ASSIGNMENT OF TRADEMARKS

WHEREAS, Large Scale Biology Corporation, a corporation organized and existing under the laws of the State of Delaware, having an address at 3333 Vaca Valley Pkwy, Suite 1000, Vacaville, CA 95688 (hereinafter "Assignor"), has adopted, used and is the owner of the trademarks and trademark registrations and applications therefore in the United States and worldwide as shown on the accompanying Schedule "A", which is incorporated herein by reference (hereinafter "the Trademarks"), and the goodwill of the business symbolized thereby;

WHEREAS, United BioSource Corporation, a corporation organized and existing under the laws of the State of Delaware, having a principal place of business at 7501 Wisconsin Avenue, Suite 705, Bethesda Maryland 20814 (hereinafter "Assignee") desires to acquire the Trademarks and the good will of the business symbolized thereby; and

WHEREAS, Assignor is willing to transfer the Trademarks to Assignee subject to the conditions set forth herein and in the Asset Purchase Agreement entered into between the parties.

NOW, THEREFORE, in consideration of the mutual covenants set forth in the Asset Purchase Agreement entered into between the parties on this same date, and in further consideration of \$25,000 paid by Assignee to Assignor, and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor does hereby sell, assign, transfer and set over unto Assignee all right, title and interest in and to the Trademarks, together with the good will of the business symbolized thereby and the right to sue for past, present and future infringement thereof..

For a period of one year from the date of the execution of this Assignment of Trademarks, Assignee grants a nonexclusive royalty free license for the continued use of the

Trademarks by the Assignor and its wholly-owned affiliates as the Trademarks were used prior to that date.

IN WITNESS WHEREOF, Assignor has caused this instrument to be signed by its duly authorized representative this 11 day of September, 2006.
