TRADEMARK ASSIGNMENT

This TRADEMARK ASSIGNMENT (this "Agreement") is entered into as of May 4, 2004, by and among American Academy of Anti-Aging Medicine, Inc. ("Assignor"), and Medical Conferences International, Inc. ("Assignee").

In consideration of the mutual agreements below and other sufficient consideration, the receipt of which is hereby acknowledged, the parties hereto hereby agree as follows:

1. Assignment of Trademark Collateral. Assignor hereby grants, assigns and conveys to Assignee Assignor's entire right, title and interest in and to the Trademark. As used herein, "Trademark" means: all of Assignor's right, title and interest in and to the trademark, service mark, trademark or service mark registrations, trade names, and trademark or service mark applications, including each name, mark, registration, and application listed on Schedule A attached hereto and made a part hereof (as the same may be amended pursuant hereto from time to time), and (i) renewals thereof, (ii) all income, royalties, damages and payments now and hereafter due and/or payable with respect thereto, including damages and payments for past or future infringements thereof, (iii) the right to sue for past, present and future infringements thereof, (iv) all rights, title, and interests corresponding thereto throughout the world, and (v) the good will of Assignor's business connected with the use of each item of Trademark, and symbolized by, the Trademark.

2. Consideration. In consideration of the assignment of the Trademark, Assignee will pay to Assignee the sum of One Hundred Thousand dollars (\$100,000.00). The purchase price shall be paid within two (2) years of the date of this Agreement.

3. Representations and Warranties. Assignor represents and warrants as follows:

3.1. Schedule A contains a complete and accurate list of all trademarks, trade names, service marks, trademark and service mark registrations, and applications for trademark or service mark registrations owned by Assignor and related to the A4M American Academy of Anti-Aging Medicine World Anti-Aging Congress & Exposition.

3.2. Assignor is the sole and exclusive owner of the Trademark, free and clear of any security interests, charges, claims of infringement upon the rights of third parties and encumbrances, except as otherwise disclosed in Schedule A.

3.3. Assignor has not granted any license, release, covenant not to sue, or non-assertion assurance to any person with respect to any part of the Trademark, except as disclosed in Schedule A.

3.4. The Trademark is subsisting and has not been adjudged invalid or unenforceable, and, to Assignor's knowledge, each item comprising the Trademark is valid and enforceable in the United States.

3.5. Assignor is duly authorized to execute and deliver this Agreement to Assignee, and this Agreement constitutes the legal, valid and binding obligation of Assignor, enforceable against Assignor in accordance with its terms.

4. Further Assurances.

4.1. Assignor agrees that from time to time, at its expense, it will promptly execute and deliver all further instruments and documents, and take all further action, that may be necessary in order (i) to continue, perfect, amend or protect the assignment or (ii) to enable Assignee to exercise and enforce its rights and remedies hereunder with respect to any part of the Trademark. Without limiting the generality of the foregoing, Assignor will execute and file such instruments or notices as may be necessary or desirable, or as Assignee may reasonably request, in order to perfect and preserve the assignment granted hereby.

5. Assignee Appointed Attorney-in-Fact. Assignor hereby irrevocably appoints Assignee as Assignor's attorney-in-fact, with full authority in Assignor's place, stead and on behalf of Assignor and in Assignor's names or otherwise, from time to time in Assignee's reasonable discretion, to take any action and to execute any instrument that Assignee deems reasonably necessary to accomplish the purposes of this Agreement.

6. Survival of Provisions. All representations, warranties, and covenants of Assignor contained herein survive the execution and delivery of this Agreement.

7. Miscellaneous.

7.1. Notices. All notices, consents, requests and demands to or upon the respective parties hereto must be in writing, and will be deemed to have been given or made when delivered in person to those persons listed on the signature pages of this Agreement or when deposited in the United States mail, postage prepaid, or, in the case of telegraphic notice, or the overnight courier services, when delivered to the telegraph company or overnight courier service, or in the case of telex or telecopy notice, when sent, verification received, in each case addressed as set forth on the signature page hereof, or to such other address as either party may designate by notice to the other in accordance with the terms of this Section. No notice given to or demand made on Assignor by Assignee in any instance entitles Assignor to notice or demand in any other instance.

7.2. Amendments and Waivers. No amendment to, waiver of, or departure from full compliance with any provision of this Agreement, or consent to any departure by Assignor herefrom, will be effective unless it is in writing and signed by authorized officers of Assignor and Assignee; provided, however, that any such waiver or consent will be effective only in the specific instance and for the purpose for which given. No failure by Assignee to exercise, and no delay by Assignee in exercising, any right, remedy, power or privilege hereunder will operate as a waiver thereof, nor will any single or partial exercise by Assignee of any right, remedy, power or privilege hereunder preclude any other exercise thereof, or the exercise of any other right, remedy, power or privilege.

7.3. Rights Cumulative. Each of the rights and remedies of Assignee under this Agreement is in addition to all of its other rights and remedies under applicable law, and nothing in this Agreement may be construed as limiting any such rights or remedies.

7.4. Successors and Assigns. This Agreement binds Assignor and its successors and assigns and inures to the benefit of Assignee, and Assignee's successors, transferees, participants

and assignees. Assignor may not delegate or transfer any of its obligations under this Agreement without the prior written consent of Assignee. With respect to Assignor's successors and assigns, such successors and assigns include any receiver, trustee or debtor-in-possession of or for Assignor.

7.5. Severability. Any provision of this Agreement which is prohibited, unenforceable or not authorized in any jurisdiction is, as to such jurisdiction, ineffective to the extent of such prohibition, unenforceability or nonauthorization without invalidating the remaining provisions hereof or affecting the validity, enforceability or legality of such provision in any other jurisdiction unless the ineffectiveness of such provision would result in such a material change as to cause completion of the transactions contemplated hereby to be unreasonable.

7.6. Governing Law; No Third Party Rights. This Agreement is to be governed by and construed and interpreted in accordance with the internal laws of the State of Illinois applicable to contracts made and to be performed wholly within such state, without regard to choice or conflicts of law principles. This Agreement is solely for the benefit of the parties hereto and their respective successors and assigns, and no other Person has any right, benefit, priority or interest under, or because of the existence of, this Agreement.

7.7. Counterparts. This Agreement may be executed by the parties hereto on any number of separate counterparts, and all such counterparts taken together constitute one and the same instrument. It is not necessary in making proof of this Agreement to produce or account for more than one counterpart signed by the party to be charged.

7.8. Counterpart Facsimile Execution. For purposes of this Agreement, a document (or signature page thereto) signed and transmitted by facsimile machine or telecopier is to be treated as an original document. The signature of any Person thereon, for purposes hereof, is to be considered as an original signature, and the document transmitted is to be considered to have the same binding effect as an original signature on an original document. At the request of any party hereto, any facsimile or telecopy document is to be re-executed in original form by the Persons who executed the facsimile or telecopy document. No party hereto may raise the use of a facsimile machine or telecopier or the fact that any signature was transmitted through the use of a facsimile or telecopier machine as a defense to the enforcement of this Agreement or any amendment or other document executed in compliance with this Section.

7.9. Final Expression; No Course of Dealing. This Agreement and any other agreement executed in connection herewith or therewith, is intended by the parties as a final expression of their agreement and is intended as a complete and exclusive statement of the terms and conditions thereof. Acceptance of or acquiescence in a course of performance or course of dealing rendered or taken under or with respect to this Agreement will not be relevant to determine the meaning of this Agreement even though the accepting or acquiescing party had knowledge of the nature of the performance and opportunity for objection.

7.10. Attorney's Fees and Other Costs. Assignor will reimburse Assignee for all expenses incurred by Assignee in seeking to collect or enforce this agreement or the Trademark including reasonable attorneys' fees and actual attorneys' expenses (whether or not there is

litigation), court costs and all costs in connection with any proceedings under the United States Bankruptcy Code.

7.11. Choice of Forum. Subject only to the exception in the next sentence, Assignor and Assignee hereby agree to the exclusive jurisdiction of the federal court of the Northern District of Illinois and the state courts of Illinois located in Cook County, Illinois and waive any objection based on venue or forum non conveniens with respect to any action instituted therein, and agree that any dispute concerning the relationship between Assignor and Assignee or the conduct of either of them in connection with this Agreement or otherwise may be heard only in the courts described above. Notwithstanding the foregoing: (i) Assignee has the right to bring any action or proceeding against Assignor or its property in any courts of any other jurisdiction Assignee deems necessary or appropriate in order to realize on the Trademark, and (ii) each of the parties hereto acknowledges that any appeals from the courts described in the immediately preceding sentence may have to be heard by a court located outside those jurisdictions.
