"ARTICLE ONE

The name of the corporation is Newbridge Information Services, Inc."

ARTICLE 3

Article Four of the Articles is hereby amended to increase the number of authorized shares of no par common stock from 5,000,000 shares to 20,000,000 shares of capital stock with 15,000,000 to be designated as no par common stock and 5,000,000 to be designated as preferred stock with a par value of one cent (\$.01) and shall read in its entirety as follows:

"ARTICLE FOUR

The Corporation shall have authority to issue 20,000,000 shares of capital stock as follows: 15,000,000 shares of no par common stock and 5,000,000 shares, par value of one cent (\$.01), of preferred stock (the "Preferred Stock").

The preferences, limitations and relative rights of the Preferred Stock, and the express grant of authority to the Board of Directors, without shareholder action, to amend these Articles to divide the authorized shares of Preferred Stock into series, to establish and modify preferences, limitations and relative rights of each share of Preferred Stock and to otherwise impact the capitalization of the Corporation as permitted by the TBCA, are as follows:

RECORDED & INDEXED

(i) to designate and determine, in whole or in part, the preferences, limitations and relative rights, within the limits set forth in the TBCA, of the Preferred Stock before the issuance of any shares of Preferred Stock;

(ii) to create one or more series of Preferred Stock, fix the number of shares of each such series (within the total number of authorized shares of Preferred Stock available for designation as a part of such series) and designate and determine, in whole or in part, the preferences, limitations and relative rights of each series of Preferred Stock, within the limits set forth in the TBCA, all before the issuance of any shares of such series;

(iii) to alter or revoke the preferences, limitations and/or relative rights granted to or imposed upon the Preferred Stock before the issuance of any shares of Preferred Stock, or upon any wholly-unissued series of Preferred Stock; or

(iv) to increase or decrease the number of shares constituting any series of Preferred Stock, the number of shares of which was originally fixed by the Board of Directors, either before or after the issuance of shares of the series; provided, however, that the number of shares may not be decreased below the number of shares of such series then outstanding or increased above the total number of authorized shares of Preferred Stock available for designation."
