5.1 Disposition of Collateral. Grantor shall not sell, lease, assign, transfer or otherwise dispose of any of the Collateral, or contract to do so. Grantor shall not, without Grantee's prior written consent, enter into any agreement or amend, alter or modify any existing agreement, including, without limitation, any license, related to any or all of the Collateral. Grantor also agrees to maintain the quality of any and all merchandise and/or services in connection with which the Trademarks are used, substantially consistent with or better than the quality of said merchandise and/or services as of the date hereof.

Grantor hereby authorizes Grantee to modify this Security Agreement by amending Schedules A and B to include any future Copyrights, Patents, Trademarks or Licenses that are Collateral under Section 2 above. Grantee will make good faith efforts to provide copies of such amended Schedules A and B to Grantor, provided that, Grantee's failure to provide such copies shall not constitute a breach of this Agreement nor render such amendments ineffective. In addition to any requirements in this Security Agreement for notification, Grantor shall also provide Grantee with quarterly reports that identify the status of the Collateral, any new Copyrights, Patents, Trademarks and/or Licenses, any newly filed applications, the status of any pending applications, the payment of any maintenance or renewal fees, the status of Litigation and licensing, any threats of Litigation, the identification of any known or suspected infringers and the discovery of any prior art or any other information that may affect the validity or enforceability of the Collateral.

5.7 Defense of Intellectual Property. Grantor shall (i) protect, defend and maintain the validity and enforceability of all material current and future Copyrights, Patents and Trademarks, (ii) use its commercially reasonable efforts to detect material infringements of such Copyrights, Patents and

Grantor shall not commence, or cause to be commenced, any action, proceeding, lawsuit, mediation or arbitration relating to the Collateral without the prior written consent of Grantee, such consent not to be unreasonably withheld or delayed, nor shall Grantor engage in any activity or conduct that could give rise to declaratory judgment jurisdiction. At Grantor's sole expense, Grantee shall have the right (but shall not be obligated) to select counsel and/or participate in any action, proceeding, lawsuit, mediation or arbitration that could adversely affect the rights in, validity or enforceability of the Collateral. At any time and from time to time, upon the written reasonable request of Grantee, and at the sole expense of Grantor, Grantor shall promptly and duly execute and deliver any and all such further instruments and documents (including, without limitation, control agreements) and take such further action as Grantee may reasonably deem necessary or desirable to obtain the full benefits of this Security Agreement, including, without limitation, facilitating the filing of UCC-1 Financing Statements in all applicable jurisdictions and this Security Agreement (and any amendment hereto) or any other document that Grantee may reasonably deem necessary, including, without limitation, any filing described in **Schedule D** or any other collateral assignment, (and any amendments thereto) with the United States Copyright Office, Patent and Trademark Office and/or the state or foreign equivalents of these offices, as applicable.

5.9 Right of Inspection and Audit. Upon reasonable notice to Grantor (unless an Event of Default has occurred and is continuing, in which case no notice is necessary), Grantee shall at all times have full and free access during normal business hours (or during an Event of Default at any time) to all the books, records, correspondence, office, facilities and operations of Grantor, including, without limitation, Grantor's quality control processes, and Grantee or any agents or representatives of Grantee may examine the same, take extracts therefrom and make photocopies thereof, and Grantor agrees to render to Grantee, at Grantor's cost and expense, such clerical and other assistance as may be reasonably requested with regard thereto, provided, however, that (unless an Event of Default has occurred and is continuing) (a) Grantor shall have the right to be present during Grantee's examination and (b) such examination shall not unreasonably interfere with the conduct of Grantor's business. Notwithstanding the foregoing, not more than three (3) inspections each calendar year shall be at Grantor's expense, unless an Event of Default has occurred and is continuing, in which case all such inspections conducted while an Event of Default is continuing shall be at Grantor's expense.

5.10 Continuous Perfection. Grantor shall not change its name, identity, corporate structure, jurisdiction of organization or corporation identification number in any manner which might make any financing or continuation statement filed in connection herewith seriously misleading within the meaning of Section 9-506 of the UCC (or any other then applicable provision of the UCC) unless Grantor gives Grantee thirty (30) days prior written notice thereof and takes all action necessary or reasonably requested by Grantee to amend such financing statement or continuation statement so that it is not seriously misleading.

5.11 Power of Attorney. Effective only upon the occurrence and during the continuation of an Event of Default, Grantor hereby irrevocably appoints Grantee (and any of Grantee's designated officers or employees) as Grantor's true and lawful attorney to in accordance with the terms hereof: (a) send requests for verification of Accounts and Licenses or notify account debtors or licensees of Grantee's security interest in the Accounts and Licenses; (b) endorse Grantor's name on any checks or other forms of payment or security that may come into Grantee's possession in connection with the

Grantor hereby irrevocably appoints Grantee (and any of Grantee's designated officers or employees) as Grantor's true and lawful attorney to and in accordance with the terms hereof: (x) file, in its sole discretion, one or more financing or continuation statements and amendments thereto, relative to any of the Collateral without the signature of Grantor where permitted by law; and (y) with respect to the Trademarks, file a copy of this Security Agreement with the U.S. Patent and Trademark Office. The appointment of Grantee as Grantor's attorney in fact, and each and every one of Grantee's rights and powers, being coupled with an interest, is irrevocable until all of the Secured Obligations have been fully repaid and performed and Grantee's obligation to provide financial accommodations under the Loan Documents is terminated. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue of this Security Agreement.

6. RIGHTS AND REMEDIES UPON DEFAULT.

6.1 If any Event of Default shall occur and be continuing, Grantee may exercise in addition to all other rights and remedies granted to it under this Security Agreement and under any other instrument or agreement securing, evidencing or relating to the Secured Obligations, all rights and remedies of a secured party under the UCC. Without limiting the generality of the foregoing, Grantor expressly agrees that in any such event, and during the existence and continuation of an Event of Default, Grantee, without demand of performance or other demand, advertisement or notice of any kind (except the notice specified below of time and place of public or private sale) to or upon Grantor or any other Person (all and each of which demands, advertisements and notices are hereby expressly waived to the maximum extent permitted by the UCC and other applicable law), may forthwith maintain collect, receive, appropriate and realize upon the Collateral, or any part thereof, and may forthwith sell, lease, license, assign, give an option or options to purchase or sell or otherwise dispose of and deliver said Collateral (or contract to do so), or any part thereof (consistent with any enforceable restrictions in Licenses to Grantor), in one or more parcels at public or private sale or sales, at any exchange or broker's board or at any of Grantee's offices or elsewhere at such prices as it may deem best, for cash or on credit or for future delivery without assumption of any credit risk. Grantee shall have the right upon any such public sale or sales, and, to the extent permitted by law, upon any such private sale or sales, to purchase the whole or any part of said Collateral so sold, free of any right or equity of redemption, which equity of redemption Grantor hereby releases. During the period of any Event of Default, all use of the Trademarks by Grantor shall inure to the benefit of Grantee. Grantee shall apply the net proceeds of any such

collection, recovery, receipt, appropriation, realization or sale as provided in **Section 6.4** hereof, Grantor remaining liable for any deficiency remaining unpaid after such application, and to the extent required by the UCC, only after so paying over such net proceeds and after the payment by Grantee of any other amount required by any provision of law, need Grantee account for the surplus, if any, to Grantor. To the maximum extent permitted by applicable law, Grantor waives all claims, damages, and demands against Grantee arising out of the repossession, retention or sale of the Collateral except such as has been finally determined by a court of final jurisdiction to have been caused by the gross negligence or willful misconduct of the Grantee. Grantor agrees that Grantee need not give more than ten (10) days' notice (which notification shall be deemed given when mailed or delivered on an overnight basis, postage prepaid, addressed to Grantor at its address set forth on the signature page hereof) of the time and place of any public sale or of the time after which a private sale may take place and that such notice is reasonable notification of such matters. Grantor shall remain liable for any deficiency if the proceeds of any sale or disposition of the Collateral are insufficient to pay all amounts to which Grantee is entitled, Grantor also being liable for the reasonable fees of any attorneys employed by Grantee to collect such deficiency.

6.2 Grantor also agrees to pay all fees, costs and expenses of Grantee, including, without limitation, reasonable attorneys' fees, reasonably incurred in connection with the enforcement of any of its rights and remedies hereunder.

6.3 Grantor hereby waives presentment, demand, protest or any notice (to the maximum extent permitted by applicable law) of any kind in connection with this Security Agreement or any Collateral.

SECOND, to Grantee in an amount equal to the then unpaid Secured Obligations; and

FINALLY, upon payment in full of the Secured Obligations, to Grantor or its representatives, in accordance with the UCC or as a court of competent jurisdiction may direct.

7. GRANTEE'S RIGHT TO SUE. From and after the occurrence and during continuation of an Event of Default, Grantee shall have a right, but shall in no way be obligated, to bring suit for past, present and future damages in its own name and for its own benefit to enforce the Copyrights, Patents, Trademarks and Licenses, and if Grantee commence any such suit, Grantor shall, at the request of Grantee, use commercially reasonable efforts to do any and all lawful acts and execute any and all proper documents required by Grantee in aid of such enforcement.

8. LIMITATION ON GRANTEE'S DUTY IN RESPECT OF COLLATERAL. Grantee shall deal with the Collateral in the same manner as it deals with similar property for its own account. Grantee shall be deemed to have acted reasonably in the custody, preservation and disposition of any of the Collateral if it takes such action as Grantor requests in writing, but failure of Grantee to comply with any such request shall not in itself be deemed a failure to act reasonably and no failure of Grantee to do any act not so requested shall be deemed a failure to act reasonably.

9. MISCELLANEOUS.

9.1 No Waiver; Cumulative Remedies.

9.1.1 Grantee shall not by any act, delay, omission or otherwise be deemed to have waived any of its respective rights or remedies hereunder, nor shall any single or partial exercise of any right or remedy hereunder on any one occasion preclude the further exercise thereof or the exercise of any other right or remedy.

9.1.2 The rights and remedies hereunder provided are cumulative and may be exercised singly or concurrently and are not exclusive of any rights and remedies provided by law. Grantor acknowledges and agrees that this Security Agreement is not intended to limit or restrict in any way the rights and remedies of Grantee but rather is intended to facilitate the exercise of such rights and remedies. Grantee shall have, in addition to all other rights and remedies given it by the terms of the Security Agreement, all rights and remedies allowed by law and the rights and remedies of a secured party under the UCC. Recourse to security will not be required at any time.

In the event that any payment, or any part thereof, is avoided, rescinded, reduced, restored or returned, the Secured Obligations and the security interests granted herein shall be reinstated and the Secured Obligations shall be deemed reduced only by such amount paid and not so avoided, rescinded, reduced, restored or returned. The provisions of this Section 9.2.2 shall survive repayment of all of the Secured Obligations, and the termination of this Security Agreement in any manner.

9.3 **Successor and Assigns.** This Security Agreement and all obligations of Grantor hereunder shall be binding upon the successors and permitted assigns of Grantor, and shall, together with

the rights and remedies of Grantee hereunder, inure to the benefit of Grantee, any future holder of any of the Secured Obligations and their respective successors and assigns. Grantee may, without cost or expense to Grantor, assign all or any part of, or any interest (undivided or divided) in, Grantee's rights and benefits under this Security Agreement including, without limitation, the right, title or interest in and to the Collateral. To the extent of any assignment by Grantee, the assignee shall have the same rights and benefits against Grantor hereunder as it would have had if such assignee were Grantee. Grantor may not assign this Security Agreement without the prior written consent of Grantee, which consent may be granted or withheld at the sole discretion of Grantee. No sales of participations, other sales, assignments, transfers or other dispositions of any agreement governing or instrument evidencing the Secured Obligations or any portion thereof or interest therein shall in any manner affect the Lien granted to Grantee hereunder.

9.4 Notices. All notifications and other communications permitted or required under this Agreement shall be in writing. Notices shall be effective upon delivery if delivered to the party entitled to receive the same by hand, or five days after deposit if deposited in the United States Mail (Certified Mail, Postage Prepaid, Return Receipt Requested), or one Business Day after deposit with a nationally recognized overnight courier, specifying next day delivery with written verification of receipt, addressed to such party at the address set forth on the signature page hereof.

9.5 Counterparts. This Security Agreement may be executed in any number of separate counterparts, each of which, when so executed, shall be deemed an original, and all of said counterparts taken together shall be deemed to constitute but one and the same instrument.

9.6 Severability. If any provision of this Security Agreement is held to be unenforceable under applicable law for any reason, it shall be adjusted, if possible, rather than voided in order to achieve the intent of the parties to the extent possible. In any event, all other provisions of this Security Agreement shall be deemed valid and enforceable to the fullest extent possible under applicable law.

Limitations found in the current FedEx Service Guide apply. Your right to recover from FedEx for any loss, including intrinsic value of the contents, is limited to the actual declared value. Recovery cannot exceed actual documented loss. Maximum for items of extraordinary value, e.g., jewelry, precious metals, negotiable instruments and other items listed in our Service Guide. Written claims must be filed within strict time limits. Consult the applicable FedEx Service Guide for details.
