4.5 The Licensee shall within a reasonable time frame notify the Licensor in writing of any significant complaints received by the Licensee relating to the Parts together with all available details relating to that complaint. For the purposes of this clause a complaint will be significant if such complaint would cause substantial jeopardy to the value of the Marks.

- 5.5 The Licensee may give notice to the Licensor requiring it to take infringement proceedings if the Licensee reasonably believes that an infringement of the Marks in the Territory has occurred or it is likely to occur. If the Licensor indicates that it will not take such proceedings or proceedings are not taken by it within a reasonable time after receipt of the said notice by the Licensee, then the Licensee may (having the Licensor's prior written consent such consent not to be unreasonably withheld or delayed PROVIDED ALWAYS it will be reasonable for the Licensor to withhold consent if the giving of such consent would cause the Licensor to be in breach of any of the Restrictions), bring or carry on the proceedings in its own name (where possible) or in the name of the Licensor subject to the Licensee indemnifying the Licensor in respect of all costs, damages and expenses that it may as a result incur including any award of costs against it.
- 5.6 Where proceedings are taken under clause 5.5 relating to an infringement of the Marks which has or may have an impact on the Business, neither the Licensor nor the Licensee may settle or compromise the proceedings save on terms which have first been approved in writing by the other, such approval not to be unreasonably withheld or delayed. 8.1 This Agreement shall commence on the Commencement Date (save that clauses 2, 3, 4, 5, 6 and 7 will not come into force and effect until the Effective Date) and continue for a period of 100 (one hundred years) unless terminated earlier in accordance with Clause 8.2 below.

8.2 The Licensor may by written notice served on the Licensee terminate this Agreement immediately if:

8.2.1 the Licensee is in material and/or persistent breaches of clauses 2.7, 2.8, 2.9, 2.13, 4.1, 6.1, or 7.4, and has not remedied the breach within 45 Business Days after receipt by the Licensee of a notice in writing from the Licensor requiring such remedy;

8.2.2 a nominee or supervisor is appointed for the Licensee for a composition in satisfaction of its debts, or for a scheme of arrangement of its affairs for the benefit of its creditors as a whole;

- 8.2.6 after 30 days of being requested by the Licensor in writing to desist from doing so, the Licensee continues to oppose or directly or indirectly assist any third party to oppose the grant of any trade mark applied for by the Licensor for any of the Marks, or disputes or directly assists any third party to dispute the validity or necessity of any Marks; or
- 8.2.7 after 30 days of being requested by the Licensor in writing to desist from doing so, the Licensee continues to contest or dispute the Licensor's ownership of any of the Marks.
- 8.3 In the event of a material and/or persistent breach of this Agreement (other than a breach of the clauses referred to in clause 8.2.1 above) the parties shall in good faith discuss and agree a remedial plan for such breach and, if they cannot agree within 60 days of the Licensor's request to remedy such breach, the Licensor may acting reasonably stipulate a reasonable remedial plan which the Licensee shall implement forthwith. The parties acknowledge that breaches other than the material and/or persistent breaches referred to in 8.2.1 above shall not entitle the Licensor to terminate this Agreement. However this will not limit the Licensor's entitlement to any other remedies which it may have in respect of damages or injunctive relief.
- 8.4 Upon termination of this Agreement:
- 8.4.1 subject to clause 8.4.5 all rights granted to the Licensee in respect of the Marks shall immediately terminate and the Licensee shall forthwith cease and shall not recommence any use of the Marks whatsoever,
- 8.4.2 the Licensee shall execute such documents as may be reasonably requested by the Licensor in order to assign or transfer any goodwill or other interest that the Licensee may then have in any of the Marks;

8.4.7 the Licensee shall forthwith transfer the ownership into the name of the Licensor, of all URLs and domain names incorporating the Marks which are registered in the name of the Licensee subject to and save as may be reasonably necessary for the Licensee to retain in order to sell stocks of Parts under the 12 month sell off period referred to in clause 8.4.5 The Licensor shall reimburse all reasonable costs incurred by the Licensee registering such URLs and domain names and transferring them into the ownership and name of the Licensor.

8.5 Termination of this Agreement shall not affect any rights or liabilities arising under this Agreement prior to such termination.

## 9 Relationship of the Parties

Nothing contained in this Agreement, and no action taken by the parties pursuant to this Agreement, will be deemed to constitute a relationship between the parties of partnership, joint venture, principal and agent or employer and employee. Neither party has, nor may it represent that it has, any authority to act or make any commitments on the other party's behalf.

## 10 Severability

If any clause or part of this Agreement is found by any court, tribunal, administrative body or authority of competent jurisdiction to be illegal, invalid or unenforceable then that provision will, to the extent required, be severed from this Agreement and will be ineffective without, as far as is possible, modifying any other clause or part of this Agreement and this will not affect any other provisions of this Agreement which will remain in full force and effect unless the substantive purpose of this Agreement is then frustrated, in which case either party may terminate this Agreement on written notice to the other.

## 11 Assignment

11.1 Subject to the remaining parts of this clause, neither the Licensor or the Licensee may without the prior written consent of the other assign, license, hold on trust, or otherwise deal with, transfer or dispose of this Agreement (whether in whole or in part) and anything purported or attempted to be done without such consent shall be void.

11.2 The Licensor may at any time assign all or part of the benefit of, or its right or benefits under the Agreement.

11.3 Nothing in this Agreement shall prevent the Licensor (i) disposing of the Marks and assigning this Agreement to the assignee of the Marks and (ii) the benefit of this Agreement to any Affiliate provided that if such Affiliate ceases to be an Affiliate this Agreement shall automatically revert to the Licensor.

- 11.4 The Licensee may assign, license, hold on trust, or otherwise deal with, transfer or dispose of the benefit of this Agreement (i) to any Affiliate provided that if such Affiliate ceases to be an Affiliate this Agreement shall automatically revert to the Licensee or (ii) to any purchaser of all or substantially all of the assets of the Business as then operated by the Licensee provided that the Licensee has first notified the Licensor of the identity of the Purchaser and the Licensor, acting reasonably, has not objected to such assignment.
- 11.5 Both the Licensor and the Licensee may without restriction sub-contract their obligations under this Agreement as each may see fit without the consent of the other party. For the avoidance of doubt the appointment of a sub-contractor shall not relieve the party appointing the sub-contractor from any liability or obligation under this Agreement and the party appointing the sub-contractor shall be fully responsible for the performance by the sub-contractor of the obligations under this Agreement.
- 11.6 This Agreement shall, under the jurisdiction of England and Wales, be binding on the successors and permitted assigns of the Licensor or the Licensee respectively.
- 11.7 The provisions of this Agreement shall be binding on any successor in title of the parties.

## 12 Governing Law and Jurisdiction

- 12.1 The formation, existence, construction, performance, validity and all aspects whatsoever of this Agreement or of any term of this Agreement will be governed by the laws of England and all disputes shall be subject to the non exclusive jurisdiction of the English courts.
- 12.2 Both parties irrevocably agree that a judgement or order of any court referred to in this clause is conclusive and binding upon it and may be enforced against it in the courts of any other jurisdiction.

## 13 Notices

- 13.2 Any such demand, notice or other communication will, if otherwise given or made in accordance with this clause 13, be deemed to have been duly given or made as follows:

provided however that, if it is delivered by hand or by courier or sent by facsimile on a day which is not a Business Day or after 4 p.m. on a Business Day, it will instead be deemed to have been given or made on the next Business Day.

13.3 Any such demand, notice or other communication will, in the case of service by post, delivery by hand or by courier, be addressed (subject as provided in this clause 13) to the recipient at the recipient's address stated below or at such other address as may from time to time be notified in writing by the recipient to the sender as being the recipient's address for service and in the case of service by fax, be sent to the recipient's fax number as set out below

## Schedule 2 The Restrictions

1. The Licensor and its licensees may not use any Trade Mark incorporating the name "Rover" (a "Rover Name Mark") on or in relation to any sports utility, four-by-four or all-wheel drive vehicle, mini-van, truck, any vehicle having an off-road capability or any vehicle in which incorporates any of the features or characteristics specified in Schedule 3 of the Rover Trade Mark Licence Agreement dated 9 May 2000 between the Licensor and the MG Rover Group Limited (as amended).
  
2. The Licensor agrees to co-operate and do whatever is reasonably necessary to ensure that confusion between the products and services in relation to which the trade mark Land Rover (the "Land Rover Trade Mark") and the Rover Name Marks are used is avoided. Without limitation to this general obligation to avoid confusion:
  - (a) the Licensor and its licensees may not use or apply to register the Rover Name Marks for use on or in relation to any product or service or as a trading, business or company name such that:
    - any other word appears in front of the word "Rover" (except for MG ROVER); or
    - any from the list of proscribed words referred to below appear after the name "Rover".
  
  - (b) the Licensor shall ensure that any trade mark or trade name incorporating the word "Rover" developed or used by the Licensor or any of its licensees on or in relation to any product or service or as a trading, business or company name represents the word "Rover" in a type style or format distinct from that used by Land Rover;
  
  - (c) any use by the Licensor or its licensees of the Rover Name Marks on the internet or on their website or in a domain name or a URL shall be in accordance with restrictions as set out above.

3. The Licensor may not transfer any rights in the Rover Name Marks to a third party without the consent of Land Rover.
4. The Licensor shall provide Land Rover with all assistance reasonably required in respect of the ongoing protection and maintenance in the name of Land Rover of the Land Rover Trade Mark including where necessary transferring Rover Name Marks to Land Rover where the rules of a relevant Trade Mark Registry will not allow separate ownership.
5. The Licensor may not object to any registration or application for registration by Land Rover of the word "Rover" in combination with any other mark.
6. If neither the Licensor nor any of its licensees has used the Rover Name Marks in a particular jurisdiction for a period of 5 years (or a lesser period likely to jeopardise the validity of registrations of applications in such jurisdiction) and such non-use may affect Land Rover's ability to protect the validity of or enforce its rights in the Land Rover Trade Mark, the Licensor shall assign such trade marks to Land Rover.
7. If the Licensor becomes aware that the Licensee intends or is likely to cease or has ceased use of the Rover Name Marks, it will enter into good faith and negotiations in respect of the assignment of the Rover Name Marks to Land Rover. In such circumstances and in all cases where the Licensor assigns Rover Name Marks to Land Rover, Land Rover will grant an exclusive royalty-free, irrevocable licence to the Licensor (including the right to sub-licence) the use of the Rover Name Marks in the relevant jurisdiction subject to all the restrictions in respect of the use of the Rover Name Marks set out in the Co-Existence Agreement dated 30 June 2000 between Land Rover and the Licensor.
8. The Licensor and Land Rover agree to co-operate in infringement proceedings.
