TRADEMARK SECURITY AGREEMENT, dated as of November 3, 2006, among HEXION SPECIALTY CHEMICALS, INC., a New Jersey corporation (the "Parent"), the subsidiaries of the Parent party hereto (each, including the Parent, a "Grantor" and collectively the "Grantors"), and WILMINGTON TRUST COMPANY, as Collateral Agent (the "Collateral Agent").

Reference is made to the Collateral Agreement dated as of November 3, 2006 (as amended, supplemented or otherwise modified from time to time, the "Security Agreement"), among the Parent, each subsidiary of the Parent listed therein and the Collateral Agent. Each Grantor and Wilmington Trust Company has entered into the Indenture dated as of November 3, 2006 (as amended, restated, supplemented or otherwise modified from time to time, the "Indenture"), among the Parent, Hexion Nova Scotia Finance, ULC, a Nova Scotia unlimited liability company, Hexion U.S. Finance Corp., a Delaware corporation, the Guarantors from time to time party thereto and Wilmington Trust Company, as trustee (the "Trustee"). Each Grantor is executing and delivering this Agreement pursuant to the terms of the Indenture to induce potential investors to purchase the securities.

The subsidiary parties are affiliates of the Parent, will derive substantial benefits from the sale of the securities and are willing to execute and deliver this Agreement in order to induce the potential investors to purchase the securities. Accordingly, the parties hereto agree as follows:

SECTION 1. Terms. Capitalized terms used in this Agreement and not otherwise defined herein have the meanings specified in the Security Agreement. The rules of construction specified in Section 1.01(b) of the Security Agreement also apply to this Agreement.

SECTION 2. Grant of Security Interest. As security for the payment or performance, as the case may be, in full of the Obligations, each Pledgor, pursuant to the Security Agreement, did and hereby does grant to the Collateral Agent, its successors and assigns, for the benefit of the Secured Parties, a security interest in, all right, title or interest in or to any and all of the following assets and properties now owned or at any time hereafter acquired by such Pledgor or in which such Pledgor now has or at any time in the future may acquire any right, title or interest (collectively, the "Trademark Collateral"):

(a) all trademarks, service marks, trade names, corporate names, company names, business names, fictitious business names, trade styles, trade dress, logos, other source or business identifiers, designs and general intangibles of like nature, now existing or hereafter adopted or acquired, all registrations and recordings thereof, and all registration and recording applications filed in connection therewith, including registrations and registration applications in the United States Patent and Trademark Office or any similar offices in any State of the United States or any other country or any political subdivision thereof, and all extensions or renewals thereof, including those listed on Schedule I (the "Trademarks"); and

(b) all goodwill associated with or symbolized by the Trademarks.

SECTION 3. Security Agreement. The security interests granted to the Collateral Agent herein are granted in furtherance, and not in limitation of, the security interests granted to the Collateral Agent pursuant to the Security Agreement. Each Pledgor hereby acknowledges and affirms that the rights and remedies of the Collateral Agent with respect to the Trademark Collateral are more fully set forth in the Security Agreement, the terms and provisions of which are hereby incorporated herein by reference as if fully set forth herein. In the event of any conflict between the terms of this Agreement and the Security Agreement, the terms of the Security Agreement shall govern.
