TRADEMARK ASSIGNMENT

This Trademark Assignment is made and entered into as of July 27, 2006 (this "Trademark Assignment") by and between 4520 Corp., Inc., a Delaware corporation having a principal place of business located at 4909 Southeast International Way, Portland, Oregon 97222 (as successor in interest by merger to Dixon Industries, Inc., a Kansas corporation ("Dixon") ("Assignor"), and Husqvarna Professional Outdoor Products Inc., an Ohio corporation acting through its Husqvarna Turf Care Division, having a principal place of business located at 7349 Statesville Road, Charlotte, North Carolina 28269 ("Assignee").

WHEREAS, Assignor owns all right, title and interest in the U.S. and foreign trademarks listed on the attached Schedule A, all applications and registrations pertaining thereto and all common law rights associated therewith, together with all goodwill arising from the use of and symbolized by said trademarks (the "Transferred Trademarks"); and

WHEREAS, by an Asset Purchase Agreement, dated as of June 30, 2006, among Assignee, Assignor and Blount, Inc., a Delaware corporation (the "Asset Purchase Agreement") (terms used but not defined herein have the meanings set forth in the Asset Purchase Agreement), Assignor has sold certain Acquired Assets to Assignee, Assignee has assumed certain Assumed Liabilities of Assignor's and in connection therewith, Assignor has agreed to assign, and Assignee has agreed to acquire, all of Assignor's right, title and interest in and to the Transferred Trademarks;

NOW, THEREFORE, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, Assignor does hereby assign, sell, transfer and convey to Assignee, its successors and assigns, its entire right, title, and interest in and to the Transferred Trademarks in those jurisdictions listed in Schedule A attached hereto, including all applications and registrations therefor and all goodwill of Assignor's business in connection with which the Transferred Trademarks are used and which is symbolized by the Transferred Trademarks, and all rights to sue and to collect all damages and payments for past, present or future infringements or misappropriations thereof.

Assignor hereby authorizes and requests the Commissioner of Patents and Trademarks of the United States, and any official of any country or countries foreign to the United States, whose duty it is to issue trademarks or other evidence or forms of applications, to issue the same to the said Assignee with respect to the Transferred Trademarks, its successors, legal representatives and assigns, in accordance with the terms of this instrument.

Assignor makes no representations or warranties concerning the Transferred Trademarks other than those representations and warranties made by Dixon in the Asset Purchase Agreement.

Assignor hereby irrevocably appoints Assignee, its successors and assigns, the true and lawful attorney of Assignor to execute such further documents and instruments, and to do such other acts and things, as may be necessary or appropriate to effectuate the transfer of the Transferred Trademarks contemplated by this Trademark Assignment. Assignee agrees to give Assignor prior written notice (at its address for notice pursuant to the Asset Purchase Agreement) of any action taken pursuant to the foregoing power of attorney.

This Trademark Assignment shall be binding upon and inure to the benefit of the parties hereto and their respective successors and assigns.

This Trademark Assignment shall be governed by, construed and enforced in accordance with the laws of the State of Kansas (without application of principles of conflicts of law).

This Trademark Assignment may be executed in counterparts, each of which shall be deemed an original, but all of which together shall constitute one and the same instrument.

Nothing in this Trademark Assignment is intended to expand, restrict, or otherwise alter the respective rights or obligations of the parties under the Asset Purchase Agreement, and nothing herein shall be used in interpreting the terms of the Asset Purchase Agreement. In the event that the terms of this Trademark Assignment conflict with the terms of the Asset Purchase Agreement, the Asset Purchase Agreement will govern. Assignor and Assignee hereby agree that the resolution of any and all disputes concerning the matters set forth in this Trademark Assignment shall be governed by and subject to the terms and limitations set forth in the Asset Purchase Agreement.
