**Exhibit A**

**Form of Intellectual Property Security Agreement**

This ~~INTELLECTUAL PROPERTY SECURITY AGREEMENT~~ (as amended, amended and restated, supplemented or otherwise modified from time to time, the "IP Security Agreement") dated as of 17 November 2006, is made by the Persons listed on the signature pages hereof (collectively, the "Grantors") in favor of Citicorp Trustee Company Limited, as Security Agent (the "Security Agent") for the Secured Parties (as defined in the Facilities Agreements referred to below).

WHEREAS, Gambro Holding AB (the "Parent"), a company organized under the laws of Sweden, certain of its Subsidiaries, and others have entered into a Senior Facilities Agreement dated 5 June 2006, as amended and restated pursuant to an amendment and restatement agreement dated 9 November 2006 (said Agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "Senior Facilities Agreement") with the Security Agent, as security trustee on behalf of the Secured Parties (as defined therein).

WHEREAS, the Parent, certain of its Subsidiaries, and others have entered into a Mezzanine Facility Agreement dated 5 June 2006, as amended and restated pursuant to an amendment and restatement agreement dated 9 November 2006 (said Agreement, as it may hereafter be amended, amended and restated, supplemented or otherwise modified from time to time, being the "Mezzanine Facility Agreement", and together with the Senior Facilities Agreement, the "Facilities Agreements").

WHEREAS, each Grantor has entered into an Intellectual Property Security Agreement dated 17 November 2006 (as amended, amended and restated, supplemented or otherwise modified from time to time, the "Security Agreement"), with the Security Agent. Terms defined in the Security Agreement and not otherwise defined herein are used herein as defined in the Security Agreement.

WHEREAS, under and subject to the terms of the Security Agreement, Grantors have granted a security interest in, among other property, certain intellectual property of the Grantors to the Security Agent for the rateable benefit of the Secured Parties, and have agreed as a condition thereof to execute this IP Security Agreement covering certain of such intellectual property for recording with the U.S. Patent and Trademark Office, the United States Copyright Office and other governmental authorities.

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, each Grantor agrees as follows:

**1. Grant of Security**

Each Grantor hereby grants to the Security Agent for the rateable benefit of the Secured Parties a security interest in and to all of such Grantor's right, title and interest in and to the following (the "Collateral"):

- 1.1 all United States patents, and all patent applications set forth in Schedule 1 hereto (as such Schedule 1 may be supplemented from time to time by supplements to the Security

Agreement and this IP Security Agreement, each such supplement being in substantially the form of Exhibit B to the Security Agreement (an "IP Security Agreement Supplement"), executed and delivered by such Grantor to the Security Agent from time to time), together with all reissues, divisions, continuations, continuations-in-part, extensions and re-examinations thereof, and all other rights therein (the "Patents");

- 1.2 all United States trademark and service mark registrations and applications set forth in Schedule 1 hereto (as such Schedule 1 may be supplemented from time to time by IP Security Agreement Supplements executed and delivered by such Grantor to the Security Agent from time to time) (the "Trademarks");
- 1.3 all copyrights, copyright registrations and applications set forth in Schedule 1 hereto (as such Schedule 1 may be supplemented from time to time by IP Security Agreement Supplements executed and delivered by such Grantor to the Security Agent from time to time) (the "Copyrights");
- 1.4 any and all claims for damages for past, present and future infringement, misappropriation or breach with respect to the Patents, Trademarks, and Copyrights, with the right, but not the obligation, to sue for and collect, or otherwise recover, such damages; and
- 1.5 any and all proceeds of the foregoing.

2. **Recordation**

Grantor authorizes and requests that the Register of Copyrights, the Commissioner of Patents and Trademarks, and any other applicable government officer and authority in the United States record this IP Security Agreement.

3. **Execution in Counterparts**

This IP Security Agreement may be executed in any number of counterparts, each of which when so executed shall be deemed to be an original and all of which taken together shall constitute one and the same agreement.

4. **Grants, Rights and Remedies**

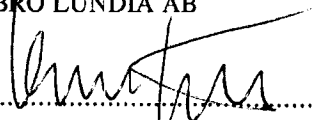

This IP Security Agreement has been entered into in conjunction with the provisions of the Security Agreement. Each Grantor does hereby acknowledge and confirm that the grant of the security interest hereunder to, and the rights and remedies of, the Security Agent with respect to the Collateral are more fully set forth in the Intellectual Property Security Agreement, the terms and provisions of which are incorporated herein by reference as if fully set forth herein.

5. **Governing Law**

This IP Security Agreement shall be governed by, and construed in accordance with, the laws of the State of New York, without giving effect to its conflicts of law provisions.

IN WITNESS WHEREOF, the Grantor has caused this IP Security Agreement to be duly executed and delivered by its officer thereunto duly authorized as of the date first above written.

GAMBRO LUNDIA AB
