This TRADEMARK ASSIGNMENT (this "*Assignment*") is made and entered into as of October 4, 2006 by Cisco-Linksys LLC, a California limited liability company ("*Assignee*") and Ashley Laurent Incorporated, a Texas corporation ("*Assignor*").

WHEREAS, the Assignor, the Assignee, Jeffrey Goodwin and Xuechen Yang are parties to that certain Asset Purchase Agreement, dated as of September 15, 2006, as amended (collectively, the "*Purchase Agreement*"), pursuant to which Assignee has acquired assets of Assignor and to which Assignee is to receive all of the Assignor's right, title and interest in and to all of the trademarks, service marks, and trade names, together with the good will associated with and symbolized by them, as defined in the Purchase Agreement, including, without limitation, those trademarks, service marks, and trade names listed in Schedule I hereto (all such trademarks, service marks, and trade names referred to collectively as the "*Assigned Trademarks*").

Assignor hereby assigns, transfers, conveys and delivers to the Assignee and its successors and assigns, and the Assignee hereby purchases and accepts from the Assignor, all of its right, title and interest in, to and under the Assigned Trademarks, including, without limitation, all common law trademarks for which no applications or registrations exist, all applications to register any of the Assigned Trademarks, and all registrations that have been or may be granted for any of the Assigned Trademarks, together with all common law rights associated with the applications and registrations, and all goodwill associated with the Assigned Trademarks and symbolized thereby, together with the right to sue and recover damages for future, present and past infringements of the Assigned Trademarks and to fully and entirely stand in the place of the Assignor in all matters related to the Assigned Trademarks.

2. Further Assurances. The Assignor agrees to execute and deliver such other documents and to take all such other actions which the Assignee, its successors and/or assigns may reasonably request to effect the terms of this Assignment, and to execute and deliver any and all affidavits, testimonies, declarations, oaths, samples, exhibits, specimens and other documentation as may be reasonably required to effect the terms of this Assignment and its recordation in relevant state and national trademark offices.
