TRADEMARK SECURITY AGREEMENT

THIS TRADEMARK SECURITY AGREEMENT (the "Agreement") made as of this 1st day of October, 2006 by DESGRIPPES GOBE INTERNATIONAL HOLDINGS, INC., a Delaware corporation ("Grantor"), in favor of Heller Financial, Inc., a Delaware corporation, in its capacity as Agent for the Lenders party to the Credit Agreement (defined below) ("Grantee"):

W I T N E S S E T H

WHEREAS, Desgrippes Gobe Group, Inc., a Delaware corporation and the majority owner of Grantor ("Borrower"), and Grantee are parties to a certain Amended and Restated Credit Agreement dated as of April 19, 2004 (as amended or otherwise modified from time to time, the "Credit Agreement") providing for the extensions of credit made to Borrower by Lenders;

WHEREAS, Grantor has executed and delivered to Grantee a Subsidiary Guaranty dated as of September 20, 2000, as reaffirmed and amended by that certain Reaffirmation and Amendment dated as of April 19, 2004 (as the same has been, and may be further amended, supplemented or otherwise modified from time to time, the "Guaranty"), pursuant to which Grantor has agreed to guaranty for the benefit of Agent and the Lenders the repayment and performance of all of the Obligations of Borrower under the Credit Agreement;

WHEREAS, pursuant to the terms of the Security Agreement dated as of September 20, 2000 between Grantor and Grantee, as reaffirmed and amended by that certain Reaffirmation and Amendment dated as of April 19, 2004 (as the same has been, and may be further amended or otherwise modified from time to time, the "Security Agreement"), Grantor has granted to Grantee, for the benefit of Lenders, a security interest in substantially all of the assets of Grantor including all right, title and interest of Grantor in, to and under all now owned and hereafter acquired Trademarks (as defined in the Security Agreement), together with the goodwill of the business symbolized by Grantor's Trademarks, and all products and proceeds thereof, to secure the payment of all amounts owing by Borrower under the Credit Agreement;

NOW, THEREFORE, in consideration of the premises set forth herein and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Grantor agrees as follows:

1. Incorporation of Security Agreement. The Security Agreement and the terms and provisions thereof are hereby incorporated herein in their entirety by this reference thereto. All terms capitalized but not otherwise defined herein shall have the same meanings herein as in the Security Agreement, including terms defined by incorporation.

2. Grant and Reaffirmation of Grant of Security Interests. To secure the complete and timely payment and satisfaction of the Secured Obligations, Grantor hereby

grants to Grantee, and hereby reaffirms its prior grant pursuant to the Security Agreement of, a continuing security interest in Grantor's entire right, title and interest in and to the following (all of the following items or types of property being herein collectively referred to as the "Trademark Collateral"), whether now owned or existing or hereafter created or acquired:

(i) each Trademark listed on Schedule 1 annexed hereto, together with any reissues, continuations or extensions thereof, and all of the goodwill of the business connected with the use of, and symbolized by, each Trademark; and

(ii) all products and proceeds of the forgoing, including without limitation, any claim by Grantor against third parties for past, present or future (a) infringement or dilution of any Trademark, or (b) injury to the goodwill associated with any Trademark.

3. Warranties and Representations. Grantor warrants and represents to Grantee that:

(i) Grantor is the sole and exclusive owner of the entire and unencumbered right, title and interest in and to each Trademark, free and clear of any liens, charges and encumbrances, including without limitation licenses and covenants by Grantor not to sue third persons;

(ii) Grantor has no notice of any suits or actions commenced or threatened with reference to any Trademark; and

(iii) Grantor has the unqualified right to execute and deliver this Agreement and perform its terms.

4. Restrictions on Future Agreements. Grantor agrees that until the Secured Obligations shall have been satisfied in full and the Credit Agreement shall have been terminated, Grantor shall not, without the prior written consent of Grantee, sell or assign its interest in, or grant any license under, any Trademark or enter into any other agreement with respect to any Trademark, and Grantor further agrees that it shall not take any action or permit any action to be taken by others subject to its control, including licensees, or fail to take any action which would affect the validity or enforcement of the rights transferred to Grantee under this Agreement.

5. Product Quality. Grantor agrees (i) to maintain the quality of any and all products in connection with which the Trademarks are used, consistent with commercially reasonable business practices, and (ii) to provide Grantee, upon Grantee's request from time to time, with a certificate of an officer of Grantor certifying Grantor's compliance with the foregoing. Upon the occurrence of an Event of Default, Grantor agrees that Grantee, or a conservator appointed by Grantee, shall have the right to establish such additional product quality controls as Grantee, or said conservator, in its reasonable judgment, may deem

necessary to assure maintenance of the quality of products sold by Grantor under the Trademarks.

6. Grantee's Right to Sue. After an Event of Default, Grantee shall have the right, but shall in no way be obligated, to bring suit in its own name to enforce the Trademarks and, if Grantee shall commence any such suit, Grantor shall, at the request of Grantee, do any and all lawful acts and execute any and all proper documents required by Grantee in aid of such enforcement and Grantor shall promptly, upon demand, reimburse and indemnify Grantee for all costs and expenses incurred by Grantee in the exercise of its rights under this Section 6.

7. Cumulative Remedies; Power of Attorney. Grantor hereby acknowledges and affirms that the rights and remedies with respect to the Trademarks, whether established hereby or by the Security Agreement, or by any other agreements or by law shall be cumulative and may be exercised singularly or concurrently. Grantor hereby authorizes Grantee upon the occurrence of an Event of Default, to make, constitute and appoint any officer or agent of Grantee as Grantee may select, in its sole discretion, as Grantor's true and lawful attorney-in-fact, with power to (i) endorse Grantor's name on all applications, documents, papers and instruments necessary or desirable for Grantee in the use of the Trademarks or (ii) take any other actions with respect to the Trademarks as Grantee deems to be in the best interest of Grantee, or (iii) grant or issue any exclusive or non-exclusive license under the Trademarks to anyone, or (iv) assign, pledge, convey or otherwise transfer title in or dispose of the Trademarks to anyone. Grantor hereby ratifies all that such attorney shall lawfully do or cause to be done by virtue hereof. This power of attorney shall be irrevocable until the Secured Obligations shall have been paid in full and the Credit Agreement has been terminated. Grantor hereby further acknowledges and agrees that the use by Grantee of the Trademarks upon the occurrence of an Event of Default shall be worldwide, except as limited by their terms, and without any liability for royalties or related charges from Grantee to Grantor.

IN WITNESS WHEREOF, Grantor has duly executed this Agreement as of the date first written above.
