- (e) All General Intangibles connected with the use of, or related to, any and all Intellectual Property (including, without limitation, all goodwill of the Grantors and their business, products and services appurtenant to, associated with, or symbolized by, any and all Intellectual Property and the use thereof).

SECTION 3

Except as set forth below in this Section 3, the Grantors shall undertake the following with respect to each of the items respectively described in Sections 2(a), (b), (c), (d) and (e) (collectively, the "Intellectual Property"):

3.1 Pay all renewal fees and other fees and costs associated with maintaining the Necessary Intellectual Property and with the processing of the Intellectual Property and take all other reasonable and necessary steps to maintain each registration of the Intellectual Property.

3.2 Take all actions reasonably necessary to prevent any of the Necessary Intellectual Property from becoming forfeited, abandoned, dedicated to the public, invalidated or impaired in any way.

3.3 At the Grantors' sole cost, expense, and risk, diligently pursue the processing of each application for registration which is the subject of the security interest created herein and not abandon or delay any such efforts.

3.4 At the Grantors' sole cost and expense, take any and all action which the Grantors reasonably deem appropriate under the circumstances to protect the Necessary Intellectual Property from infringement, misappropriation or dilution, including, without limitation, the prosecution and defense of infringement actions.

Notwithstanding the foregoing, so long as no Event of Default has occurred and is continuing, and no Material Adverse Effect would result therefrom, no Grantor shall have an obligation to use or to maintain any Intellectual Property (i) that relates solely to any product that has been discontinued, abandoned or terminated, and (ii) that has been replaced with Intellectual Property substantially similar to the Intellectual Property that may be abandoned or otherwise become invalid, so long as the failure to use or maintain such Intellectual Property does not materially adversely affect the validity of such replacement Intellectual Property and so long as such replacement Intellectual Property is subject to the lien created by this Agreement.

SECTION 4

Grantors' Representations and Warranties

Each Grantors hereby represents and warrants that:

4.1 Exhibit A is a true, correct and complete list of all U.S. registered Copyrights and Copyright Licenses owned by the Grantors as of the date hereof.

4.2 Exhibit B is a true, correct and complete list of all U.S. registered Patents and Patent Licenses owned by the Grantors as of the date hereof.

4.3 Exhibit C is a true, correct and complete list of all U.S. registered Trademarks and Trademark Licenses owned by the Grantors as of the date hereof.

4.4 Except as set forth in Exhibits A, B and C, none of the Intellectual Property is the subject of any licensing or franchise agreement pursuant to which any Grantor is the licensor or franchisor.

4.5 All IP Collateral is, and shall remain, free and clear of all Liens, encumbrances, or security interests in favor of any Person, other than Permitted Encumbrances, Liens in favor of the Collateral Agent and Liens permitted by Section 6.02 of the Credit Agreement.

4.6 Each Grantor owns, or is licensed to use, all Intellectual Property necessary for the conduct of its business as currently conducted. No material claim has been asserted and is pending by any Person challenging or questioning the use by any Grantor of any of the Intellectual Property owned by any Grantor or the validity of any of the Intellectual Property owned by any Grantor, nor does any Grantor know of any valid basis for any such claim, except as otherwise set forth in the Credit Agreement. To the knowledge of the Grantors, the use by the Grantors of the Intellectual Property does not infringe the rights of any Person in any material respect. No holding, decision or judgment has been rendered by any Governmental Authority which would limit, cancel or question the validity of, or any Grantor's rights in, any Intellectual Property in any respect that could reasonably be expected to have a Material Adverse Effect on the business or the property of any Grantor.

4.7 The Grantors shall give the Collateral Agent written notice (with reasonable detail) within ten (10) Business Days following the occurrence of any of the following:

(a) The Grantors' obtaining rights to, and filing applications for registration of, any new Intellectual Property, or otherwise acquiring ownership of any newly registered Intellectual Property (other than the Grantors' right to sell products containing the trademarks of others in the ordinary course of the Grantors' business).

(b) The Grantors' becoming entitled to the benefit of any registered Intellectual Property whether as licensee or licensor (other than the Grantors' right to sell products containing the trademarks of others in the ordinary course of the Grantors' business).

(c) The Grantors' entering into any new Licenses.

(d) The Grantors' knowing or having reason to know, that any application or registration relating to any material Intellectual Property may become forfeited, abandoned or dedicated to the public, or of any adverse determination (including, without limitation, the institution of, or any such determination in, any proceeding in the PTO, the Copyright Office or any court or tribunal) regarding the Grantors' ownership of, or the validity of, any material Intellectual Property or the Grantors' right to register the same or to own and maintain the same.

SECTION 5

Agreement Applies to Future Intellectual Property

5.1 The provisions of this Agreement shall automatically apply to any such additional property or rights described in subsections (a), (b) and (c) of Section 4.7, above, all of which shall be deemed to be and treated as "Intellectual Property" within the meaning of this Agreement.

5.2 Upon the reasonable request of the Collateral Agent, the Grantors shall execute and deliver, and have recorded, any and all agreements, instruments, documents and papers as the Collateral Agent may reasonably request to evidence the Collateral Agent's security interest in any Copyright, Patent or Trademark and the goodwill and General Intangibles of the Grantors relating thereto or represented thereby (including, without limitation, filings with the PTO, The Copyright Office or any similar office), and the Grantors hereby constitute the Collateral Agent as their attorney-in-fact to execute and file all such writings for the foregoing purposes, all acts of such attorney being hereby ratified and confirmed; *provided, however*, the Collateral Agent's taking of such action shall not be a condition to the creation or perfection of the security interest created hereby.

SECTION 6

Grantors' Rights To Enforce Intellectual Property

Prior to the Collateral Agent's giving of notice to the Grantors (i) following the occurrence of an Event of Default or (ii) pursuant to Section 6.1 below, the Grantors shall have the exclusive right to sue for past, present and future infringement of the Intellectual Property including the right to seek injunctions and/or money damages, in an effort by the Grantors to protect the Intellectual Property against encroachment by third parties, *provided, however*:

6.1 The Grantors shall provide the Collateral Agent with prior written notice of the Grantors' intention to so sue for enforcement of any Intellectual Property. If, in the reasonable opinion of the Collateral Agent, the Grantors have failed to take appropriate action within sixty (60) days after such notice is given to Collateral Agent, upon notice to the Grantors, the Collateral Agent may (but shall not be required to) itself take such action in the name of the Grantors, with any damages recovered in such action, net of costs and attorneys' fees reasonably incurred, to be applied as provided in Section 6.2 of the Security Agreement.

6.2 Any money damages awarded or received by the Grantors on account of such suit (or the threat of such suit) shall constitute IP Collateral.

6.3 Following the occurrence of any Event of Default, the Collateral Agent, by notice to the Grantors may terminate or limit the Grantors' rights under this Section 6.

SECTION 7

Collateral Agent's Actions To Protect Intellectual Property

In the event of:

(a) the Grantors' failure, within fifteen (15) days of written notice from the Collateral Agent, to cure any failure by the Grantors to observe or perform any of the Grantors' covenants or obligations hereunder; and/or

(b) the occurrence and continuance of any other Event of Default,

the Collateral Agent, acting in its own name or in that of the Grantors, may (but shall not be required to) act in the Grantors' place and stead and/or in the Collateral Agent's own right in connection therewith.

SECTION 8

Rights Upon Default

Upon the occurrence of any Event of Default, the Collateral Agent may exercise all rights and remedies of a secured party upon default under the Uniform Commercial Code as adopted in the State of New York, with respect to the Intellectual Property, in addition to which the Collateral Agent may sell, license, assign, transfer, or otherwise dispose of the Intellectual Property. Any person may conclusively rely upon an affidavit of an officer of the Collateral Agent that an Event of Default has occurred and that the Collateral Agent is authorized to exercise such rights and remedies.

SECTION 9

Collateral Agent As Attorney In Fact

9.1 The Grantors hereby irrevocably constitute and designate the Collateral Agent as and for the Grantors' attorney in fact, effective following the occurrence and during the continuance of an Event of Default:

- (a) To supplement and amend from time to time Exhibits A, B and C of this Agreement to include any new or additional Intellectual Property of the Grantors.
- (b) To exercise any of the rights and powers referenced herein.
- (c) To execute all such instruments, documents, and papers as the Collateral Agent reasonably determines to be appropriate in connection with the exercise of such rights and remedies and to cause the sale, license, assignment, transfer, or other disposition of the Intellectual Property.

9.2 The within grant of a power of attorney, being coupled with an interest, shall be irrevocable until this Agreement is terminated by a duly authorized officer of the Collateral Agent.

9.3 The Collateral Agent shall not be obligated to do any of the acts or to exercise any of the powers authorized by Sections 6.1 or 9.1, but if the Collateral Agent elects to do any such act or to exercise any of such powers, it shall not be accountable for more than it actually receives as a result of such exercise of power, and shall not be responsible to any Grantor for any act or omission to act except for any act or omission to act as to which there is a final determination made in a judicial proceeding (in which proceeding the Collateral Agent has had an opportunity to be heard) which determination includes a specific finding that the subject act or omission to act had been grossly negligent or willful misconduct.

SECTION 10

Collateral Agent's Rights

Any use by the Collateral Agent of the Intellectual Property, as authorized hereunder in connection with the exercise of the Collateral Agent's rights and remedies under this Agreement and under the Credit Agreement, shall be coextensive with the Grantors' rights thereunder and with respect thereto and without any liability for royalties or other related charges.

SECTION 11

Intent

This Agreement is being executed and delivered by the Grantors for the purpose of registering and confirming the grant of the security interest of the Collateral Agent in the IP Collateral with the PTO and the Copyright Office. It is intended that the security interest granted pursuant to this Agreement is granted as a supplement to, and not in limitation of, the Security Interest granted to the Collateral Agent, for the ratable benefit of the Secured Parties, under the Security Agreement. All provisions of the Security Agreement shall apply to the IP Collateral. The Collateral Agent shall have the same rights, remedies, powers, privileges and discretions with respect to the security interests created in the IP Collateral as in all other Collateral. In the event of a conflict between this Agreement and the Security Agreement, the terms of this Agreement shall control with respect to the IP Collateral and the Security Agreement with respect to all other Collateral.

SECTION 12

Governing Law

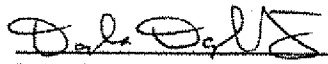

THIS AGREEMENT SHALL BE GOVERNED BY, AND CONSTRUED IN ACCORDANCE WITH, THE LAW OF THE STATE OF NEW YORK.
