WHEREAS, the Debtor is the owner of the entire right, title and interest in, to and under the Trademarks listed on Schedule 1 hereto.

NOW, THEREFORE, in consideration of the premises and to induce the Secured Parties to purchase the Notes, the Debtor hereby agrees with the Agent and Secured Parties as follows:

(a) Definitions. Unless otherwise defined herein or the context otherwise requires, terms used in this Agreement, including its preamble and recitals, have the meanings provided in the Security Agreement.

(b) Other Definitional Provisions.

(i) The words "hereof," "herein" and "hereunder" and words of similar import when used in this Agreement shall refer to this Agreement as a whole and not to any particular provision of this Agreement, and section and paragraph references are to this Agreement unless otherwise specified.

(ii) The meanings given to terms defined herein shall be equally applicable to both the singular and plural forms of such terms.

(iii) "Associated Goodwill" shall mean all goodwill of the Debtor or its business, products and services appurtenant to, associated with or symbolized by the Trademarks and/or the use thereof.

(v) “Trademark Collateral” shall mean all of the Debtor’s right, title and interest (to the extent Debtor has any such right, title or interest) in and to all of the Trademarks, the Trademark Registrations, the Trademark Rights, the Associated Goodwill, and all additions, improvements and accessions to, substitutions for, replacements of, and all products and proceeds (including insurance proceeds) of any and all of the foregoing.

(vi) “Trademark Registrations” shall mean all past, present or future federal, state, local and foreign registrations of the Trademarks (and all renewals and extensions of such registrations), all past, present and future applications for any such registrations of the Trademarks (and any such registrations thereof upon approval of such applications), together with the right (but not the obligation) to apply for such registrations (and prosecute such applications) in the name of the Debtor or the Agent, and to take any and all actions necessary or appropriate to maintain such registrations in effect and/or renew and extend such registrations.

(vii) “Trademark Rights” shall mean any and all past, present or future rights in, to and associated with the Trademarks throughout the world, whether arising under federal law, state law, common law, foreign law or otherwise, including but not limited to the following: all such rights arising out of or associated with the Trademark Registrations; the right (but not the obligation) to register claims under any state, federal or foreign trademark law or regulation; the right (but not the obligation) to sue or bring opposition or cancellation proceedings in the name of the Debtor for any and all past, present and future infringements or dilution of or any other damages or injury to the Trademarks, the Trademark Rights, or the Associated Goodwill, and the rights to damages or profits due or accrued arising out of or in connection with any such past, present or future infringement, dilution, damage or injury.

2. Grant of Security Interest.
