## INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT

This INTELLECTUAL PROPERTY RIGHTS ASSIGNMENT ("Assignment"), is effective as of October 6, 2006, by and between Boehringer Laboratories, Inc., a Pennsylvania corporation ("Assignor"), and Boehringer Closure Properties, L.P., a Pennsylvania limited partnership ("Assignee").

In consideration of one dollar (\$1.00) fully paid up by Assignee to Assignor, the mutual promises and covenants contained herein and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, and intending to be legally bound, the parties agree as follows:

1. **Definitions.** The following definitions shall apply to this Assignment:

"Copyrights" shall mean the United States and foreign copyrights, copyrightable works and works of authorship, and the United States and foreign registrations for or applications to register any of the foregoing, listed on attached Schedule 3.

"Improvements" shall mean modifications, improvements, changes, enhancements, corrections or derivatives.

"Intellectual Property" shall mean Copyrights, Trademarks, Patents, and Trade Secrets and any Improvements to the foregoing.

"Patents" shall mean the United States and foreign patents and patent applications listed on attached Schedule 1, and all reissues, divisions, continuations, continuations-in-part, revisions, extensions, and reexaminations thereof.

"Trademarks" shall mean the United States and foreign trademarks, service marks, logos, designs, slogans, trade dress, trade names, domain names, product designs, and assumed names, including any United States and foreign registrations for or applications to register any of the foregoing, listed on attached Schedule 2.

"Trade Secrets" shall mean the United States and foreign proprietary processes, models, data, prototypes, configurations, technologies, methods, business systems and plans, formulas, inventions, improvements, technical information, technologies, know-how and other information listed or described on attached Schedule 4.

2. Assignor hereby sells, assigns and transfers to Assignee all of Assignor's right, title and interest in and to the Intellectual Property, together with the goodwill that is symbolized by the Trademarks or, with respect to any Trademark for which there is an intent to use, the portion of the business to which such Trademark pertains, including, but not limited to renewal rights in the Intellectual Property, the right to obtain registrations of the Intellectual Property and obtain patent or equivalent protection for Patents in the United States and throughout the world, the right to all proceeds associated with the Intellectual Property and the right to sue and recover any and all damages and profits, and any and all other remedies, for past, present or future infringements or violations thereof, all in Assignee's name.

3. Assignee hereby accepts the foregoing assignment and expressly assumes all liabilities, debts and obligations associated with the Intellectual Property, including those arising from any past, present or future infringement claims or other violations related to any of the Intellectual Property or the use, possession or practice of any of the Intellectual Property.

4. Assignor shall cooperate with Assignee, at Assignee's sole expense, in any action Assignee reasonably requests that Assignor take in order to effectuate, carry out, or fulfill the parties' intent and/or Assignor's obligations hereunder, including, without limitation, the execution of any instruments and papers that are necessary or desirable, in Assignee's sole discretion, to acquire, maintain, consolidate, confirm, vest and/or record Assignee's full and complete ownership of and title in the Intellectual Property with, for example, the U.S. Copyright Office, U.S. Patent and Trademark Office and equivalent foreign offices, or with domain name registrars. Assignor shall also cooperate with and provide reasonable assistance to Assignee in the Intellectual Property prosecution process and in any infringement proceeding associated with the Intellectual Property.

5. This Assignment shall inure to the benefit of Assignees and its successors and assigns and shall be binding upon Assignor and its successors and assigns.

6. This Assignment and all questions relating to its validity, interpretation, performance and enforcement shall be governed by and construed in accordance with the laws of the Commonwealth of Pennsylvania.

7. This Assignment contains the entire agreement and understanding of the parties relating to the subject matter hereof, and merge and supersede all prior and contemporaneous discussions, agreements and understandings of every nature between the parties relating to the subject matter hereof. This Assignment may not be changed or modified, except by an agreement in writing signed by each of the parties.

8. This assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, the parties to this Assignment have duly executed it as of the date set forth above.
