INTELLECTUAL PROPERTY ASSIGNMENT

THIS INTELLECTUAL PROPERTY ASSIGNMENT ("Assignment"), effective as of this 23rd day of March, 2005 ("Effective Date"), is from SPX Corporation, a Delaware corporation ("SPX"), Edwards Systems Technology, Inc., a Connecticut corporation ("EST"), GSBS Development Corporation, a Delaware corporation ("GSBS"), Ziton (Pty) Limited, a corporation organized under the laws of the Republic of South Africa ("Ziton"), SPX Canada Partner II Co., an unlimited liability company organized under the laws of Nova Scotia ("SPX Canada Partner II"), SPX Canada, an Ontario general partnership ("SPX Canada"), Maxivox Inc., a corporation organized under the laws of Quebec ("Maxivox"), SPX Australia Pty. Ltd., a corporation organized under the laws of Australia (together with SPX, EST, GSBS, Ziton, SPX Canada Partner II, SPX Canada and Maxivox, the "Assignors") to GE Security, Inc., a Delaware corporation ("Assignee").

WHEREAS, the Assignors and General Electric Company and General Electric Canada previously entered into that certain Purchase and Sale Agreement dated as of November 15, 2004 (as amended, restated or otherwise modified from time to time, the "Purchase Agreement");

WHEREAS, except as set forth in Section 3.12(c) of the Disclosure Schedule to the Purchase Agreement, the Assignors own the entire right, title and interest in and to the Owned Intellectual Property (as such term is defined in the Purchase Agreement) together with the goodwill of the business associated with all trademarks, service marks, domain names, trade dress, logos and other identifiers of source included in the Owned Intellectual Property (collectively, the "Assigned IP"); and

WHEREAS, the Purchase Agreement requires the execution of this Assignment to GE Security, Inc. as a designated Purchasing Entity, and certain other Intellectual Property assignments to certain other designated Purchasing Entities including Troy Sprinkler Ltd.; GEIDCRD, Inc.; GE IDCM, Inc.; GENCSUS, Inc.; GENCS, Inc.; GE Security Canada; GE Interlogix Pty Limited; and GE Security (Africa) (collectively the "Other Intellectual Property Assignments"), and

WHEREAS, pursuant to the Other Intellectual Property Assignments, assignors are assigning to the other designated Purchasing Entities those portions of the Assigned IP consisting of the Sprinkler IP; the Identocard IP; the Identacam IP; the US Dukane IP; the Canadian Communications IP; the Other Canadian EST IP; the Australian EST IP; and the South African EST IP all defined in the Other Intellectual Property Assignments (collectively, the "Excluded Assigned IP").

NOW THEREFORE, for and in consideration of the sum of US \$1.00 and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

1. Assignors do hereby sell, assign and transfer to Assignee Assignors' entire worldwide right, title and interest in the Assigned IP except the Excluded Assigned IP, the same to be held and enjoyed by Assignee for its own use and enjoyment and the use and enjoyment of its successors, assigns or other legal representatives, including, without limitation, any

applications and registrations therefor, any renewals and extensions of the patents or registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, to the end of the term or terms for which such patents or registrations are granted or reissued, renewed or extended as fully and entirely as the same would have been held and enjoyed by Assignors if this assignment and sale had not been made, together with all income, royalties, damages and payments due or payable as of the Effective Date or thereafter with respect thereto and to all causes of action (either in law or in equity) and the right to sue, counterclaim, and recover for past, present and future infringement, misappropriation, dilution or other violation or unauthorized use of the rights assigned or to be assigned under this Assignment.

2. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns.

3. If any term or provision of this Assignment is invalid, illegal or otherwise unenforceable in whole or in part in any jurisdiction in which the Assigned IP except the Excluded Assigned IP is owned by Assignors, all other terms and provisions of this Assignment shall nevertheless remain in full force and effect. Upon such determination that any term or provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties hereto as closely as possible in order that the transactions contemplated by this Assignment be consummated as originally contemplated to the greatest extent possible.

4. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligation imposed by this Assignment shall be governed by the laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflict of laws.

5. In order to effect the transfer of particular patents, patent applications, trademark registrations and applications for trademark registration included in the Assigned IP except the Excluded Assigned IP to GE Security, Inc., the parties shall also execute the agreements attached hereto as Exhibits A through D as Domestic Patent Assignment, Foreign Patent Assignment, Domestic Trademark Assignment and Foreign Trademark Assignment respectively, and such patent and trademark assignment agreements shall govern the assignment of the subject patents, patent applications, trademark registrations and applications for trademark registration.

6. Upon reasonable request by Assignee, Assignors will execute, and will cause their employees, agents and consultants to execute, additional documents and take other actions as may be necessary or desirable to secure, record or perfect the assignments of the Assigned IP except the Excluded Assigned IP set forth herein, and to vest in Assignee Assignors' entire right, title, and interest in and to the Assigned IP except the Excluded Assigned IP as granted to Assignee, including, without limitation (i) the disclosure and transfer to Assignee of all pertinent information, data and documents with respect thereto, (ii) the reasonably prompt execution and delivery to Assignee or its legal representative of all applications, specifications, affidavits, oaths, assignments, recordations, and all other documents or instruments which are necessary in order to apply for, obtain, maintain, issue, defend, enforce and transfer such rights and in order to assign and convey to Assignee Assignors' entire right, title and interest in and to the Assigned IP

except the Excluded Assigned IP and (iii) at reasonable expense, testifying as to all pertinent facts and documents relating to the Assigned IP except the Excluded Assigned IP in any interference, litigation or other proceeding related thereto.

7. This Assignment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.

[The remainder of this page is intentionally left blank.]

IN WITNESS WHEREOF, Assignors have caused this Assignment to be duly executed by their duly authorized representatives as of the day and year first above written.

EXHIBIT C

DOMESTIC TRADEMARK ASSIGNMENT

THIS TRADEMARK ASSIGNMENT ("Assignment"), effective as of this ____ day of _____, 2005 ("Effective Date"), is from SPX Corporation, a Delaware corporation ("SPX"), Edwards Systems Technology, Inc., a Connecticut corporation ("EST"), GSBS Development Corporation, a Delaware corporation ("GSBS"), Ziton (Pty) Limited, a corporation organized under the laws of the Republic of South Africa ("Ziton"), SPX Canada Partner II Co., an unlimited liability company organized under the laws of Nova Scotia ("SPX Canada Partner II"), SPX Canada, an Ontario general partnership ("SPX Canada"), Maxivox Inc., a corporation organized under the laws of Quebec ("Maxivox"), SPX Australia Pty. Ltd., a corporation organized under the laws of Australia (together with SPX, EST, GSBS, Ziton, SPX Canada Partner II, SPX Canada and Maxivox, the "Assignors") to GE Security, Inc., a Delaware corporation ("Assignee").

WHEREAS, the Assignors and General Electric Company ("GE") and General Electric Canada previously entered into that certain Purchase and Sale Agreement dated as of November 15, 2004 (as amended, restated or otherwise modified from time to time, the "Purchase Agreement");

WHEREAS, one or more of the Assignors owns the entire right, title and interest in and to the registered trademarks and trademark applications listed on Schedule A together with the goodwill of the business associated therewith (collectively, the "Assigned Marks"); and

WHEREAS, Assignee is purchasing the Assignors' business to which the Assigned Marks pertain, and such business is ongoing and existing; and

WHEREAS, Assignors are assigning to Assignee the entire right, title and interest in and to the Assigned Marks pursuant to the Purchase Agreement, and the Purchase Agreement requires the execution of this Assignment.

NOW THEREFORE, for and in consideration of the sum of US \$1.00 and other good and valuable consideration, the sufficiency and receipt of which is hereby acknowledged:

1. Assignors hereby sell, assign and transfer to Assignee any of Assignors' entire right, title and interest in and to the Assigned Marks, whether statutory or common law rights, together with the goodwill connected with and symbolized by the Assigned Marks, for the United States and for all foreign countries, including, without limitation, any registrations and applications therefor, any renewals and extensions of the registrations, and all other corresponding rights that are or may be secured under the laws of the United States or any foreign country, now or hereafter in effect, for Assignee's own use and enjoyment, and for the use and enjoyment of Assignee's successors, assigns or other legal representatives, to, if and as applicable, the end of the term or terms for which the Assigned Marks are granted or reissued or extended as fully and entirely as the same would have been held and enjoyed by Assignor if this Assignment had not been made, together with all income, royalties or payments due or payable as of the Effective Date or thereafter with respect thereto and to all causes of action (either in law or in equity)

and the right to sue, counterclaim, and recover for past, present and future infringement, dilution or other violation or unauthorized use of the rights assigned or to be assigned under this Assignment.

2. This Assignment is binding upon, and inures to the benefit of, the parties hereto and their respective legal representatives, successors and assigns.
3. Assignors hereby request the U.S. Commissioner of Patents and Trademarks to record this Assignment as to the Assigned Marks.
4. If any term or provision of this Assignment is invalid, illegal or otherwise unenforceable in whole or in part in any jurisdiction in which Assigned Marks are owned by Assignors, all other terms and provisions of this Assignment shall nevertheless remain in full force and effect. Upon such determination that any term or provision is invalid, illegal or incapable of being enforced, the parties hereto shall negotiate in good faith to modify this Assignment so as to effect the original intent of the parties hereto as closely as possible in order that the transactions contemplated by this Assignment be consummated as originally contemplated to the greatest extent possible.
5. All questions concerning the construction, validity and interpretation of this Assignment and the performance of the obligation imposed by this Assignment shall be governed by the laws of the State of New York, regardless of the laws that might otherwise govern under applicable principles of conflict of laws.
6. Upon reasonable request by Assignee, Assignors will execute additional documents and take other actions as may be necessary or desirable to secure, record or perfect the assignments of the Assigned Marks set forth herein, and to vest in Assignee Assignors' entire right, title, and interest in and to the Assigned Marks together with the goodwill connected with and symbolized by the Assigned Marks.
7. This Assignment may be executed in one or more counterparts, each of which when executed shall be deemed to be an original but all of which taken together shall constitute one and the same agreement.
