Amendment to Assignment for Security Trademarks

This Amendment to Assignment for Security Trademarks (the "Amendment") is made, and effective as of the date indicated below, to the Assignment for Security Trademarks (the "Trademark Security Agreement"), dated April 18, 2006, between Everything But Water, LLC (f/k/a EBW Opco, LLC) (the "Assignor") and D.B. Zwirn Special Opportunities Fund, L.P., as collateral agent for certain lenders (in such capacity, together with any successors and assigns, "Assignee");

Whereas, Assignor entered into that certain Security Agreement, dated April 18, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "Security Agreement"), in favor of Assignee;

Whereas, pursuant to the Security Agreement, Assignor executed the Trademark Security Agreement under which Assignor granted to Assignee, and granted to Assignee for the benefit of the Lenders (as defined in the Security Agreement), a continuing security interest in all right, title and interest of Assignor in, to and under the Trademarks (as defined in the Trademark Security Agreement), together with, among other things, the good-will of the business symbolized by the Trademarks and the applications and registrations thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof, to secure the payment, performance and observance of the Obligations (as defined in the Security Agreement);

Whereas, Assignor obtained a registration with the United States Patent and Trademark Office for the trademark "WATER WATER EVERYWHERE", U.S. Reg. No. 1,672,205 (the "New Trademark");

Whereas, Assignor and Assignee desire to amend the Trademark Security Agreement to include the New Trademark as Collateral (as defined in the Trademark Security Agreement);

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Schedule 1A to the Trademark Security Agreement is hereby amended to include the New Trademark. All the Security Agreement and Trademark Security Agreement terms and provisions (including without limitation all conditions, representations, warranties, covenants and other agreements) shall apply to the New Trademark as if such mark had been included on Schedule 1A as of April 18, 2006. Without limiting the foregoing provisions, as of the date hereof, the term "Collateral" shall include, without limitation, the New Trademark, and Assignee hereby confirms the grant to Assignee for the benefit of the Lenders a continuing security interest in all right, title and interest of Assignor in, to and under the New Trademark, together with, among other things, the good-will of the business symbolized by the New Trademark and the registration thereof, and all proceeds thereof, including, without limitation, any and all causes of action which may exist by reason of infringement thereof and any and all damages arising from past, present and future violations thereof, to secure the payment, performance and observance of the Obligations.

In witness whereof, the Assignor has caused this Amendment to be duly executed by its officer thereunto duly authorized as of ~~September~~, 2006.
