TRADEMARK ASSIGNMENT

This Trademark Assignment (this "Assignment") is made effective as of the 15th day of May, 2006 from MCC HOLDINGS, INC., a Delaware corporation ("Assignor"), to Parker Intangibles LLC, a Delaware limited liability company ("Assignee").

WHEREAS, Assignor is a wholly-owned subsidiary of CRANE CO., a Delaware corporation ("Crane"); and

WHEREAS, contemporaneously with the execution of this Assignment, Crane and Assignee are entering into an Asset Purchase Agreement dated as of the date hereof (the "Purchase Agreement"), whereby Crane will sell to Assignee, and Assignee will purchase from Crane, certain assets relating to the Business (as defined and described in the Purchase Agreement); and

WHEREAS, Assignor is the owner of the trademark, including any and all applications and/or registrations therefor, listed on Exhibit A, attached to and incorporated by this reference herein (the "Mark"), together with the goodwill of the business symbolized thereby; and

WHEREAS, the Purchase Agreement requires the Mark to be assigned to Assignee;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, Assignor hereby conveys, transfers and assigns to Assignee all of Assignor's right, title, and interest in and to the Mark, together with the goodwill of the business symbolized by the Mark, and all causes of action (either in law or in equity) and the right to sue, counterclaim and recover, for present and future infringement of the rights assigned or to be assigned under this Assignment.

Except as provided in the Purchase Agreement, Crane and Assignor make no representations or warranties, express or implied, with respect to the Mark.

All costs related to this Assignment shall be borne by Assignee. Each party agrees to perform all acts, including without limitation executing documents or certificates, as may be reasonably required by the other party in order to carry out the intent and purposes of this Assignment; provided that Assignee shall bear all costs of any such acts and shall reimburse Assignor its costs incurred in taking any such acts. In addition, Assignee agrees to record promptly this Assignment (or such suitable short form assignment or notice as may be applicable) at the United States Patent and Trademark Office and corresponding offices of other countries listed on Exhibit A to change the name and address of record for the Mark or to take promptly such other action as may be advisable to ensure that all correspondence regarding the Mark will be sent to Assignee; and Assignee further agrees to indemnify and hold harmless Assignor from and against, and to reimburse Assignor for, all costs and expenses it may incur in handling any matter or document sent to it as owner of record of the Mark after execution of this Assignment.

IN WITNESS WHEREOF, Assignor and Assignee have each duly executed this Assignment as of the day and year first above written.
