ASSIGNMENT OF TRADEMARKS

October 16, 2006

WHEREAS, Accu-Mold Holdings Corporation, an Iowa corporation (formerly known as Accu-Mold Corporation) (the "Assignor"), is the owner of certain trademarks and trademark registrations (collectively, the "Marks") listed on Exhibit A attached hereto; and

WHEREAS, Accu-Mold LLC, a Delaware limited liability company (the "Assignee") desires to acquire the Marks and registrations thereof; and

WHEREAS, Assignee is a successor to the business of Assignor to which the Marks and the registrations pertain, which business is ongoing and existing.

NOW, THEREFORE, for good and valuable consideration, receipt of which is hereby acknowledged:

1. Assignor hereby assigns to Assignee all of its right, title and interest in and to such Marks listed on Exhibit A, including all registrations and applications to register the Marks, together with the goodwill of the business connected with the use of and symbolized by the Marks.
2. Assignor covenants and agrees with Assignee, its successors and assigns, that no assignment, grant, mortgage, license or other agreement affecting the rights and property herein conveyed has been made to others by Assignor and that full right to convey the same as herein expressed is possessed by Assignor.
3. Assignor agrees that it will, upon reasonable request, and without further consideration, do such things and execute such further documents as are reasonably necessary to vest title thereto in Assignee, its successors, assigns and legal representatives or nominees, and to enforce such rights.
4. Assignor further agrees that it will, upon request, without further consideration, promptly provide to Assignee all pertinent facts and documents relating to the rights assigned hereunder as may be known and accessible to Assignor and will testify as to the same in any litigation or proceeding relating thereto and will promptly execute and deliver to Assignee, or its legal representatives, any and all papers, instruments and affidavits which may be necessary or desirable to enforce such rights or to carry out the purposes hereof.
5. Assignor agrees to reasonably assist Assignee in the prosecution before the United States Patent and Trademark Office and the Federal Courts of any matters directly relating to the Marks, including renewals, continuations, divisions, reissues, and substitutions (at the sole cost of Assignee), that Assignee elects to make covering the Marks.

6. This assignment and all the terms hereof shall inure to the benefit of and be binding upon the parties hereto and their respective successors, assigns and legal representatives.
