## ARTICLE I ASSIGNMENT

In consideration of and pursuant to the terms of the Loan Agreement and each of the other Financing Documents, and for other good, valuable and sufficient consideration, the receipt of which is hereby acknowledged, and to secure all of the Obligations (including, without limitation, the Assignor's obligations and liabilities under the Guaranty and the Borrower's obligations and liabilities under the Loan Agreement), the Assignor hereby grants, assigns and conveys to the Lender all of its present and future right, title and interest in and to, and grants to the Lender a security interest in, Lien on, and collateral assignment of the Trademarks, together with all the goodwill of the Assignor associated with and represented by the Trademarks and any registration therefor, and the right (but not the obligation) to sue for past, present and future infringements, and the proceeds thereof, including, without limitation, license royalties and proceeds of infringement suits and all rights corresponding thereto throughout the world.

The foregoing grant, security interest and assignment is a present grant of a collateral assignment and, upon the occurrence of an Event of Default and notice to the Assignor from the Lender, and subject to the filing with and notice to the United States Patent and Trademark Office, shall become an absolute assignment in favor of the Lender or in favor of such person as the Lender may designate, and may be the subject of such confirmatory instruments as the Lender may elect, which instruments shall be conclusive evidence of the Event of Default and absolute assignment.

## ARTICLE II REPRESENTATIONS AND WARRANTIES

### Section 2.1 Trademark Existence.

The Assignor represents and warrants to the Lender, and shall be deemed to represent and warrant to the Lender at the time a Loan is made or a letter of credit is issued, that based on the records of the United States Patent and Trademark Office and any state trademark offices and on the Assignor's knowledge:

2.1.1 The registered Trademarks are subsisting and have not been adjudged invalid or unenforceable in the United States or in the jurisdictions in which they are registered.

2.1.2 Each of the registered Trademarks is valid and enforceable in the United States or in the jurisdictions in which it is registered.

2.1.3 Except as set forth on SCHEDULE B to this Assignment, the Assignor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to the Trademarks, in the United States or in the jurisdictions in which it is registered,

each of the Trademarks is free and clear of any Liens, licenses, and other encumbrances including, without limitation, covenants by the Assignor not to sue third persons.

2.1.4 The Assignor has the right to enter into this Assignment and perform its terms.

### ARTICLE III COVENANTS AND AGREEMENTS

#### Section 3.1 New Agreements, Trademarks and Consents.

The Assignor covenants that until all the Obligations have been paid and performed in full, all Commitments have been terminated or have expired and all letters of credit have been cancelled or have expired:

3.1.1 It will not enter into any agreement, including without limitation, license agreements that would have a material adverse effect on the Lender's rights under this Assignment.

3.1.2 It will exercise reasonable supervision over each of its present and future employees, agents and consultants which will enable the Assignor to comply with the covenants herein contained.

3.1.3 If the Assignor acquires rights to any new Trademarks, the provisions of this Assignment shall automatically apply thereto and the Assignor shall give the Lender prompt written notice thereof along with an amended SCHEDULE A.

3.1.4 The Assignor shall, at the Lender's request, obtain consents to this Assignment where the Assignor's right to assign any Trademarks requires such consent.

#### Section 3.2 Maintenance.

3.2.1 The Assignor hereby covenants and agrees to maintain the Trademarks in full force and effect until all of the Obligations are satisfied in full, all Commitments have been terminated or have expired and all letters of credit have been cancelled or have expired.

3.2.2 The Assignor shall have the duty to (a) prosecute diligently any trademark application that is part of the Trademarks pending as of the date of this Assignment or thereafter to the extent the value of such application in the Assignor's business justifies such prosecution until the Obligations shall have been satisfied in full, all Commitments have been terminated or have expired and all letters of credit have been cancelled or have expired, (b) preserve and maintain all rights in such applications and/or Trademarks including but not limited to the payment of registration and renewal fees, if any and (c) upon reasonable written request of the Lender, to make federal application for registration of registerable but unregistered trademarks to the extent the value of such application in the Assignor's business justifies such application for registration. Any expenses incurred in connection with such applications shall be part of the Enforcement Costs. The Assignor shall not abandon any Trademark or any pending

application for trademark registration, without the consent of the Lender (not to be unreasonably withheld).

3.2.3 Prior to an Event of Default, the Assignor shall have the right to bring suit in its own name to enforce the Trademarks, in which event the Lender may, if necessary, at the Assignor's sole expense, be joined as a nominal party to such suit if the Lender shall have been satisfied that it is not thereby incurring any risk of liability because of such joinder. If suit is brought subsequent to an Event of Default, the Assignor shall promptly, upon demand, reimburse and indemnify the Lender for all damages, costs and reasonable expenses, including attorneys' fees, as they arise incurred by the Lender in the fulfillment of the provisions of this paragraph.

3.2.4 If the Assignor fails to comply with any of its obligations hereunder in any material respect, the Lender may do so in the Assignor's name or in the Lender's name, but at the Assignor's expense, and the Assignor hereby agrees to reimburse and indemnify the Lender in full for all reasonable expenses, including reasonable attorneys' fees, incurred by the Lender in protecting, defending and maintaining the Trademarks.

3.2.5 The Assignor will continue to use, for the duration of this Assignment, proper statutory identification in connection with its use of the Trademarks.

3.2.6 The Assignor will continue to meet for the duration of this Assignment, consistent standards of quality in its manufacture of products sold under the Trademarks comparable to the standards met by Assignor prior to the date of this Assignment.

### Section 3.3 Fees and Expenses.

The Assignor agrees to pay to the Lender upon demand as part of the Enforcement Costs, any and all reasonable fees, costs and expenses, of whatever kind or nature, including attorney's fees and legal expenses incurred by the Lender in connection with the preparation of this Assignment and of all other documents relating hereto and the consummation of this transaction, the filing or recording of any documents (including all taxes in connection therewith) in public offices, the payment or discharge of any taxes, counsel fees, maintenance fees, encumbrances or costs otherwise incurred in protecting, maintaining or preserving the Trademarks, or in enforcing the Lender's rights therein or in defending or prosecuting any actions or proceedings arising out of or related to the Trademarks, shall be borne and paid by the Assignor on demand by the Lender.

## ARTICLE IV EVENTS OF DEFAULT; RIGHTS AND REMEDIES

### Section 4.1 Assignor Use.

Prior to an Event of Default (a) the Assignor shall have an exclusive nontransferable right and license to use the Trademarks and (b) the Lender shall have no right to use the Trademarks or issue any exclusive or non-exclusive license under the Trademarks, or assign, pledge or otherwise transfer title in the Trademarks to any other party. The Assignor agrees not to sell or assign its interest in, or grant any sublicense (outside of the ordinary course of Assignor's

business) under, or allow any Lien to attach to the license granted to the Assignor in this Section, without the prior written consent of the Lender.

For such purposes, and in the event of an Event of Default hereunder or in the Obligations, the Assignor upon the occurrence of an Event of Default hereby authorizes and empowers the Lender to make, constitute and appoint any officer of Lender as the Lender may select, in its exclusive discretion, (with full power of substitution and delegation, in its exclusive discretion), as the Assignor's true and lawful attorney-in-fact, with the power, without notice to the Assignor, to endorse the Assignor's name on all applications, documents, papers and instruments in the name of the Lender or in the name of the Assignor or otherwise, for the use and benefit of the Lender to use the Trademarks or to grant or issue any exclusive or non-exclusive license under the Trademarks to anyone else, or necessary for the Lender to assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone else. This power of attorney shall be irrevocable for the life of this Assignment, the Loan Agreement, the Financing Documents and other obligations and until all of the Obligations to the Lender are satisfied in full and all Commitments and letters of credit have been terminated or otherwise have expired.
