representatives as of the Effective Date.
