Assignor and Assignee are referred to herein individually as a "**Party**" and collectively as the "**Parties.**"

WHEREAS, Assignee, Assignor and the other parties thereto have entered into an Asset Purchase Agreement dated as of May 15, 2006 (the "**Asset Purchase Agreement**") for the purchase by Assignee of certain assets owned by the Assignor and the other parties to the Asset Purchase Agreement and referred to in the Asset Purchase Agreement, including the domain names, together with all registrations and renewals thereof (collectively, the "**Domain Names**"), trademarks, service marks, trademark and service mark registrations, and trademark and service mark applications, together with all goodwill associated therewith (collectively, the "**Marks**"), patents and patent applications, together with all divisions, reissues, reexaminations, term extensions, and continuations associated therewith (collectively, the "**Patents**") and the copyrights, copyright registrations and copyright applications (collectively, the "**Copyrights**") set forth on Exhibit A to this Agreement (the Domain Names, Marks, Patents and Copyrights are collectively referred to herein as the "**Intellectual Property**"); and

WHEREAS, as part of the performance of its duties under the Asset Purchase Agreement to assign to Assignee the Intellectual Property, Assignor has agreed to execute this Agreement.

NOW, THEREFORE, in consideration of the mutual covenants contained in the Asset Purchase Agreement and herein, the purchase price paid by Assignee under the Asset Purchase Agreement and for other good and valuable consideration the receipt and adequacy of which each Party hereby acknowledges, the Parties hereby agree as follows:

1. **Assignment of Rights.** In the furtherance of its duties under the Asset Purchase Agreement, Assignor hereby assigns, transfers, and conveys to Assignee all of Assignor's right, title and interest in and to the Intellectual Property, and Assignee hereby accepts such assignment from Assignor.
2. **Severability.** Should any part of this Agreement for any reason be declared invalid by a court of competent jurisdiction, such decision or determination shall not affect the validity of any remaining portion, and such remaining portion shall remain in force and effect as if this Agreement had been executed with the invalid portion eliminated; provided, that in the event of a declaration of invalidity the provision declared invalid shall not be invalidated in its entirety, but shall be observed and performed by the parties to the extent such provision is valid and enforceable.
3. **Counterparts.** This Agreement may be executed in one or more counterparts, each of which when so executed and delivered shall be deemed to be an original, and all of which taken together shall constitute one and the same instrument.
4. **Amendment.** This Agreement shall not be amended or otherwise modified except by a written agreement dated subsequent to the date of this Agreement and signed on behalf of Assignor and Assignee by their respective duly authorized representatives.
5. **Governing Law.** This Agreement shall be governed by and construed in accordance with the laws of the State of New York, without regard to its conflicts of law provisions.
