8. FURTHER ASSURANCES: ATTORNEY FACT.

8.1 On a continuing basis, Debtor will, subject to any prior licenses, encumbrances and restrictions and prospective licenses, make, execute, acknowledge and deliver, and file and record in the proper filing and recording places in the United States, all such instruments, including appropriate financing and continuation statements and collateral agreements and filings with the United States Patent and Trademark Office and the Register of Copyrights, and take all such action as may reasonably be deemed necessary or advisable, or as requested by Administrative Agent, to perfect Administrative Agent's security interest in all Copyrights, Patents, Trademarks, and Mask Works and otherwise to carry out the intent and purposes of this IP Security Agreement, or for assuring and confirming to Administrative Agent the grant or perfection of a security interest in all Intellectual Property Collateral.

8.2 Debtor hereby irrevocably (until the Obligations are paid in full and the Revolving Commitments have been terminated) appoints Administrative Agent as Debtor's attorney-in-fact, with full authority in the place and stead of Debtor and in the name of Debtor, Administrative Agent or otherwise, from time to time in Administrative Agent's discretion, upon Debtor's failure or inability to do so, to take any action and to execute any instrument which Administrative Agent may deem necessary or advisable to accomplish the purposes of this IP Security Agreement, including:

(a) To modify, in its sole discretion, this IP Security Agreement without first obtaining Debtor's approval of or signature to such modification by amending Exhibit A, Exhibit B, Exhibit C, and Exhibit D hereof, as appropriate, to include reference to any

right, title or interest in any Copyrights, Patents, Trademarks or Mask Works acquired by Debtor after the execution hereof or to delete any reference to any right, title or interest in any Copyrights, Patents, Trademarks, or Mask Works in which Debtor no longer has or claims any right, title or interest; and

10.6 Possession of Collateral. Administrative Agent, without a breach of the peace, may enter any of the premises of Debtor and search for, take possession of, remove, keep or store any or all of the Collateral. If Administrative Agent seeks to take possession of any or all of the Collateral by court process, Debtor irrevocably and unconditionally agrees that a receiver may be appointed by a court for such purpose without regard to the adequacy of the security for the Obligations. Administrative Agent shall have the right to remain on Debtor's premises or cause a custodian to remain thereon in exclusive control of such premises without charge for as long as Administrative Agent deems necessary in order to complete the enforcement of its rights under this IP Security Agreement. If Administrative Agent seeks possession of any or all of the Collateral by court process, Debtor irrevocably waives (a) any bond and any surety or security relating thereto required by any statute, court rule or otherwise as an incident or condition to such possession; (b) any demand for possession prior to the commencement of any suit or action to recover possession; and (c) any requirement that Administrative Agent retain possession of and not dispose of such Collateral until after trial or final judgment.

All of Administrative Agent's rights and remedies with respect to the Intellectual Property Collateral shall be cumulative.

11. INDEMNITY.

Debtor agrees to defend, indemnify and hold harmless Administrative Agent and Lenders and their officers, employees, and Administrative Agents against: (a) all obligations, demands, claims, and liabilities claimed or asserted by any other party related to or in connection with the transactions contemplated by this IP Security Agreement or the Collateral, and (b) all losses or expenses in any way suffered, incurred, or paid by Administrative Agent and Lenders as a result of or in any way arising out of, following or consequential to the transactions between Administrative Agent and Lenders and Debtor under this IP Security Agreement or the Collateral

12.16 Successors. This IP Security Agreement shall be binding upon and inure to the benefit of Debtor and the Administrative Agent and their respective permitted successors and assigns.

12.17 Counterparts. This IP Security Agreement may be executed in two or more counterparts, each of which shall be deemed an original but all of which together shall constitute the same instrument.
