AMENDMENT TO INTELLECTUAL PROPERTY SECURITY AGREEMENT

This Amendment to Intellectual Property Security Agreement is entered into as of May 31, 2004, by and between SILICON VALLEY BANK ("Bank") and CLARITY VISUAL SYSTEMS, INC. ("Grantor").

RECITALS

A. On or about May 30, 2002, Grantor executed and delivered to Bank an Intellectual Property Security Agreement (the "IP Security Agreement") to secure payment of the Loan and Security Agreement and other Loan Documents. Contemporaneously with the execution and delivery of this Amendment to Intellectual Property Security Agreement ("Amendment Agreement"), Grantor has executed and delivered an Amended and Restated Loan Agreement, which amends and restates the Loan Agreement. The term "Loan Agreement" shall refer to and mean the Loan and Security Agreement dated May 30, 2002, and all amendments and modifications thereto, including without limitation the Amended and Restated Loan Agreement.

B. Since the execution of the IP Security Agreement, Grantor has registered additional Intellectual Property Collateral, and the parties desire to amend the IP Security Agreement to grant to Bank a security interest in such additional Intellectual Property Collateral.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged, and intending to be legally bound, as collateral security for the prompt and complete payment when due of its obligations under the Loan Agreement, Grantor hereby represents, warrants, covenants and agrees as follows:

AGREEMENT

1. Defined Terms. Unless given a different meaning herein, all capitalized terms used in this Addendum shall have the meanings ascribed to them in the IP Security Agreement.

2. Continued Effectiveness. Except as expressly modified herein, all of the terms, conditions, covenants and exhibits set forth in the IP Security Agreement remain in full force and effect among the parties. Borrower agrees that the IP Security Agreement is and shall remain in full force and effect between the parties, and Borrower has no defenses, offsets or counterclaims against Bank with respect to such IP Security Agreement. This Amendment Agreement is incorporated in and shall be a part of the IP Security Agreement.

3. Additional Intellectual Property Collateral. The description of the Intellectual Property Collateral set forth in the IP Security Agreement is amended by adding the additional items of Intellectual Property Collateral described herein. Grantor grants and pledges to Bank a security interest in all of Grantor's right, title and interest in, to and under the additional Copyrights, Patents, Trademarks and Mask Works listed on Schedules A, B, C, and D hereto, and including without limitation all proceeds thereof (such as, by way of example but not by way of limitation, license royalties and proceeds of infringement suits), the right to sue for past, present and future infringements, all rights corresponding thereto throughout the world and all re-issues, divisions continuations, renewals, extensions and continuations-in-part thereof.

IN WITNESS WHEREOF, the parties have caused this Amendment Agreement to be duly executed by its officers thereunto duly authorized as of the first date written above.

Address of Grantor:

9025 SW Hillman Ct, Suite 3122
