## TRADEMARK SECURITY AGREEMENT

This TRADEMARK SECURITY AGREEMENT (this "Agreement"), dated as of August 31, 2006 between MAGELLAN NAVIGATION, INC., a Delaware corporation, with offices at 471 El Camino Real, Santa Clara, California 95050 ("Pledgor"), and WACHOVIA CAPITAL FINANCE CORPORATION (WESTERN), a California corporation, with an office at 251 South Lake Avenue, Suite 900, Pasadena, California 91101, in its capacity as administrative and collateral agent for the Lenders and the Bank Product Providers under the Financing Agreements (as defined below) ("Pledgee"). Capitalized terms not defined in this Agreement shall have the meanings ascribed to such terms in the Financing Agreements (as defined below).

### W I T N E S S E T H:

WHEREAS, Pledgor, certain affiliates of Pledgor, Pledgee and the Lenders have entered into that certain Loan and Security Agreement dated the date hereof (together with all agreements entered into in connection therewith, the "Financing Agreements"), pursuant to which Pledgee and Lenders have made and may in the future make certain loans and advances and extend credit to Pledgor, subject to the terms and provisions of the Financing Agreements; and

WHEREAS, in order to secure Pledgor's Obligations (as defined in the Financing Agreements) to Pledgee and the Lenders, Pledgor has agreed to grant Pledgee a security interest in the Trademark Collateral, as further set forth herein, and Pledgee has requested Pledgor to enter into this Agreement to evidence such security interest.

NOW THEREFORE, for valuable consideration received and to be received, Pledgor and Pledgee hereby agree as follows:

As security for the full payment and performance of Pledgor's Obligations, and to induce Pledgee to make loans and advances to Pledgor, Pledgor hereby grants to Pledgee a security interest in, the following, whether now owned or hereafter acquired (collectively, the "Trademark Collateral"):

- (a) the trademarks, trademark registrations, trademark applications and trade names set forth on Schedule 1 (the "Trademarks");
- (b) all trademarks, trademark registrations, trademark applications and trade names hereafter adopted or acquired and used, including, but not limited to, those which are based upon or derived from the Trademarks or any variations thereof (the "Future Trademarks");
- (c) all renewals of the foregoing;
- (d) all rights to sue for past, present, and future infringements of the foregoing; and

(e) all packaging, labeling, trade names, service marks, logos, and trade dress in Pledgor's inventory including or containing the Trademarks and Future Trademarks, or a representation thereof, or any variation thereof;

(f) all licenses and other agreements under which Pledgor is licensor, and all fees, rents, royalties, proceeds or monies thereunder, relating to the Trademarks and Future Trademarks and the use thereof; and

(g) all goodwill of Pledgor's business connected with, symbolized by or in any way related to the items set forth in clauses (a) through (f) above.

Notwithstanding the foregoing, the Trademark Collateral shall not include any rights or other interests of Pledgor that would be rendered invalid or unenforceable under applicable law by the grant of a security interest created pursuant to the terms of this Agreement or the Financing Agreements, including, without limitation, any intent-to-use trademark applications, for as long as such prohibition or reason for invalidity or unenforceability under applicable law exists.

At such time as Pledgor shall completely satisfy all of the Obligations, and the Financing Agreements have been terminated (other than indemnification and other contingent obligations not yet accrued at such time), other than upon enforcement of Pledgee's remedies under the Financing Agreements after an Event of Default, Pledgee will execute and deliver to Pledgor a release or other instrument as may be necessary or proper to release Pledgee's lien in the Trademark Collateral, subject to any dispositions thereof which may have been made by Pledgee pursuant hereto.

The validity, interpretation and enforcement of this Agreement and any dispute arising out of the relationship between the parties hereto, whether in contract, tort, equity or otherwise, shall be governed by the internal laws of the State of California but excluding any principles of conflicts of law or other rule of law that would cause the application of the law of any jurisdiction other than the laws of the State of California.

This Agreement may be executed in any number of counterparts, each of which shall be an original, but all of which taken together shall constitute one and the same agreement. Delivery of an executed counterpart of this Agreement by facsimile shall have the same force and effect as the delivery of an original executed counterpart of this Agreement. Any party delivering an executed counterpart of this Agreement by facsimile shall also deliver an original executed counterpart, but the failure to do so shall not affect the validity, enforceability or binding effect of this Agreement.

This Agreement is a supplement to, and is hereby incorporated into, the Financing Agreements and made a part thereof. Notwithstanding anything contained in this Agreement, in the event that any provisions of this Agreement are deemed to conflict or be inconsistent with the Financing Agreements, the provisions of the Financing Agreements shall govern.

\* \* \*

IN WITNESS WHEREOF, the parties have entered into this Agreement as of the date first above written.
